INNOVATING TOWARDS A SUCCESSFUL CAREER IN EDUCATION

Xinyu (Cindi) Du

Bachelor of Early Childhood Education (Honours)

Current student

Cindi has shown a dedication and resilience in her studies, despite significant challenges. After travelling home to China for her summer break in 2020, she was forced to switch to online study due to Australia's border closures. Regardless of the disruption, Cindi found innovative ways to complete her practical assignments remotely, while also helping inspire and motivate fellow offshore students.

Cindi achieved high distinctions and distinctions in almost all courses and her accomplishment saw her win a special commendation at the StudyAdelaide International Student Awards. It gave her a renewed focus for her career in education.

"I believe that 'the best way to predict the future is to create it', so I will begin with today and keep moving towards my dream."

INSPIRED BY THE TRANSFORMATIVE NATURE OF DATA

Saurabh Gautam

Master of Data Science

Manager of Strategic Accounts and Partnerships at Complexica

As an IT project manager back in India, Saurabh was working in digital transformation and analytics. It was here where he first became interested in data science and its ability to provide valuable insights.

During his studies, he applied for an internship with an artificial intelligence-based software company in Adelaide. The company was supportive throughout the internships and, after an interview, offered him a part time role which became full time once he graduated.

"Data science is rated as one of the hottest jobs of the 21st century. I have enjoyed working at Complexica - every day is new and the opportunities I come across are phenomenal. Having acquired the advanced analytical and visualisation skills from my degree, I was able to keep myself ahead of the curve."

POWERING PLAYLISTS AT SPOTIFY

Boon Ken Wong

Bachelor of Arts (Communication and Media Management)

International Music Manager at Spotify

A pop culture guru and tastemaker of new trends, Boon Ken Wong is part of Spotify's International Music Team, responsible for leading artist and editorial strategy and multi-market collaboration in the APAC region.

He now leads artist and editorial strategy and multi-market collaboration, in turn introducing the world to the best new music and well-loved classics for the global streaming giant.

"I have always been fascinated by the communal, visceral, and cultural qualities of music, how music travels and is shared. Nothing connects people quite like music."

PAVING THE WAY FOR WOMEN IN CIVIL ENGINEERING

Shahnaaz Ansari

Master of Engineering (Water Resources Management)

Nepalese Engineering Consultancy

Growing up in Nepal during a drinking water crisis had a profound impact on Shahnaaz's future career. With stark memories of her mother up all-night collecting drinking water from a dripping tap, she knew she wanted to help solve the problem.

Engineering felt like a natural pathway as her father, also an engineer, would take her to work where she would be entranced by the workshop mechanics. In just two short decades, she became one of few female engineers for the Nepalese Government.

"Now I am educated and independent, I feel empowered and confident. Neighbours who used to pass discouraging comments on my career choice now share my success story to their daughters."

FROM FEEDING A COMMUNITY TO UN PERSON OF THE YEAR

Wawira Njiru

Bachelor of Nutrition and Food Sciences

Founder and Executive Director of Food 4 Education

Wawira arrived at the University of South Australia knowing she wanted to make a difference back home in Kenya, but not quite sure how. By the time she graduated she didn't just have a clear vision; big things had already started.

Thanks to her work as the Founder and Executive Director of Food 4 Education, she was awarded the 2021 UN Kenya Person of the Year for her leadership and commitment to feeding 33,000 school children and enabling them to access nutritious, affordable meals. Since its inception, Food 4 Education has delivered over 6.5 million meals to school children.

"The kids inspire me the most. They work hard to be able to get opportunities that come so easily for others. I am so privileged to have the opportunity to contribute to their future."

AUSTRALIA'S MOST LIVEABLE CITY

Adelaide is a cultural destination with many different nationalities, foods, festivals and sporting events. It is home to some of the country's best beaches, wine regions and parklands, all in very close proximity to the city centre.

Adelaide is a city shaped by stories. The first of these stories were created by the Kaurna people of the Adelaide Plains, which remain alive today and are interwoven with the stories of all the people who choose to live, work and study in Adelaide. The city is a celebration of diversity and inclusion with a strong sense of community.

MULTICULTURAL

Almost one in four people in South Australia were born overseas with ancestry tracing back to more than 120 countries. Australia also has a democratic system of government and is accepting of different religious beliefs.

ACCESSIBLE

Adelaide offers all the advantages of big city life but is still easy enough to get around. It takes just 15 minutes to travel from the airport to the city and 20 minutes from the city to the beach or hills.

AFFORDABLE

Adelaide has one of the highest standards of living in the world yet is one of the least expensive. This means more money to spend on food, accommodation, supplies, travel and entertainment.

BONUS SAVINGS

As an international student in Adelaide, you will be offered the same public transport discounts as local students, saving you hundreds of dollars every year. Another benefit is that you can also work while studying.*

*For information on the permission to work arrangements for student visa holders, please refer to the Department of Home Affairs website. homeaffairs.gov.au

ADMISSIONS

Australian Year 12 programs

(Australia and offshore)

- Apply through the South Australian Tertiary Admissions Centre (SATAC) - satac.edu.au/undergraduate
- Entry is determined by a Selection Rank score, which is your Australian Tertiary Admissions Rank (ATAR), including any Adjustment Factors
- Adjustment Factors are automatically processed by SATAC and based on any eligible subjects you passed in Year 12
- You can apply for up to six degrees
- Applications open in August and close early December (however you can still apply through SATAC until early January)
- The first offer round is in December (shortly after Year 12 results are released) with further offer rounds in January
- You will also receive an offer from the University, and you will need to respond to the University offer as soon as possible to secure your place in your offered program.

