WELCOME TO CANNING COLLEGE

Wayne Axford
Canning College Principal

Our commitment to helping students achieve entry into leading universities started in 1982 when Canning College led the way as one of the first international education providers in Australia. Since then, we have continued to expand a supportive learning environment that has guided thousands of international students towards their career goals.

In 2020, we faced a new challenge as borders were closed and people around the world adapted to unusual circumstances.

The health and wellbeing of our students was our immediate priority and our staff implemented measures to ensure the young people with us on campus felt safe and supported. It was also critical that we were able to continue to deliver programs to those students who had enrolled with us but who were unable to travel to Perth.

As a result, our teaching staff created a new approach that allowed students overseas to join their on-campus classmates in daily lessons using web conferencing and other digital tools. A survey conducted in September 2020 revealed that 96% of online students were satisfied with the quality of learning materials and resources provided, confirming the success of our remote learning programs. By offering programs face-to-face and online, new students were able to continue their studies and ensure they would not have to delay university entry.

In the immediate future, Canning College will continue to offer programs to students on campus and online with a sincere hope that travel restrictions will be lifted soon and students will again be able to travel to Perth. We are proud of our remote learning programs but a genuine international education experience is made complete by living and learning here in Perth.

Over the years, Canning graduates have been widely recognised for their academic achievements at leading universities and many alumni hold highly regarded positions across various industries. We expect this record of success to continue into the future as a result of our ongoing commitment to quality teaching, pastoral care, academic guidance and support services, which result in rich and rewarding student experiences. The College is frequently visited by past students, many of whom choose to send their own children to Canning so that they too can benefit from a vibrant international education experience. I know that the events of 2020 resulted in a more cautious approach to many things but believe the period of reflection has served us all well.

Now is the time to return to international education ambitions and to reach for the goals that may have been put on hold.

I encourage you to find your future with us at Canning College.

Wayne Axford
Principal
January 2021

ABOUT PERTH

"A CITY EMBODYING ALL THINGS RIGHT ABOUT CITIES...COULD A CITY REALLY BE SO EASY, BREEZY, GREEN AND PRISTINE - SO POSITIVELY LIVEABLE"

New York Times travel review by Baz Dreisinger

"AS AUSTRALIA'S SUNNIEST CAPITAL CITY — WITH MORE THAN 3,000 HOURS OF SUNSHINE A YEAR — PERTH IS THE PERFECT CITY FOR ANYONE LOOKING TO ENJOY THE OUTDOORS."

Forbes Travel Guide

"RANKED NUMBER 14 MOST LIVEABLE CITY IN THE WORLD AND ACHIEVED A MAXIMUM SCORE OF 100 FOR HEALTHCARE, EDUCATION AND INFRASTRUCTURE"

The Economist's Global Liveability Report

Perth, the capital city of Western Australia, is a modern western-style city of about 2.2 million people. The multicultural population enjoys an extensive range of high quality facilities and a relaxed cosmopolitan lifestyle. Perth's friendly people welcome visitors and students from all over the world.

Perth's wide open spaces and pleasant Mediterranean climate (warm/dry summers and cool/wet winters) create an excellent living environment where the air is clean and traffic flows freely across the metropolitan area.

Perth is connected to major cities across the world through its proximity to south-east Asian cities including Singapore, Hong Kong, Jakarta and Kuala Lumpur. It is situated in the +8-time zone, which makes it easy for communications between Asian students and family and friends at home.

Western Australia's dynamic economy was responsible for 36.5% of Australia's export products in 2018-19 and provides many career and business opportunities. Perth offers students quality accommodation at reasonable cost and rent is cheaper than many other cities in Australia. Quality food and other products from around Australia and overseas are available from Perth's many shopping facilities.

Living in Perth

The relaxed Perth lifestyle is well supported by excellent health care facilities and a clean, safe environment, as well as a stable political system. Perth has four seasons – spring (September to November), summer (December to February), autumn (March to May) and winter (June to August). Maximum temperatures average around 8-19°C in winter and 18-32°C in summer. Students are advised to bring lightweight clothing to remain cool during the warm summer weather and appropriate warm clothing for winter. The climate supports an active outdoor lifestyle.

Cost of Living

Perth traditionally has one of the lowest costs of living of any Australian capital city. The Australian Government provides information and guidance on managing your finances. You can read more at moneysmart.gov.au and studyinaustralia.gov.au

The average international student spends about AUD\$450-500 a week on accommodation, clothing, food, transport, entertainment, telephone and incidental costs. Airfares and tuition fees do not form part of this estimated cost of living.

It also does not cover additional costs associated with a more expensive lifestyle e.g. owning a car.

Part-time work is a great way to develop language skills, experience Australian culture away from campus and earn some pocket-money. Hourly rates vary (\$16-\$35 per hour) depending on the job and student's age. Students can work a maximum of 40 hours per fortnight during term time but can work full time during vacation periods. As study is the focus for students at Canning, recommended working hours are 8 to 15 hours per week – depending on course requirements. Earning income requires a student to have a Tax File Number (TFN). Students apply through the **Australian Taxation Office**.

Transport

Perth has excellent public transport which features an integrated bus and train system. For detailed information please refer to the **Transperth** website: www.transperth.wa.gov.au

International students in Perth enjoy the benefits of public transport concession fares. Smartrider cards are issued through Canning College.

Testimonial

"I have been living in Perth for a year and enjoying Australia's most beautiful city. Perth has been an amazing place to study, and Canning College has made it even better. You can't even imagine how friendly and kind the teachers at Canning College are. When you have any problems there is nothing to be afraid of because there are many kind people who are looking forward to helping you. On the weekend you will never get bored in this amazing city. There are many festivals and events running in the city and on the hot days you can enjoy the beaches and parks."

ABOUT CANNING

YOUR PATHWAY TO LEADING UNIVERSITIES

AS AUSTRALIA'S FIRST GOVERNMENT INTERNATIONAL COLLEGE, WE HAVE OFFERED SPECIALISED EDUCATION PROGRAMS AND STUDENT SERVICES FOR INTERNATIONAL STUDENTS SINCE 1982. IN 2020, FACED WITH A NEW CHALLENGE, CANNING COLLEGE LAUNCHED ONLINE PROGRAMS TO ALLOW NEW AND CONTINUING STUDENTS TO STUDY WITH US REMOTELY. WHILE TRAVEL RESTRICTIONS ARE IN PLACE, WE WILL CONTINUE TO PROVIDE ONLINE PROGRAMS THAT ALLOW STUDENTS TO PROGRESS ON THEIR JOURNEY TO UNIVERSITY THROUGH REMOTE SERVICES. ON THE RESUMPTION OF NORMAL TRAVEL CONDITIONS, WE WILL WELCOME BACK TO PERTH NEW INTERNATIONAL STUDENTS AND THOSE WHO HAVE STARTED ONLINE PROGRAMS WITH US.

Canning College assists international students to achieve entry into leading universities and pursue their career goals. Our experienced staff, who are trained to understand the specific needs of international students, provide expert teaching, care and support to help them achieve their goals.

In 2020, 45% of our WA Universities' Foundation Program students were in the top 10% of all students in Australia, while over the past five years more than 90% of our students in the Diploma of Commerce and Certificate IV in University Access Program have progressed to further studies.

The majority of Canning College students progress to high-quality university degree programs in Western Australia, while many others are accepted into respected institutions elsewhere in Australia and overseas on the strength of their academic success at the College.

What We Offer

- Year 10 – Secondary Studies
- WACE ATAR Year 11 and Year 12
- Bridging Programs
- Western Australian Universities' Foundation Program (WAUFP)
- Certificate IV in University Access Program (UAP)
- Diploma of Commerce
 - UWA Stream – leading to The University of Western Australia
 - Curtin Stream – leading to Curtin University
 - Murdoch University and the University of Notre Dame Australia also accept successful Diploma of Commerce students.

Our Advantages

- Specialised programs that take students into leading universities across Australia and overseas
- Quality assurance and security of a WA government college
- Excellent academic standards and high success rates
- Globally recognised university entry qualification - WACE ATAR program
- Choice of start dates for all programs
- Small class sizes give students more teacher attention
- Promotion of independent learning skills
- Friendly and experienced teaching and support staff
- Multicultural university-style campus located next to the main Curtin University campus
- Easy access to public transport
- Well-equipped facilities including a Library/Learning Centre and Computing Centre
- Technological excellence in teaching/learning programs
- On-campus student village style accommodation – UniLodge Vickery House
- Course fees which include all student services

Record of Success

Canning College has assisted thousands of students to achieve entry into leading universities, including the exceptional institutions in Western Australia. The majority of Canning College students have chosen degree programs at Curtin University, the University of Western Australia and Murdoch University with others also progressing to Edith Cowan University. A more recent arrangement with the University of Notre Dame has opened yet another avenue of opportunity for Canning College students.

The successful completion of Canning College programs can also lead to entry into universities elsewhere in Australia. In particular, the WA Universities' Foundation Program is recognised across the country and has been a proven pathway for students seeking study opportunities at the University of Sydney, the University of Melbourne, Australian National University, Monash University and the University of Adelaide.

Package with a University in One Visa Application

Students can package their Canning College course with a leading Western Australian university (The University of Western Australia, Curtin University, Murdoch University and the University of Notre Dame, Australia) using the **Simplified Student Visa Framework (SSVF)**. This saves students time and money during the student visa application process. Further information on the SSVF is available on the **Department of Home Affairs** website.

