# PROGRAMS

## Academic Programs

A variety of academic courses are available for international students at all schools. Credits may be given for completed courses for students that intend to graduate in British Columbia by meeting all BC curriculum requirements.

### **RIE Single Semester Study – 5 months**

The single semester study program is open to visiting students who wish to experience the Canadian school system. The study program starts in September or January/February each year. Students will have an authentic Canadian school experience and participate in regular credit classes combined with appropriate ELL support.

### **RIE Single Year Study – 10 months**

The 10-month, single year study program is an option for students who wish to return to their home country but get the benefit of a full academic school year in Richmond. The study program typically starts in September each year, but limited second semester start dates are also possible.

### **RIE BC Graduation Study – multiple years**

Students wanting to graduate with a BC secondary school diploma (Dogwood Diploma) in British Columbia will be placed at an age-appropriate grade and put on a path towards graduation. Students will receive guidance from their counsellor on course requirements and in building an appropriate course schedule. This program starts in September or January each year.

## Non-Academic Programs

Visiting students who want to develop English language proficiency and be immersed in a Canadian school environment can choose from a range of courses based on individual interest and seat availability.

**Summer Camps** - 3 or 6-week study options for students aged 8 to 18 are offered in July and August. Camps include three full days of school-based learning that focus on English development and cultural development. Students will also enjoy two full-day excursions each week around the Metro Vancouver area.

**Summer Academic English Program** - This 6-week summer program is offered in July and August to develop English needed for academic purposes. Students attend English classes Monday to Friday and focus on English language proficiency needed for success in a secondary school environment. Open to students 13 to 18.

**Short-Term School Experience Program** - 1- to 3-month program for students wishing to experience an authentic Canadian school environment. Offered between mid-September and mid-June and when space is available. Open to students 13 to 18 or elementary students when accompanied by a parent/legal guardian. Students will obtain a Completion Certificate at the end of their study program.

**Customized Group Programs** - We can provide groups with a unique, high quality education experience that is customized to meet a group's age, abilities, interests, and educational goals. Open year-round to all ages and grades, as well as professional educators.

### ENGLISH LANGUAGE LEARNING (ELL) SUPPORT

Across Canada, Richmond is considered the leading school district in the development of ELL curriculum and assessment. International students in Richmond schools can increase English fluency while completing their schooling at the same time, ensuring students are supported in all aspects of their academic and daily life.

Year after year our ELL student graduation and completion rates lead the province of British Columbia.