UniSA GUARANTEED ENTRY

- Through UniSA Guaranteed Entry, you will automatically receive an offer if you meet the set Selection Rank. You can also get guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades, along with any prerequisites, and put UniSA as your first preference, you are automatically in.

Note 1: Students require an additional year of study following their high school studies. This can include the successful completion of a recognised pre-tertiary program; Foundation Studies; or one year of study at a recognised tertiary or higher education institution.

Note 2: Students must have a minimum of six points for entry (some programs require a higher score) and have completed 3x A levels. The score is calculated using the best 3 subjects and can include local languages and 1 Advanced Subsidiary (AS) grade. AS grades cannot be used for any prerequisite subject/s. The scoring system is A*=6, A=5, B=4, C=3, D=2, E=1.

Note 3: Selection Rank is your Australian Tertiary Admission Rank (ATAR) including any Adjustment Factors (formerly known as Bonus Points).

Note 4: UniSA now offers guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades, along with any prerequisites, and put UniSA as your first preference, you are automatically in. In addition, you can still aim to achieve the guaranteed Selection Rank and we will admit you automatically on your best result out of the two.

HOW TO APPLY

international.unisa.edu.au/how-to-apply

1. Find your degree

Explore your study options in this guide or go online for more information.

unisa.edu.au/study

2. Check admission requirements

Make sure you are aware of entry requirements including:

- › English language
- › Academic entry
- › Guidelines on genuine temporary entry
- › Guidelines on living costs and evidence of funds.

3. Apply

Once you have found the program you wish to study, you can apply online either directly or via an Education Agent. Apply at least two months before you intend to start studying. Some students may require more time to ensure they receive their visa.

Apply directly – You can apply directly via our secure online service. Save your application and return later to continue the process and track your progress.

Education Agents – Depending on your country of citizenship, you may be required to apply through one of our registered Education Agents. A full list is available at international.unisa.edu.au/find-an-agent

SUPPORTING DOCUMENTATION

To avoid delays, attach the following documents to your online application.

- › Certified* copies of academic transcripts and graduation certificates, including information on your institution's grading system as required.
- › English language test results (e.g. IELTS or TOEFL) where applicable.
- › Detailed syllabi/course outlines of previous studies if you are applying for credit or advanced standing.
- › Additional academic and employer references if required; and
- › A certified* copy of the personal details page and signature page of your passport.

*A certified copy is a copy of the original document that has been certified by an official such as a University of South Australia Education Agent or staff member, justice of the peace, notary public, police officer or examining authority.

4. Wait for application assessment

Application outcomes in 1-2 weeks*

If you are eligible we will email you, or your Education Agent, an offer letter package. If you are not eligible, we may suggest alternative programs or pathways. Your application will be assessed in accordance with the University's Selection and Entry to Programs Policy, which includes the guidelines on genuine temporary entry and guidelines on living costs and evidence of funds.

*From your submission including all supporting documentation required

5. Accept your offer

To accept a place in your offered program, you will need to:

- › Check the offer letter package
- › If all details are correct, log in to our secure online service and complete the steps to accept. This includes uploading any additional documents required, accepting the terms and conditions of your offer and finalising your payment.

If you have an Education Agent, they can help you accept via: student-unisa.studylink.com

STUDENT VISAS

We will send you or your Education Agent a Confirmation of Enrolment (CoE) document to enable you or your Education Agent to apply for a student visa for your entry into Australia. Apply for your student visa as soon as you receive your CoE.

international.unisa.edu.au/student-visa

STUDENT PAYMENTS

The Western Union GlobalPay for Students service helps you make payments in your preferred currency without extra fees and delays.

- › Pay your tuition fees quickly
- › Make payments online, by bank transfer or via credit card
- › Track payments and receive status updates by text and email.

international.unisa.edu.au/westernunion

6. Prepare for arrival

- › Enrol online – you can enrol before you leave home.
- › Book your travel – check with your travel agent early for flight options but do not confirm bookings until you receive your CoE document. You can also book our free airport pick-up service and on-arrival temporary accommodation to help you get started.
- › Arrive on time – if you are unable to arrive by the commencement date, you may have to defer your offer as some programs have compulsory orientation.
- › Get ready for Orientation – attend welcome sessions and activities to meet other students and get to know life on campus and in Adelaide.

Fees

Tuition fees are based on 2023 fees and are accurate at the time of publication. Fees are subject to change and once you have started your program, your tuition fees will increase each calendar year. However, your fees will not be more than the fees for commencing (new) students. Your tuition fees will be based on your enrolment and the fees set for that year. You will be liable for these fees upon acceptance of an offer from the University.

In the event of a variation between the fees listed here and the approved schedule of tuition fees found at unisa.edu.au/study, the approved university schedule will prevail. All fees are listed in Australian dollars (AS).

You may incur incidental fees in addition to your tuition fees during your studies. A list of the estimated non-tuition fees you may incur during your program can be found at international.unisa.edu.au/how-to-apply/forms-and-fees/non-tuition-fees/

*Pathway to Masters

For select degrees, you can fast-track your studies with our Pathway to Masters package. For more information, visit: unisa.edu.au/pathway-to-masters

*Fast-track Masters in STEM

For select degrees, you can add a fast-track master to the end of your degree (1 year instead of 2). For more information, visit: international.unisa.edu.au/fast-track-masters-in-stem/

◊Two masters in two years

For select master degrees, you can potentially complete this degree along with a Master of Project Management as a 'two masters in two years' package, depending on your previous education. For more information, visit: international.unisa.edu.au/2m2y/