ABOUT CANNING YOUR PATHWAY TO LEADING UNIVERSITIES

STUDENT SERVICES

Canning College offers an extensive range of quality student support services, all of which are included in the course fee. There are no additional charges for Canning College services.

- Excellent library facilities
- Access to high quality computer resources and Wi-Fi network
- Learning Centre with free extra tuition
- Recreation Centre and gymnasium
- Specialised English support services and intervention programs for 'at risk' students
- Student Services Centre – specialist staff and services
- Airport reception and transfers (free of charge on initial arrival)
- Special support for students under 18 years of age
- Parent liaison and online access to student reports
- Orientation programs
- Music room
- Prayer room
- Student experience program
- Accommodation services
- Pastoral care services with trained advisors and college psychologist
- On campus cafeteria and access to food preparation facilities

As the college campus is located adjacent to Curtin University, Canning students can also enjoy some of Curtin's services. These include a medical centre, stadium, library, cafes, bookshop, a free hail and ride bus service around Curtin and Canning and Curtin Bus Station.

What our students think of Canning College?

Each year Canning College surveys its students and asks which aspects of the college students considered the most positive. The top five features in 2020 were:

1. Quality and experienced teachers
2. Friendly and supportive staff
3. Facilities – Recreation Centre, Library etc.
4. Quality of support services
5. Multicultural ethos of the College

Airport Meeting Service

The College realises that it can be difficult arriving in a new country for the first time, so international students can arrange to be met by a College representative on arrival at Perth International Airport. They will be transported to their accommodation free of charge on their initial arrival to Perth. This service also includes students with homestay arrangements through Australian Homestay Network (AHN). Arrangements for airport pick up and accommodation will need to be made through the College's Student Services prior to student arrival in Perth.

Orientation

All new students are required to attend the compulsory Orientation program which provides them with crucial information and advice that will assist them in adjusting to the living and learning environment of the College and Perth. Students also receive help in selecting subjects, opening bank accounts, registering medical insurance, obtaining student/concession cards and finding permanent accommodation.

The Orientation is also a good opportunity to meet fellow students and the staff at Canning College. The costs for being met at the airport (on initial arrival to Perth), all transport and meals during the Orientation program are covered by the College.

Learning Support

In addition to formal classes, Canning College provides opportunities for additional assistance through optional tutorials or individual assistance. There is no additional charge for this service.

The Learning Centre, based in the Library, enables students to get individual or small group assistance from subject specialist teachers.

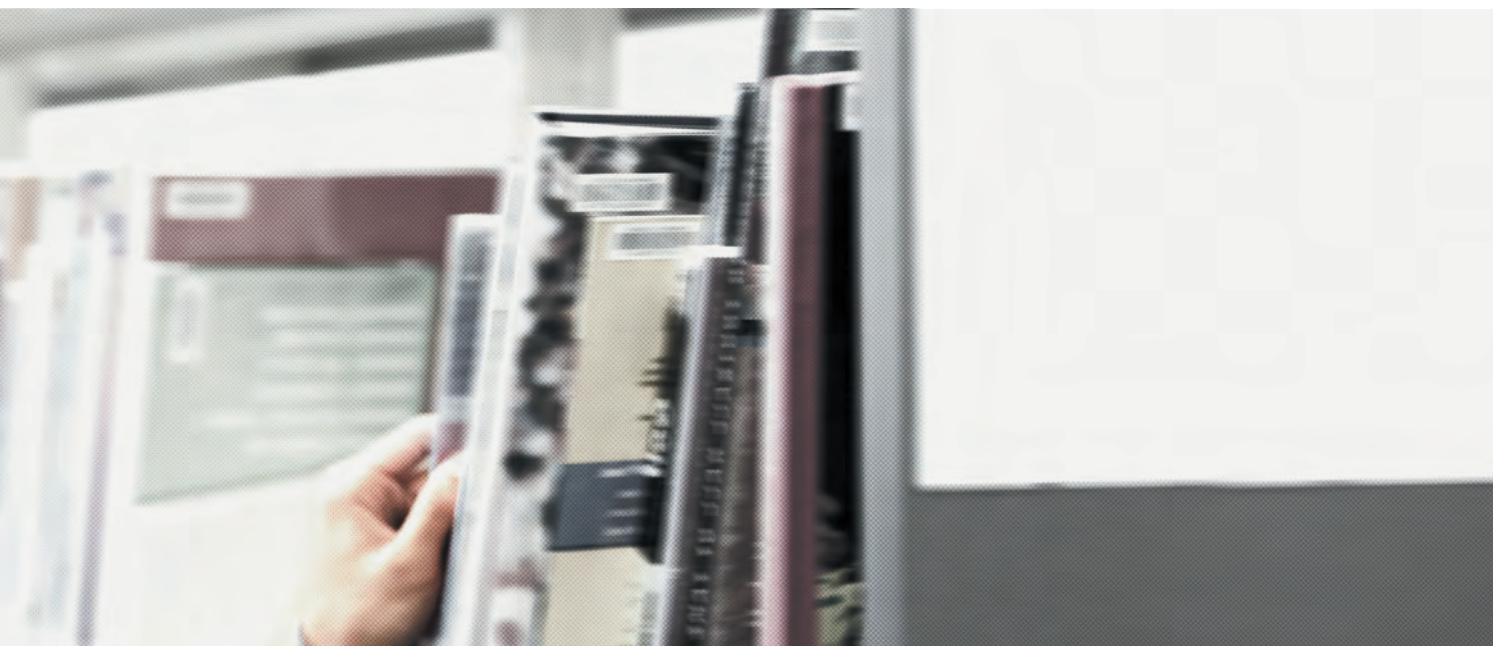

Canning also provides intervention support activities for students identified as 'at risk'.

Counselling

The College provides confidential counselling and advisory services to assist students with:

- study skills
- course information and subject selection
- applications for tertiary study
- career and vocational advice

A trained psychologist, is available by appointment to provide advice on personal issues. Student Services also has male and female advisors trained in assisting international students.

ACCOMMODATION

Accommodation is an important aspect of student life and Canning College aims to ensure that all students are comfortably and safely housed so they can focus on their studies. Accommodation services include:

- ensuring accommodation is easily accessible to the College
- providing information on a variety of types and prices of accommodation
- placing each student in permanent accommodation during the Orientation
- advising on all aspects of accommodation in Perth
- liaising with Australian Homestay Network as required

Accommodation Requirements for Students Under 18 Years of Age

The Department of Home Affairs requires students who are under the age of 18 years to have appropriate arrangements made for their welfare in Australia. Details are available on the [Department of Home Affairs website](#).

Placement with Australian Homestay Network

For under 18 aged students requiring homestay, Canning College works with Australian Homestay Network (AHN) to arrange quality placements. Homestay provides students with a secure and family-like environment. Students are encouraged to join in with the family as it provides an excellent opportunity to practise English and learn about the Australian way of life. The family provides meals and assists with everyday needs such as laundry

and cleaning, allowing more time for study. More information is available on the AHN website: <https://www.homestaynetwork.org/>

Students can also stay with a direct family relative. This must be approved by the Department of Home Affairs using a **157N form**.

UniLodge at Curtin University - Vickery House

Vickery House, which has been managed by UniLodge since 2019, is situated on the eastern boundary of Canning College campus and houses over 300 Curtin University/Canning College students in 42 individual self-catering units, each housing 6-8 students of the same gender. The units are within easy walking distance of Canning College, shopping centres and public transport. Students have their own furnished single bed/study room and share the kitchen, living and washing areas. Students must be at least 18 years of age to take up residence. Resident parking is available free of charge.

Rental Properties – Houses, Units and Apartments

Students over 18 years of age who wish to have independent living arrangements can rent accommodation. Most students who choose this option will share with other students. Sharing arrangements may involve from two to eight people. There are numerous rental properties within close walking distance of the College, and the Accommodation Officer will provide students with help and advice regarding this type of accommodation.

Rental Information

reiwa.com.au
realestate.com.au

Costs

Accommodation	Rate per week (2021)
UniLodge Vickery House	\$226
AHN rates for under 18 aged students	\$325 Full board
Homestay rates for over 18 aged students	From \$210 depending on the service level
Rental (room only)	From \$145-\$230 per room per week (approximate)

AHN charges an additional fee of \$290 per placement.

ABOUT CANNING YOUR PATHWAY TO LEADING UNIVERSITIES

TEACHING

Canning's teachers are highly qualified, experienced and dedicated to student success. All staff are registered with the Teacher Registration Board of Western Australia.

As Canning College focuses on preparing students for university studies, teaching styles include teacher directed and student centred activities. The aim is to ensure that all Canning graduates are independent learners and are capable of successfully engaging with university level learning. Students are encouraged to be active learners in all class activities. Teaching staff are available to students out of class time.

Online and Library resources are available in each subject and students are expected to carry out self-directed study activities.

"All of the teachers and staff are super friendly, which really gives you a boost... The teachers (are) constantly engaging the students with questions to keep us on our toes and to ensure that we are always focused during the lesson." – Student Survey 2020.

Subject Selection

Final subject selection is completed during Orientation where students are provided with:

- General talk on careers and college pathways
- Information on specific university programs and study majors
- Subject information from Heads of Learning Areas
- Individual interview with an Advisor
- An individual timetable prior to commencement of classes

Subjects/units may be changed in consultation with an Advisor.

Learning Facilities

All classrooms have air-conditioning and are fitted with modern teaching resources such as multimedia projectors, smart boards, interactive screens and computers.

English is the language of instruction in all classes and students are encouraged to speak in English at all times to improve their English language skills.

Maximum Class Sizes

Diploma of Commerce:

Lectures – 50 students
Seminars – 25 students
Tutorials – 20 students

WAUFP, WACE, Year 11 and Year 10:

Academic subjects – 25 students
English Language: 15 – 25 (depending on the English level).

Assessments

At the beginning of each program, students are issued with the assessment guide for each subject. Final marks can only be derived from publicised assessment activities. Assessments are cumulative and continuous for the duration of each subject. Final results are expressed in percentage and/or grade form.

ONLINE LEARNING PROGRAMS

Online versions of Canning College's pathway-to-university programs were launched in July 2020 to assist overseas students who were unable to travel to Perth due to COVID-19 travel restrictions.

This innovative approach has allowed international students to start their studies with the College while remaining in their home country.

When travel restrictions are lifted, students who have started an online program will be required to travel to Perth and complete their studies on campus if conditions allow. This will allow students to receive a component of face-to-face tuition from our experienced educators and to fully experience life as an international student in Western Australia.

UNTIL FURTHER NOTICE, ONLINE STUDY WILL BE AVAILABLE TO STUDENTS WHO ARE UNABLE TO TRAVEL TO PERTH DUE TO COVID-19 TRAVEL RESTRICTIONS. THIS IS SUBJECT TO CHANGE.

Learning Delivery

Students receive lessons and learning materials via **Connect**, a Learning Management System used by the WA Department of Education, and video

conferencing tool **Webex**. Lessons are delivered live and students are required to be online for each lesson. This ensures students feel connected to their teacher and fellow classmates.

Students are supported by a Care Group Leader, who will be the student's main point of contact.

Application Process

All students will be issued with a Confirmation of Enrolment (CoE) after the school has received 50% of the course fees. In many cases, Overseas Student Health Cover (OSHC) will only commence when borders reopen and students are travelling into Australia to physically attend classes. However, students who package their Canning College program with a Western Australian tertiary institution may be required by the university to have OSHC in place during online studies with Canning.

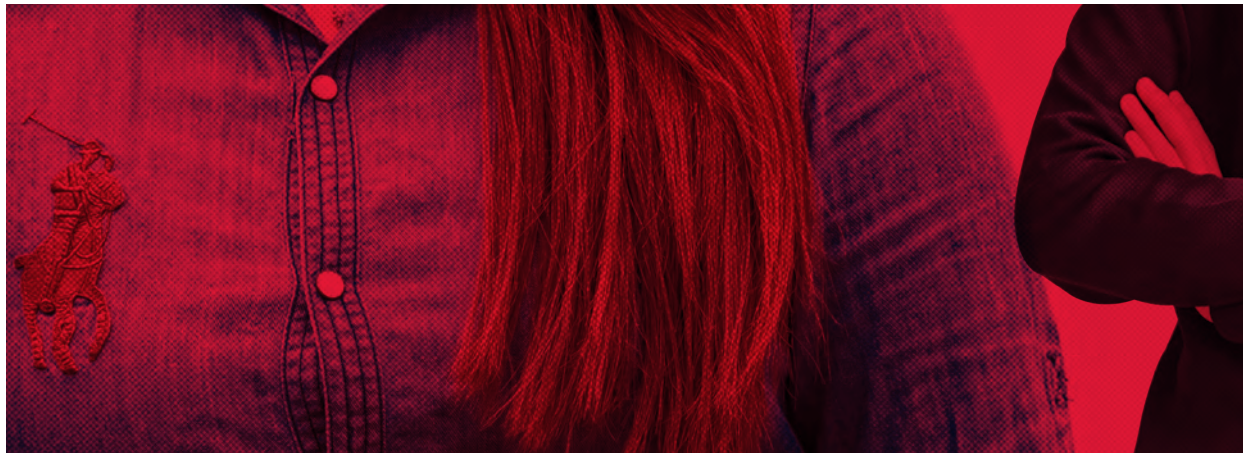

Student visas are not required while students are studying offshore but can be lodged at any time at the discretion of education agents and students/parents.

Re-opening of Borders

Students will be expected to apply for their student visas and travel to Perth to continue their studies at Canning College once visas have been granted. They will then join students who are already participating in face-to-face classes at the College. If restrictions prevent students from entering Australia for the remainder of 2021, they will be required to complete the online component of the program in their home country.

"THE FACT THAT THE STAFF (TEACHERS, ADVISORS, LIBRARIANS, OFFICE STAFF AND JUST EVERYONE) CARE ABOUT US AND WANT OUR OPINION IS REALLY MEANINGFUL."

SECONDARY LEVEL PROGRAMS YOUR PATHWAY TO LEADING UNIVERSITIES

YEAR 10 SECONDARY STUDIES

CRICOS Course Code: 097570G

The Year 10 curriculum provides a pathway into senior school. The curriculum focuses on literacy and numeracy and is designed to integrate the four major learning areas of Science, Technology, Engineering and Mathematics (STEM). The Year 10 program promotes creative, independent and critical thinking.

English (English as an Additional Language or Dialect)
Mathematics
Science
Computing
Business Studies
Students will also engage in health and wellbeing activities

Entry Points

Students can start the Year 10 program in January and April each year.

Subjects are delivered in modules that are completed in a single term. As modules are delivered independently, students can also start this program in Term 3 and Term 4 under certain circumstances.

Term 1	Term 2	Term 3	Term 4
February Entry	April Entry		
Module 1	Module 2	Module 3	Module 4

SENIOR SECONDARY CERTIFICATE PROGRAM - YEARS 11 AND 12

CRICOS Course Code: 097571G

Western Australian Certificate of Education (WACE)

YEAR 11

The successful completion of the WA Certificate of Education Year 11 program guarantees student entry into the WA Universities' Foundation Program, WA Certificate of Education Year 12 or Certificate IV in University Access Program.

The Year 11 program is structured around the compulsory subject Year 11 English as an Additional Language or Dialect (EAL/D). This subject is studied for nine hours each week for the duration of the program. Students must also study a Mathematics subject.

All students will develop their library and independent learning skills as part of Year 11 EAL/D. This is an important part of the program, giving an excellent introduction to research skills including internet, online databases and referencing.

YEAR 11 SUBJECTS

Students will study the compulsory subjects:

- Year 11 English as an Additional Language or Dialect (9 hours per week)
- Mathematics Applications or Mathematics Methods (4.5 hours per week)

Students also select at least three subjects from the following Year 11 electives:

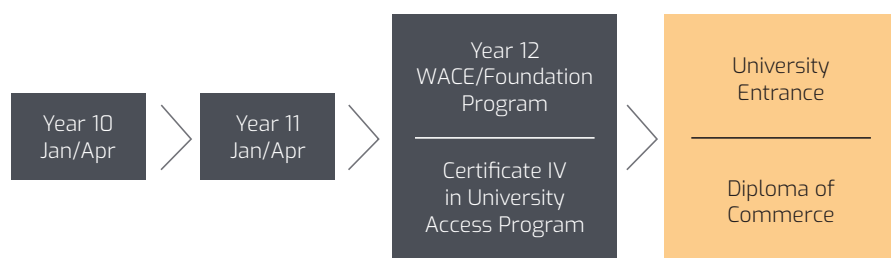

Electives

(Student choose 3 or 4)

- Accounting and Finance
- Business Management & Enterprise
- Chemistry
- Computer Science
- Economics
- Human Biology
- Mathematics Specialist
- Physics
- Psychology

All subjects are internally assessed. Students will receive a Statement of Progress after eight weeks and College reports at the end of each semester, which will indicate their progress and level of achievement.

Detailed information about the Western Australian Certificate of Education (WACE) is available on the [School Curriculum and Standards Authority](#) website.

Testimonial

"At Canning College, I was provided with a vast range of resources to assist in my study. What I like most is that the school staff and teachers are very friendly, experienced and enthusiastic. The school has excellent facilities, with well-equipped and comfortable classrooms and a learning centre which provides extra help from teachers outside of the normal class time. I feel very lucky to have been a Canning College student."

DUONG Minh Nhat (Henry), WACE Year 12, 2017
2018: RMIT, Vietnam, Software Engineering

Universities:

The University of Western Australia, Curtin University, Murdoch University, Edith Cowan University, University of Notre Dame Australia and other Australian universities. Australia, plus other Australian and overseas universities.

Year 10

Year 11

Western Australian Universities' Foundation Program (WAUFP)
Western Australian Certificate of Education (WACE)

52835WA Certificate IV in University Access Program (UAP)

The highest achieving student in Year 11 is eligible for a \$3,000 scholarship, which is offset against their further studies at Canning College

WESTERN AUSTRALIAN CERTIFICATE OF EDUCATION (WACE) - YEAR 12

Although most international students find the WA Universities' Foundation Program to be the ideal pathway to university, for a variety of reasons, some choose to enrol in the Year 12 Western Australian Certificate of Education (WACE) program instead.

University entry is based on a student's Australian Tertiary Admission Rank (ATAR) which is a percentile ranking based on achievement in the WACE ATAR program.

The WACE is the program by which domestic Western Australian students qualify for entrance to tertiary institutions. It is similar to the WAUFP, but does not specifically address the needs of international students.

English as an Additional Language / Dialect (EAL/D) is normally available only to students whose first language is not English and who have not been resident in an English

speaking country for more than 7 years. Students must select at least one subject from List A & List B including English or EALD plus 4 or 5 other subjects.

ATAR IS AN INTERNATIONALLY RECOGNISED UNIVERSITY ENTRY QUALIFICATION.

List A (Arts/Languages/Social Sciences)	List B (Mathematics/Science/Technology)
Business Management & Enterprise Economics English as an additional Language/ Dialect (EAL/D)*	Accounting & Finance Chemistry Computer Science Human Biology Mathematics Applications Mathematics Methods Mathematics Specialist Physics Psychology

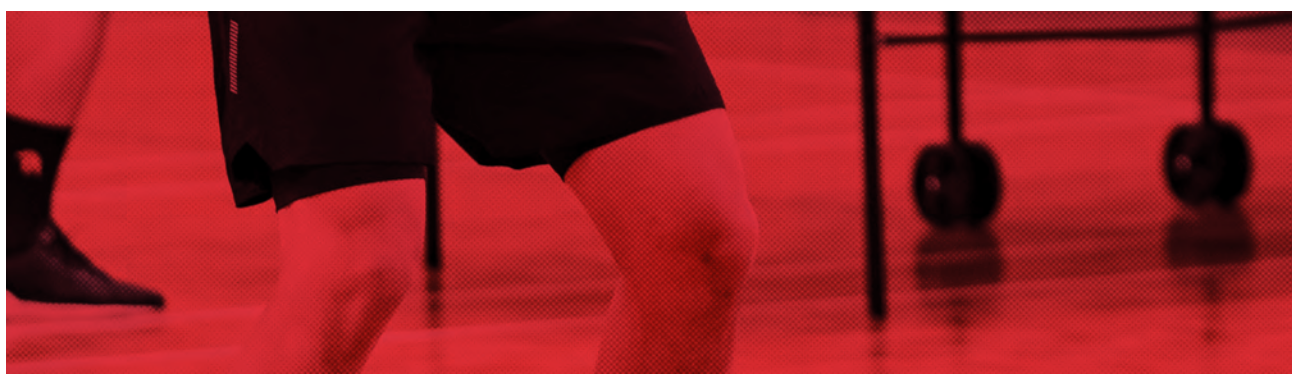

On the satisfactory completion of Year 11 and Year 12, students are awarded a Western Australian Certificate of Education.

Successful completion requires meeting **OLNA standards**.

Entry into Western Australian, Australian and overseas universities will depend on the ATAR achieved. Information about ATAR in Western Australia is available on the **TISC website**.

Further information is also available on the **School Curriculum and Standards Authority**

BRIDGING PROGRAMS

BRIDGING PROGRAMS

CRICOS Course Code: 093064C

For students requiring academic and/or English language upgrading prior to entering an academic program, Canning College offers a range of Bridging Programs. This is an important component focusing on developing students' listening, speaking, reading and writing. Students select English and 4 other subjects. The content ranges from Year 10 to Year 11 levels and the emphasis is on preparing students for higher level programs.

Subjects selected vary according to the program and the student's individual needs.

Bridging programs range in length from one term to four terms (10 to 40 teaching weeks).

LINKING TO UNIVERSITY

Since the introduction of **Simplified Student Visa Framework (SSVF)** in July 2016, Canning has developed special packaged pathways with The University of Western Australia, Curtin University, Murdoch University and the University of Notre Dame Australia.

Canning pathways can be designed for the personal requirements of individual students and may include some or all of the following components: English Language Intensive Course for Overseas Students (ELICOS), Bridging, WAUFP, Certificate IV, Diploma of Commerce and a linked university undergraduate course.

The advantages of packaged pathways for students include:

1. Certainty of placement after completing a pre-university course.
2. Single visa for the entire study period.
3. Quicker and easier student visa application processes.

Full details of packaged pathway arrangements are available upon application. Universities may apply special conditions for SSVF packages. Students should be aware of university withdrawal/transfer/release policies.

English language schools include:

- Perth International College of English (PICE)
- Curtin English (CE)
- Centre for English Language Teaching (CELT) at the University of Western Australia
- Phoenix Academy

SSVF PACKAGING

Canning College Program	Foundation	Certificate IV	Diploma
The University of Western Australia	Yes		Yes
Curtin University	Yes	Yes	Yes
Murdoch University	Yes	Yes	Yes
University of Notre Dame	Yes		Yes

Additional information about SSVF arrangements is available on the [Department of Home Affairs](https://www.homeaffairs.gov.au) website.

It is important to note that only students studying Bridging Programs, WAUFP, Certificate IV in UAP or the Diploma of Commerce program are eligible to apply for SSVF packaging. Students studying school level courses (Year 10, 11 and 12 WACE) cannot apply to package with any higher education level program.

FOUNDATION PROGRAM YOUR PATHWAY TO LEADING UNIVERSITIES

WESTERN AUSTRALIAN UNIVERSITIES' FOUNDATION PROGRAM (WAUFP)

CRICOS Course Code: 076495K

Designed in 1992, for the specific needs of international students, the WAUFP is a proven university entry program. Canning College is the largest and most successful provider of the WAUFP, assisting students from more than 20 countries to enter leading universities.

The program is provided on behalf of the Western Australian public universities – The University of Western Australia, Curtin University, Murdoch University and Edith Cowan University and is managed by the Tertiary Institutions Service Centre (TISC).

Students successfully completing the WAUFP can access a range of undergraduate programs at institutions in Perth, namely Curtin University, the University of Western Australia, Murdoch University, Edith Cowan University and the University of Notre Dame Australia, as well as highly regarded programs at other Australian universities and some overseas institutions.

Canning College is registered by the Western Australian Department of Education to provide senior secondary programs and the WAUFP.

The many features of the WAUFP include:

- Guaranteed entry into a Western Australian university on successful completion of WAUFP and meeting university entry requirements. Exceptions to this guarantee apply to courses with special entry requirements and quota, for example, medicine or law
- Acceptance by government and private universities throughout Australia and overseas
- Choice of universities and undergraduate courses
- Reputation for academic quality
- Flexibility of entry – January, April and Mid-Year (late July) start dates.

Recent Achievement

In 2020, 91% of students studying the WAUFP with Canning College achieved the literacy standard required for university entry. More than 80% of students also achieved the required overall score for university entry.

Subjects

All students are required to take the subject English Language and Australian Cultural Studies (ELACS). In order to gain a Combined Percentage Score (CPS) for university entrance, students must select at least 3 other elective subjects.

Compulsory subject (9 hours/week)

English Language & Australian Cultural Studies (ELACS)

Elective subjects (4.5 hours/week)

Accounting & Finance
Business Management & Enterprise
Chemistry
Computer Science
Economics
Human Biology
Mathematics Applications
Mathematics Methods
Mathematics Specialist
Physics
Psychology

Students who join the April entry WAUFP are taught for an additional hour per week per subject (excluding ELACS).

Further information regarding the WAUFP is available on the **Tertiary Institutions Service Centre (TISC)** website.

Special Conditions

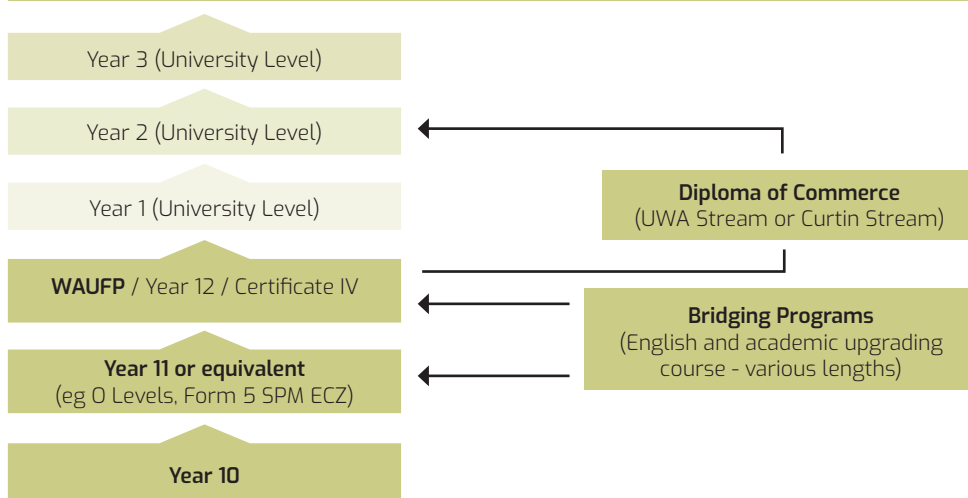

1. Students wishing to do Mathematics Specialist must also choose Mathematics Methods.
2. Students must achieve 50% in English Language and Australian Cultural Studies to fulfil one of the university entry requirements. Note: some courses at university require a score of 60% or higher in ELACS.
3. Before selecting subjects students need to be aware of the prerequisite or preferred subjects for their chosen university program.
4. The final assessment for each subject will be out of 100. 50% of the marks will be obtained from College assessments conducted throughout the course and 50% is from the external WAUFP Examination set by the Tertiary Institutions Service Centre (TISC).
5. Upon enrolment, each student receives a detailed booklet containing a description of content and assessment structure for each subject, and advice from a Student Advisor.

HAVING ONE-ON-ONE LITERACY SUPPORT SESSIONS WERE VERY HELPFUL. I FEEL LIKE I HAVE IMPROVED ON MY WRITING SKILLS AND THIS HELPED GREATLY WHEN I HAVE TO WRITE LAB REPORTS AND IN OTHER WRITING ASSIGNMENTS."

- Student Survey 2020

Universities

The University of Western Australia, Curtin University, Murdoch University, Edith Cowan University, University of Notre Dame Australia plus other Australian and overseas universities.

The guaranteed entry into a university course depends on the student meeting the particular requirements:

1. A pass in ELACS (50% or higher)
2. Achieve the required Combined Percentage Score (CPS) set by the university.
3. Complete pre-requisite courses set by the university.

FOUNDATION PROGRAM YOUR PATHWAY TO LEADING UNIVERSITIES

Assessments

School assessments account for 50% of the final score. The final school mark/grade for each unit is based on continuous and cumulative assessments. Assessment activities approved by the Tertiary Institutions Service Centre (TISC) include tests, internal examinations, laboratory reports, essays, assignments, projects and oral presentations. The other 50% is from external exams set by TISC. Final results are issued by TISC and university offers of place are issued by mid-December each year.

Each student receives progress reports, statement of final College results and a WAUFP results statement. Keeping track of academic progress is made easy as students can access marks online.

The calculation of the Combined Percentage Score (CPS)

The CPS can be calculated in two ways:

- The average of the best three scaled scores (excluding ELACS) OR
- The average of the best four scaled scores (including ELACS)

TISC will use the calculation which provides the highest result for each student.

Intakes

January Entry WAUFP – the standard program where students receive 9 hours per week of tuition in ELACS and 4.5 hours per week in other subjects. This program is suitable for all students who meet minimum entry requirements.

April Entry WAUFP – is an accelerated course. Students do extra hours each week, have fewer vacation weeks and sit the final examinations with January Entry students in November.

Mid-Year Entry WAUFP – is a standard Foundation program linked to mid-year entry at university. The program is a full academic year. Classes commence in July/August and students sit the final examinations in May of the following year.

Canning College WAUFP student placements

In 2020, WAUFP students gained entry into a number of universities and degree programs, including those described in the table below

University	Courses
The University of Western Australia*	Arts, Commerce, Science - various areas including Biomedical, Human Biology and Anatomy, Engineering
Curtin University	Design, Science (Architecture), Commerce, Computing, Engineering, Occupational Therapy, Pharmacy, Physiotherapy, Psychology, Science, Speech Pathology, Medical Radiation, Human Biology Preclinical, Actuarial Science, Arts/Humanities, Early Childhood Education, Health Science.
Murdoch University	Science, Biomedical Science, Animal Science
Edith Cowan University	Bachelor of Aviation, Bachelor of Education
Eastern States	
University of Melbourne*	Arts, Commerce, Sciences - various areas
University of Tasmania	Bachelor of Medicine & Surgery
Monash University*	Physiotherapy, Law, Design, Computer Science
Flinders	Bachelor of Medical Science
Charles Darwin University	Bachelor of Nursing
Overseas	
International Medical University, Malaysia	Dentistry
Royal College of Surgeons, Ireland	Medicine

*Group of Eight University

Comparing WAUFP results with an ATAR

The following table gives an indication of the Combined Percentage Score (CPS) required to approximate a particular Australian Tertiary Admission Rank (ATAR).

Current for 2021 - Minor variations may occur from year to year.

The required CPS does not necessarily indicate the level of difficulty of the university program but instead reflects the relationship between demand and supply of university places.

CERTIFICATE IV IN UAP YOUR PATHWAY TO LEADING UNIVERSITIES

52835WA CERTIFICATE IV IN UNIVERSITY ACCESS PROGRAM (UAP)

CRICOS Course Code: 0101825

Recognition

The Certificate IV in University Access Program is a one semester pre-diploma program and an accelerated university entry program. It provides ideal preparation for further studies at diploma or first year university level. It is the equivalent of Year 12 and is a Level Four Course on the Australian Qualifications Framework.

Australian Qualifications Framework

www.aqf.edu.au/

Successful completion will provide a pathway to the Diploma of Commerce at Canning College. The qualification also gives students the equivalent of a 70 ATAR (Australian Tertiary Admissions Rank) which can lead to entry into a selection of degrees at Curtin University and Murdoch University. Students who set exceptional standards in completing the Certificate IV in UAP can also gain entry into some degree programs at Murdoch University with an ATAR 80 entry requirement. The Certificate IV in UAP is offered as a commerce stream but could allow access to other degree courses subject to successful completion of entry requirements.

Credit for Recognition of Prior Learning

Canning College recognises prior learning by acknowledging competencies and outcomes achieved (skills, knowledge and attributes) as a result of formal training and education (both within Australia and overseas), work experience and/or life experience. Students who have successfully completed similar units of study at another institution may be given credit/an exemption for a module in the Certificate IV program.

Articulation

Successful completion of the Certificate IV program provides a guaranteed place in either stream of Canning's Diploma of Commerce.

Successful students can also apply for first year undergraduate entry to a range of degrees at Curtin University and Murdoch University. In addition to completing the Certificate IV, students will also need to meet each university's undergraduate English requirement. Successful completion of Academic Communication, Parts A and B, meets the English language entry requirements for most undergraduate

degrees at Curtin University and Murdoch University. Some degrees, such as Nursing require a separate IELTS score. Students wanting admission to The University of Western Australia must do so through completion of Canning's Diploma of Commerce UWA Stream.

Program Structure

The program is two 10-week terms and entry is available in January, April, July and October each year. There is usually a 2-week vacation period between each 10-week tuition period.

Upon joining the program every student will undertake a separate Study Skills program of one hour per week for 10 weeks and learning assistance is available in subject support classes.

52835WA CERTIFICATE IV IN UNIVERSITY ACCESS PROGRAM

CRICOS Course Code: 0101825

20 Weeks Tuition Period			
Term 1		Term 2	
10 Week Tuition Period Modules (Units)	Hours Per Week	10 Week Tuition Period Modules (Units)	Hours Per Week
Academic Communication Part A CT21A	4.5	Academic Communication Part B CT21B	4.5
Mathematics (Module A) CT12A	4.5	Mathematics (Module B) CT12B	4.5
Computer Science (Module A) CT22A	4.5	Accounting CT16	4.5
Legal Studies CT14	4.5	Economics CT17	4.5
Management CT15	4.5	Marketing CT18	4.5
Total teaching time per week	22.5	Total teaching time per week	22.5

Students study five units per term (see table above) in the Certificate IV in UAP. The program consists of two 10-week terms and students study five units each term. Each unit involves 4.5 hours of tuition per week, totalling 22.5 hours per week.

Testimonial

Pathways to a University Degree

"I walked into Canning College with nothing but dreams. My dreams were kept alive by the college's ability to mentor and guide students. Canning College embraced students of all races and provided me with many study skills and knowledge. Now I am confident that I will manage my university life."

Vanessa Choonga, Certificate IV 2020

Assessment

Each unit has a course outline and assessment structure. Every student is given this information on commencement. Final results are determined by performance in all assessment activities. Competency Based Assessment is the process of collecting evidence and making judgements as to whether a competency has been achieved.

Assessment in each unit is continuous and includes a semester examination. Most units will be assessed through a combination of written examinations and coursework. Coursework may include group-based assignments, research assignments, presentations, laboratory and practical work. Every student who successfully completes the course receives a Record of Results and successful students receive the Certificate IV in UAP award at the annual graduation ceremony. Students who achieve partial completion of the Certificate IV in UAP will be issued with a Statement of Attainment.

Scholarships

Canning College offers a number of academic awards based on the applicant's results from their home country

Scholarships currently valued at AUD\$3,000 each can be awarded to top students commencing the Certificate IV program. Award offers are made in conjunction with standard offers. For more information, contact Student Services.

High achievers in the Certificate IV in UAP may also be eligible for a scholarship, if progressing into a Diploma of Commerce program at Canning.

Book Hire Scheme

To reduce costs for students, Canning offers Certificate IV students a book hire scheme. Rather than purchase texts, students pay a deposit of AUD\$300 and receive a refund of AUD\$175 on course completion. Details are in the annual booklist.

AUSTRALIA**

Bachelor of Commerce 2nd Year

DIPLOMA OF COMMERCE

YOUR PATHWAY TO LEADING UNIVERSITIES

THE DIPLOMA OF COMMERCE UWA STREAM AND DIPLOMA OF COMMERCE CURTIN STREAM ARE EQUIVALENT TO FIRST YEAR BACHELOR OF COMMERCE AT THE UNIVERSITY OF WESTERN AUSTRALIA, CURTIN UNIVERSITY, MURDOCH UNIVERSITY AND THE UNIVERSITY OF NOTRE DAME AUSTRALIA. ON SUCCESSFUL COMPLETION OF THE DIPLOMA, STUDENTS WILL ARTICULATE INTO YEAR 2 OF THE BACHELOR DEGREE.

Accreditation

Canning College is a Registered Training Organisation (RTO) with the Training Accreditation Council in Western Australia. The Diploma of Commerce UWA Stream and Diploma of Commerce Curtin Stream are accredited courses through the Australian Skills Quality Authority (ASQA). The two diplomas are Level 5 qualifications within the Australian Qualifications Framework (AQF) www.aqf.edu.au

Articulation

The University of Western Australia, Curtin University, Murdoch University and the University of Notre Dame Australia guarantee entry into the second year of relevant bachelor courses for international students upon the successful completion of the Diploma of Commerce, which satisfies the university's requirements.

Canning College Entry Scholarships

Each year \$5,000 scholarships are offered by Canning College for students enrolling into the Diploma course. Awards are based on academic merit as demonstrated by the applicants' performance in entry programs studied overseas or within Australia.

Two Streams

Students are offered the choice of two courses in the Diploma Program:

- **The Diploma of Commerce UWA Stream: 52751WA**
CRICOS Course Code: 0101827
- **The Diploma of Commerce Curtin Stream: 52750WA**
CRICOS Course Code: 0101826

The Diploma courses are equivalent to first year university in terms of their course content and academic structure. Units are

studied over two semesters, with annual intakes in February and July. Successful completion of the Diploma guarantees international students entry into the second year of Bachelor of Commerce at The University of Western Australia, Curtin University, Murdoch University and the University of Notre Dame Australia. Completion of the Diploma may also lead to second year at other universities, subject to a university's individual assessment.

Credit for Recognition of Prior Learning

Canning College recognises prior learning by acknowledging competencies and outcomes achieved (skills, knowledge and attributes) held as a result of formal training and education (both within Australia and overseas), work experience and/or life experience. Students who have successfully completed similar units of study at another institution may be given credit/an exemption for a module in the Diploma of Commerce.

Small Class Sizes

There are real advantages in being part of a small and select program. The small class sizes ensure that students receive attention from the highly skilled lecturers, who get to know the students better. Being part of a small group allows students to feel comfortable asking questions and to be confident with their peers.

Additional Support

A mentoring program commences during orientation and extends into first semester. Staff are always available on an informal basis to help with learning strategies such as organising a study timetable, research skills and examination techniques.

Semester Organisation

The Diploma of Commerce is offered over two semesters. This closely follows university academic calendars. The study program includes at least one week free from class in mid-semester and a study week just prior to final exams. These breaks allow students to be fully prepared for assignments, tests and examinations. College staff consider the two-semester structure to be the most educationally sound way of delivering course material to ensure maximum success.

Lectures

Lectures provide students with the structure and content of a unit. Students are expected to make their own notes summarising the key points covered in the lectures and read in greater depth.

Tutorials and Seminars

Tutorials and seminars usually involve a small group of students and a member of the teaching staff. They provide an opportunity for further consideration of topics and questions regarding any complicated issues that have been covered in lectures. The major feature of tutorials and seminars is that students are encouraged to participate actively and positively during discussions through individual and/or group presentations. These active learning activities help prepare students for university-style learning and workplace tasks.

Laboratory Work

Computer based laboratory work forms another essential part of teaching learning strategies and is employed widely in Business Information Systems and Business Statistics. It gives students the opportunity to apply their knowledge and develop practical skills - useful for higher level learning and work place tasks.

Private Study

Students are expected to do private study on a regular basis to support their lectures and seminars. All resources are provided and easily accessible at Canning College. Students studying online can access resources on the Connect Learning Management System and Canning College's online library. The library caters for university level students. Private study contributes to the development of time management skills and the ability to work unsupervised - both highly valued in a work place.

ASSESSMENTS

- Competency Based Assessment is the process of collecting evidence and making judgements as to whether competency has been achieved.
- Continuous Assessment is a feature of the program which means that student work is being assessed on an ongoing basis.
- The assessment system and final results are managed by a Board of Examiners.
- Performance is carefully monitored during the course and regular feedback is given during the weekly individual consultations with the course tutors.

DIPLOMA OF COMMERCE YOUR PATHWAY TO LEADING UNIVERSITIES

UWA Business School

Choosing to study business at The University of Western Australia is the first step towards a successful career.

As one of the premier business schools in the Asia-Pacific region, the UWA Business School works closely with leading companies and individuals. The UWA Business School's partners support our students as they achieve at the highest level through providing guest lecturers, case studies, mentoring, and a suite of scholarships and prizes. Further, our connections with industry allow you to engage with potential employers and ensure our teaching is always informed by practical, industry-relevant expertise.

A Global Degree

A degree from the UWA Business School is your passport to the world.

UWA is a world top 100 university, and is the only university in Western Australia ranked inside the top 100, according to QS World University Rankings 2021. We are accredited through leading business school accreditations in Europe and North America – both the European Quality Improvement

System (EQUIS) and Association to Advance Collegiate Schools of Business (AACSB). Consequently, UWA graduates are highly sought after, with employers around the world recognising the quality of a UWA degree in business.

UWA is the only Western Australian university in the prestigious Group of Eight, a coalition of world-leading research intensive Australian universities, and is a founding member of the Matariki Network of Universities.

Bachelor of Commerce

UWA's Bachelor of Commerce allows you to choose either one or two majors, as well as studying electives from across the university's range of arts, science, design and commerce units. As a UWA student, you can elect to join student societies, or take part in competitions, networking events, internships and volunteering programs. These opportunities ensure you will gain cutting-edge knowledge and broad skills, increasing your employability.

To learn more visit:
business.uwa.edu.au

UWA Scholarship

Each semester the UWA Business School awards a valuable and prestigious half-fee scholarship to a Canning College Diploma student based on academic merit.

The scholarship covers 50% of the tuition fees for Year 2 and 3 of the UWA Bachelor of Commerce and Honours year (if the student is eligible), and is awarded at the discretion of the university.

UWA Business School also offers subject awards for students scoring top marks in UWA entry units studied at Canning College.

Testimonial

"I chose Canning College as my destination of tertiary study because it has a great pathway to the University of Western Australia. Canning College is a great college because it has great study environment. It consists of friendly teachers and students from around the world. Our lecturers care about all their students and are always approachable."

Win Nie Lau (Malaysia), Diploma of Commerce

Curtin is a vibrant and collaborative place where ideas, skills and cultures come together. With campuses in Australia, Malaysia, Mauritius, Singapore and Dubai, as well as a network of university partners around the world, Curtin is an international university with a rapidly expanding global footprint.

Curtin Business School (CBS)

As one of Australia's top business schools, Curtin Business School (CBS) offers a wide range of quality courses with opportunities to connect with industry and gain international exposure. There are flexible study options to suit your interests and career goals, and you'll have access to high-tech learning facilities and highly accomplished academic mentors. As a CBS student, you'll receive a globally relevant education that encourages intercultural awareness.

Industry Partnerships

To ensure our teaching and research remains applied and highly relevant, we have partnered with an extensive network of highly qualified business professionals. These professionals contribute to the development of courses, student learning and research output via the Curtin Business School Advisory Board and Council Network.

An Elite Global Business School

Curtin Business School is the only Western Australian business school to receive 'triple accreditation' from the world's leading business school accreditation systems. We hold accreditation from AACSB International, a five-year accreditation beginning in 2021 from EQUIS, and accreditation on our postgraduate Master of Business Administration from EFMD. These accreditations mean you can be assured that your business education at Curtin will be internationally competitive and recognised around the globe.

A Commerce Degree Designed For You

The Bachelor of Commerce at CBS is designed to help you reach your career potential and prepare you for the changing job market. With a variety of ways to customise your degree, you'll tailor your studies based on your interests and graduate ready to thrive in the business world. In your first year, you'll study our business core which is designed to ensure you graduate career ready. During these foundational units, you will explore value creation in business, learn to use financial information to make informed and responsible decisions, and develop your business intelligence and analytical

capabilities to interpret data in a meaningful way. You'll then tailor your studies to suit your career aspirations by selecting from a wide range of majors and specialisations. In your final year, you'll enhance your employability by undertaking your Capstone Experience which will give you an opportunity to gain practical skills or expand your international knowledge.

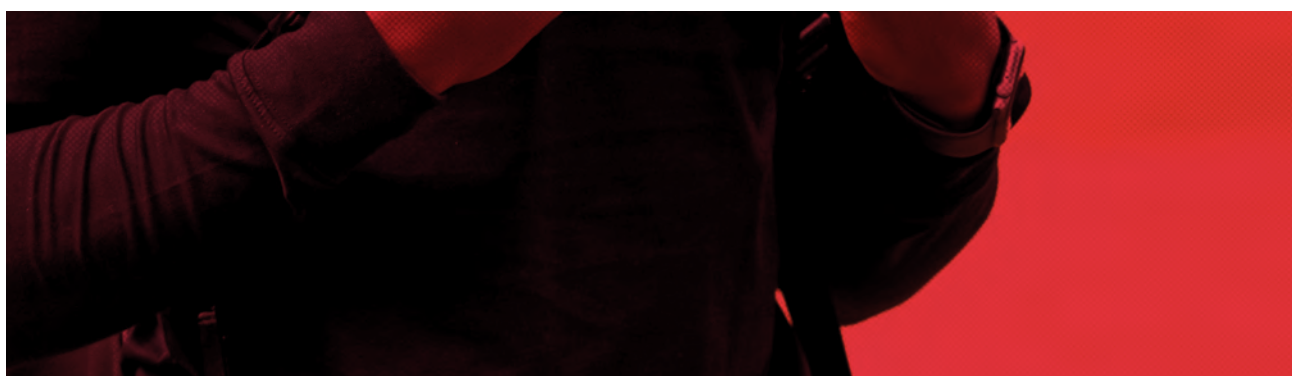

To learn more about Curtin Business School, visit business.curtin.edu.au

Curtin Scholarship

Each semester the Curtin Business School awards a valuable and prestigious half-fee scholarship to a Canning College Diploma student based on academic merit. The scholarship covers 50% of the tuition fees for Year 2 and 3 of the Curtin Bachelor of Commerce degree and is awarded at the discretion of the university.

SCHOLARSHIPS

EACH YEAR THE DEPARTMENT OF EDUCATION, THROUGH CANNING COLLEGE, PROVIDES A RANGE OF PRESTIGIOUS SCHOLARSHIPS. STUDENTS ARE ASSESSED ON THE BASIS OF ACADEMIC MERIT AS DEMONSTRATED BY RECOGNISED OVERSEAS QUALIFICATIONS.

Canning College recognises and rewards meritorious students entering our quality university pathway programs. All scholarships are based on academic merit. Scholarship forms should be submitted at the time of application.

Program	Award
WA Universities' Foundation Program / WACE Year 12	\$10,000, \$7,000, \$5,000 or \$3,000
Diploma of Commerce - Curtin Stream - UWA Stream	\$5,000
Certificate IV in University Access Program	\$3,000
WACE Year 11 and Year 10	\$3,000

BURSARIES

Family Bursary awarded in recognition of a family tradition in sending students to Canning College. Percentage fee reduction depends on number of family members who have studied at Canning.

Continuity Bursary awarded to WAUFP or WACE Year 12 students who, on completion, enrol in a Canning College Certificate IV in University Access Program or Diploma of Commerce course.

August Entry WAUFP	\$23,578	\$23,578
Year 10, 11 & Bridging Programs	2021	2022
40-week Bridging/Year 11/Year 10	\$23,578	\$23,578
April Entry Year 11/Year 10	\$18,268	\$18,268
18-week Bridging/July entry Year 10	\$12,536	\$12,536
10-week Bridging	\$7,359	\$7,359

Other Costs

Visa Fee*	AUD\$620 subject to change by government. More information is available on the Department of Home Affairs website.
Medical Insurance*	Charges vary according to program/visa duration. For example, 12 months' single cover, AUD\$596. More information is available from the Bupa website.
Living Costs*	Estimated AUD\$450-\$500 per week. Covers accommodation, food, transport and some entertainment.

The Tuition Protection Service (TPS) is an Australian Government initiative to assist international students whose education providers are unable to fully deliver their course of study.

The TPS ensures that international students are able to either:

1. Complete their studies in another course or with another provider; or
2. Receive a refund of their unspent tuition fees.

To see the latest information relating to the Tuition Protection Service (TPS), refer to: <https://tps.gov.au/Home>

APPLICATION & ENROLMENT

COLLEGE ENTRY REQUIREMENTS

Minimum English Language Requirements

Course	Diploma	Certificate IV	WAUFP/WACE	Year 11	Year 10
WACE EAL/D, WAUFP ELACS	50%	45%	-	-	-
WACE EAL/D	50%	45%	-	-	-
GCE 'O' Level English, SPM English	C5 C5	C6 C6	C6 C6	- D7	- -

APPLICATION & ENROLMENT

VISA CONDITIONS

Canning College programs and student visa sub-classes

Canning College Program	Student Visa Sub-class
Diploma of Commerce	500 (V)
Certificate IV	500 (V)
WA Universities' Foundation Program	500 (N)
Bridging	500 (N)
WACE Year 12 / Year 11 / Year 10	500 (S)

All enrolments at Canning College comply with Department of Home Affairs regulations. Further information regarding student visas is available from the **Department of Home Affairs** website.

When students study more than one course at Canning College, the visa sub-class is determined by the final course eg Bridging + WAUFP is visa sub-class 500N (Non-Award) because WAUFP is a non-award program. When a Canning program is linked with a university course in a Simplified Student Visa Framework arrangement, the visa sub-class is 500H (Higher Education).

General

1. Visas are usually issued for the period of the course (s). Students must leave Australia or apply for a new visa before the expiration of the current visa.
2. Canning College is required to report, to the Department of Home Affairs any student in breach of visa requirements such as unsatisfactory attendance or academic progress.
3. Mandatory Conditions – apply to all student visas:

Condition number	Who this applies to	Description
8105	All students	You cannot work more than 40 hours per fortnight when your course is in session (other than work which has been registered as a part of the course). A fortnight means any period of 14 days commencing on a Monday and ending at the end of the second following Sunday. You can work for more than 40 hours per fortnight during recognised vacation periods offered by your education provider. You cannot start paid work until you have started your course in Australia. No work limits apply if you are studying a Masters by research or Doctorate course in Australia.
8202	All students	You must remain enrolled in a registered course (unless you are a Foreign Affairs or Defence sponsored student or secondary exchange student in which case you must maintain full-time enrolment in your course of study or training). A registered course is one that is on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) . You must maintain enrolment in a registered course that is the same level as, or at a higher level than, the registered course for which you were granted a visa. You must maintain satisfactory attendance in your course and course progress for each study period as required by your education provider. For further details visit: immi.homeaffairs.gov.au/change-in-situation/study-situation
8501	All students	You must maintain adequate arrangements for health insurance during your stay in Australia. Note: Under policy, you must maintain Overseas Student Health Cover (OSHC).
8516	All students	You must continue to satisfy the requirements for grant of your student visa. This means, for example, that you continue to have sufficient financial capacity to support your study and stay in Australia.
8517	All students	You must maintain adequate schooling arrangements for your school-age dependents who joined you in Australia for more than 3 months as part of your student visa application.
8532	All students	If you are younger than 18 years of age, you must have accommodation and support, and your general welfare must be maintained for the duration of your stay in Australia. To maintain your welfare, you must stay in Australia with: · your parent or legal custodian or · a relative who has been nominated by your parents or custodians who is aged over 21 and is of good character or · have accommodation, support and general welfare arrangements in place that have been approved by your education provider. You must not change your arrangements without the written approval of your education provider. If your welfare arrangements are approved by your education provider you must not travel to Australia until your welfare arrangements start.

The table below describes the conditions that might be attached to a student visa.
You can find your visa conditions in [Visa Entitlement Verification Online \(VEVO\)](#).

Condition number	Who this applies to	Description
8533	All students	You must tell your education provider: <ul style="list-style-type: none"> • the address where you live in Australia within seven days of arriving in Australia • if you change the address where you live within seven days of the change • if you change education provider within seven days of receiving the electronic confirmation of enrolment certificate or evidence of enrolment.
8535	DFAT/ Defence sponsored student	While you remain in Australia, you are not entitled to be granted a further substantive visa, other than: <ul style="list-style-type: none"> • a protection visa • a Student visa (subclass 500) granted on the basis of support from the Commonwealth government or a foreign government. Note: The effect of this visa condition is that, except in extremely limited circumstances, it will not be possible for you to remain in Australia beyond the date authorised by your visa.

Condition Number	Who this might apply to	Description
8303	Any student	You must not be involved in activities that are disruptive to, or in violence threaten harm to, the Australian community or a group within the Australian community
8534	Any student	While you remain in Australia, you are not entitled to be granted a further substantive visa, other than: <ul style="list-style-type: none"> • a protection visa • a Temporary Graduate visa (subclass 485) • a Student Guardian visa (subclass 590).
8535	Students sponsored by the Commonwealth or a foreign government	while you remain in Australia, you are not entitled to be granted a further substantive visa, other than: <ul style="list-style-type: none"> • a protection visa • a Student visa (subclass 500) granted on the basis of support from the Commonwealth government or a foreign government Note: The effect of this visa condition is that, except in extremely limited circumstances, it will not be possible for you to remain in Australia beyond the date authorised by your visa.

Special note regarding Student Guardian Visa (590) Holders - relates to Condition 8532.

Guardians are required to remain with the student for the relevant study period. Students cannot be left unsupervised by the visa holder unless appropriate care arrangements, approved by the College, are put in place.

Further details regarding student guardians is available on the [Department of Home Affairs](#) website.

In applying for a student visa, applicants must show they are coming to Australia temporarily to gain a quality education. Students must meet Genuine Temporary Entrant (GTE) requirements.

Further details regarding GTE requirements are available on the [Department of Home Affairs](#) website.

APPLICATION & ENROLMENT

GENERAL INFORMATION

Deferment

Any student wishing to defer enrolment to a later semester must apply to Canning College in writing. Circumstances where deferment will be considered include education matters, medical issues, personal and family matters. If the deferment is approved, Canning will hold and transfer all fees to the new semester without any penalty. Deferment can be for a maximum of two semesters. If the student subsequently withdraws from the course, the Refund Policy will be applied from the date Canning College was advised of the withdrawal.

The Department of Home Affairs will be informed accordingly.

Leave of Absence

Any student wanting to take a leave of absence must apply in writing to Canning College. If leave is approved, there is no financial penalty, to a maximum of two weeks. After two weeks, deferment arrangements will apply. If a student applying for special leave is under 18 years of age, then, the application must be supported, in writing, by the student's parent(s) or legal guardian. If an under 18 aged student wishes to travel outside of Perth, approval must be sought from the College and arrangements supported by the parent (s) or legal guardian. Department of Home Affairs will be informed accordingly.

Urgent Medical Treatment

In circumstances where the student requires urgent medical attention and it is not possible to contact a parent/custodian/local carer, Canning College is authorised to arrange appropriate medical care.

Regulatory Framework

As a government international school, Canning College operates within a diverse regulatory framework, including the Schools' Education Act 1999 and the Education Services for Overseas Students (ESOS) Act 2000 and associated National Code. Information regarding the **ESOS Act and National Code** is available on the **Department of Education, Skills and Employment** website.

Transfer Policy

In accordance with government regulations, including the **National Code Standard 7** (Overseas student transfers), Canning College expects students to complete the program in which they are enrolled. This includes the completion of Simplified Student Visa Framework (SSVF) arrangements.

However, the College recognises that there may be educational or exceptional personal circumstances which require students to change provider. In such cases, applications to transfer and receive a letter of release will be considered on a case by case basis. Students are required to submit a copy of any offer from another provider and submit a written application for release.

Canning College will support students' education and personal interests, and a letter of release will be issued on such grounds. For students on SSVF packages, release will be required from the university (the principal provider) with which the package (and visa) is linked. Be sure to check the policy of the relevant university.

Canning College will not enrol any students who are in breach of regulatory requirements relating to transfer between registered providers.

Further information regarding **changing courses/providers** is available on the Australian Government website. Further information regarding **National Code Standard 7** (Overseas student transfers) is available on the **Department of Education, Skills and Employment** website.

Medical Insurance

Every international student is required to have medical insurance for the period of the student visa. This is a regulation imposed on every student by the Department of Home Affairs and is defined in **mandatory condition 8501**.

Medical insurance (Overseas Student Health Cover) is provided by Bupa and the current rate is AUD\$596 per 12-month period (subject to changes by Bupa). Prorated premiums apply to longer or shorter courses. Students with package visas must pay the premium which covers the entire visa/study period.

The OSHC helps pay for medical and hospital care that students may need whilst studying in Australia and will contribute towards the cost of most prescription medicines (up to applicable limits) as well as medically necessary ambulance transport. Further information regarding medical insurance is available on the Bupa website.

Suspension or Cancellation of Enrolment

Canning College has the right to suspend or cancel a student's enrolment or re-enrolment in response to any breaches of attendance, academic progress and / or behaviour requirements. Under the Education Services for Overseas Students (ESOS) Act 2000, Canning is required to report such instances to the Department of Home Affairs.

Any action is subject to internal and external (including Western Australian Ombudsman) appeal processes. Detailed information is issued in the acceptance documents. Canning College exclusion processes comply with WA Department of Education requirements.

Students who self-cancel enrolment/student visa should seek advice from Student Services and the Department of Home Affairs about other visa options.

Further information regarding **National Code Standard 9** (Deferring, suspending or cancelling the overseas student's enrolment) is available on the **Department of Education, Skills and Employment** website.

Attendance

Canning College encourages all students to maximise attendance as it is a key to academic success.

Students are expected to maintain a satisfactory level of attendance and comply with Australian government requirements (attend at least 80% of scheduled classes).

The attendance rate is calculated by dividing the number of classes attended by the total number of scheduled classes (including examinations), expressed as a percentage. Students encountering problems with attendance may be placed in a student management program.

ENROLMENT PROCEDURES

CANNING COLLEGE DOES NOT CHARGE AN APPLICATION FEE.

Students can appoint an Education Agent to represent them in applying for a place at Canning College. A list of Education Agents is available on the Canning College website.

Education Agents

In accordance with industry requirements as defined in the ESOS Act, Canning College works only with registered agents. Applications for enrolment can be made through registered agents who can advise on courses, facilities, dates, fees and other aspects of study at Canning. Agents can also assist with the student visa application process.

As a Western Australian government provider, Canning College oversees the registration and ongoing management of our education agents.

Notification of such an arrangement must be submitted to Canning, in writing. Once an agent has arranged a student's program at Canning and enrolment is complete, the student may not appoint another agent until the initial program is completed. In exceptional circumstances, a student may nominate a replacement agent. Such circumstances include: inappropriate service from an agent, an agent ceasing to offer services, the agent losing registration.

Further information regarding **National Code Standard 4** (Education Agents) is available on the **Department of Education, Skills and Employment** website.

Alternatively, students can apply directly to Canning College. Any student requiring assistance with the application process can contact Student Services.

Documents Required

All documents must be certified true copies and in English language.

- Fully completed Application Form
- Certified copies of relevant academic records and English test results.
- Proof of age e.g. birth certificate, passport, national identification card
- Relevant work experience records and resume – if applicable.

Payment of Fees

All fees are payable in Australian dollars. Fees may be paid to Canning College by:

1. Flywire (by peer transfer) – canningcollege.flywire.com
2. Bank cheque
3. Credit card (Visa and Master cards only)
Please ensure that a copy of the transfer receipt is sent by email to Student Services and the student's full name appears on the transfer receipt.
4. EFTPOS debit cards are accepted for payments made directly at Student Services. (Students are advised not to carry large quantities of cash to pay fees and be aware of daily debit limits).

Failure to pay the required fee by the specified date may incur a AUD\$200 penalty - late payment fee.

On receipt of the fees, and all acceptance documents, Canning will issue an official receipt, the electronic Confirmation of Enrolment (eCoE) and other documents as required for the finalising of the student visa process. Other documents required include: Letter of Offer, proof of Overseas Student Health Cover (OSHC), and care arrangements for under 18 aged students (if applicable). Students must comply with Genuine Temporary Entrant (GTE) requirements.

Canning College is unable to assist in the student visa process.

More information regarding the **Simplified Student Visa Framework** is available on the **Department of Home Affairs** website.

APPLICATION & ENROLMENT

REFUND SCHEDULE

Conditions for Applying for a Refund

The following refunds apply:

- a) Student is denied a visa by the Australian Government. No written agreement applies: refund of all course fees less an administration fee of up to AUD\$500.
- b) Student withdraws or transfers more than 10 weeks before the program commences. Refund of all course fees paid less an administration fee of up to 10% or AUD\$1000.00, whichever is the lesser.
- c) Student withdraws or has enrolment arrangements cancelled due to not meeting English language requirements after undertaking linked ELICOS studies, refund of all course fees paid less an administration fee of up to 10% or AUD\$1000.00, whichever is the lesser.
- d) Student loses Good Standing status due to failure to comply with attendance, behaviour or subject work requirements (including meeting assignment deadlines, sitting for scheduled tests and examinations); all course fees for the current semester are forfeited and standard refund policy conditions are applied to any subsequent semesters, from the date of termination.
- e) Where a student has paid a deposit for a package principal course at Canning and withdraws after completing the preliminary course and prior to commencement of the principal course, the deposit will be refunded less an administration fee of up to 10%. If the student withdraws after the commencement date, the deposit is forfeited.
- f) Student withdraws or transfers:

Program duration less than 10 weeks		Refund Due
Student with a visa withdraws	More than 4 weeks and up to 10 weeks before program starts.	70% of program fee.
Student with a visa withdraws	Less than 4 weeks before program commences.	No refund of program fee.
Program duration greater than 10 weeks		
Student with a visa withdraws	More than 4 weeks and up to 10 weeks before program commences.	70% of a semester's fee.
Student with a visa withdraws	4 weeks or less before program commences.	40% of a semester's fee less \$1,000 or 10% of course fee, whichever is the lesser, administration fee.
Student with a visa withdraws	After program commences and during first 4 weeks.	30% of a semester's fee less \$1,000 or 10% of course fee, whichever is the lesser, administration fee.
Student with a visa withdraws	After 4 weeks of program commencement.	No refund.

- g) This agreement (policy) does not remove the right of the student or College to take further action under Australia's consumer protection laws or general legal processes.
- h) Any refund will be issued within seven working days of the student submitting all clearance documents. Refunds will be made according to instructions from the person who confirmed/accepted the student's enrolment and arranged for payment of fees.
- i) Applications for refunds must be in writing and addressed to the Director, International Operations.
- j) If the nominated course is unable to be provided by the College, then, fees paid will be refunded in full or alternative comparable placements arranged.

APPLICATION & ENROLMENT

CONDITIONS OF APPLICATION/ENROLMENT

Students are required to read and understand the conditions of application and enrolment outlined below.

1: Tuition Fees

Tuition fees are reviewed annually. Fees for the subsequent year will be published in the latest Canning College Prospectus. Additional tuition fee payments can be made at any time.

Tuition fees must be paid prior to the start of each semester. Fees and Overseas Student Health Cover (OSHC) are to be paid at least one month prior to the commencement date of the course. All payments are to be made in Australian dollars and payable to Canning College. The Confirmation of Enrolment (CoE) will then be issued and visa procedures may be completed. You must ensure payments are made in accordance with the regulations to ensure you maintain a valid enrolment.

Where programs are less than 20 weeks in length, the entire fee must be paid prior to enrolment being confirmed.

Where programs are more than 20 weeks in length, fee payment is to be made in two instalments related to two study periods. The first study period is the first semester of the academic program. The second study period is the second semester of the academic program. 50% of fees due (see fees payable on Letter of Offer) must be paid prior to the commencement of the first study period. The remaining 50% of fees must be paid two weeks prior to the commencement of the second study period.

Late payment of fees – A\$200 penalty fee may apply to any fees required two weeks after the due payment date.

2: Orientation

As a new student you are required to attend the Canning College orientation session which will provide you with important information regarding your studies including timetable, assistance available to you and information about life in Western Australia.

Information about your orientation will be emailed to you approximately four weeks before you are required to commence. Orientation information can also be obtained by contacting the college on Canning.Col.Admissions@education.wa.edu.au.

3: Accommodation

The College will assist students in finding suitable accommodation for the enrolment period. This service provided by Canning College is included in the program fee. On campus accommodation is available at UniLodge Vickery House for students over the age of 18. Otherwise students under 18 are required to use the services of Australian Homestay Network (AHN) unless staying with approved family.

4: Care and wellbeing of students aged under 18

For the care and well-being of under 18 aged students, they are required to adhere to the College's policy and procedures. Additional information is available from Student Services. Any change in welfare or accommodation arrangements must have prior approval from Canning College and parent(s)/legal guardian. Canning College is authorised to provide parents with information regarding behaviour, attendance and academic progress.

5: Attendance of Excursion

The student may attend any excursion organised and approved by College staff as part of the orientation, teaching/learning or recreation programs. For students under 18 years of age, a permission form must be signed by the parent(s), guardian or carer.

6: Urgent medical care

In the event of circumstances requiring urgent medical care and it is not possible to contact the parent/guardian, the College is authorised to seek and provide appropriate medical treatment. Any important medical information is provided to the College.
