Achieve your ambitions.

Your full potential is waiting to be discovered and at UNSW we’re committed to helping you achieve something unique and extraordinary.

Through hands-on learning and original thinking, you will be inspired to develop and grow – as you build towards your future career.

And that’s the case whether you are on campus or taking advantage of the hundreds of digitally delivered programs we offer.

We are passionate about ensuring all our graduates have both the theory and practical experience they need to do incredible things around the globe.

Learning from academics that are recognised as global leaders in their fields and working in world-class facilities, you will interact with industry leaders and apply the latest research in the real-world.

Whatever your own personal challenge, we’ll help you rise to it and enjoy success.

So join us on campus or via digital learning. Together we can make a difference.

UNSW is on Aboriginal land.

Turn your ambition into a career.

UNSW’s extensive career and academic development services can help you gain practical workplace skills, obtain professional experience and develop a plan for global career success.

UNSW Student Academic and Career Success
Employers seek well-rounded graduates who can demonstrate relevant studies, work experience and extra-curricular involvement. UNSW’s dedicated Student Academic and Career Success (SACS) team helps students gain practical workplace skills, connect with industry and develop a plan for global career success. Career Development Learning Facilitators along with Academic Language Learning Facilitators and English language support are available to you throughout your degree to help you become career ready. You can attend free seminars, access online resources or book a one-on-one careers appointment. You’ll also have access to career support up to 18 months after completing your degree. For more information, visit careers.unsw.edu.au

Professional Development Program for International Students
As an international student, you can take advantage of a Professional Development Program tailored to give you hands-on experience in a professional workplace. The program includes a three-day seminar covering topics such as business communication, employer expectations and recruitment processes. You also have the opportunity to complete a 50-hour workplace experience in offices located throughout UNSW.

> Get hands-on experience and confidence in a professional setting
> Improve your job application and interview skills
> Learn about employer expectations in the Australian workplace
> Improve your business communication and business writing skills
For more information, visit careers.unsw.edu.au

International Students Careers Week
A week of seminars, panels and online events highlights the global opportunities available to international students. You can meet with international employers, create beneficial networks, and learn valuable recruitment tips from employers and alumni. For more information, visit student.unsw.edu.au/careers-week

Internships
UNSW offers internships through Work Integrated Learning (WIL) opportunities as part of many of our degrees. These opportunities can be credited towards your degree, giving you valuable insights into your industry’s workplace culture. WIL provides you with specific work experience as part of your degree. Check with your Faculty Student Centre for full details of what is available, or visit wil.unsw.edu.au

Careers Expo
Held twice a year, the UNSW Careers Expo is a chance for students to meet and discuss potential employment and internship opportunities with over 100 participating employers, including BHP Billiton, Shell, Commonwealth Bank of Australia, Deloitte, HSBC, Microsoft, IBM Australia, and many more. For more information, visit student.unsw.edu.au/expos

International Student Employability Guide
This employability guide is designed specifically for UNSW international students. It provides tips on how you can become more employable and includes the resources and programs available to you as a UNSW student. For more information, visit student.unsw.edu.au/international-student-careers

Offshore networks
UNSW maintains offices in China, India and Indonesia as well as staff posted around the world in North America, Europe, Africa, and South East Asia. Our overseas staff have relationships with leading industry partners to promote the UNSW brand and ensure insights from companies around the world inform our programs. For more information, visit international.unsw.edu.au

Professional skills programs
Employers expect graduates to have strong analytical and problem-solving skills, which are vital in many industries. Gathering information, analysing it, communicating with others, utilising logic and imagination and working well in a team are all skills that help solve problems. UNSW will help you enhance your skills thanks to programs such as Interchange and UNSW Hero Program which require students to consider and address real-world business issues. For more information, visit student.unsw.edu.au/programs
Take a break from the books.

There’s always something fun and exciting happening in Sydney to take your mind off your studies - from concerts in the Opera House, to free events including Vivid light and musical festival, Chinese New Year celebrations and the multicultural Parramasala.

Or if you’re more into sport, there are top class sporting events including cricket, soccer and rugby. We even have our own football here called Aussie Rules.

For the more artistic visitors, there are eclectic theatre productions, local and international music acts, and arts and culture exhibitions to keep you entertained and inspired all year round.

And if you just want a cup of coffee and a quiet place to sit, Sydney’s café culture is hard to beat.

Get amongst the fun in Sydney.

shatson.cityofsydney.nsw.gov.au

Sydney on a budget.

On a budget? No worries. There are lots of affordable indoor and outdoor activities to enjoy in Sydney.

Pop into a free art gallery, catch a movie at the local cinema, set off on a coastal walk, snorkel or surf at the beach, or enjoy a budget-friendly lunch or dinner in one of our neighbouring suburbs.

Explore Sydney’s surroundings.

Sydney is all about the outdoors. And it’s more than just beaches.

Grab a picnic and head to one of the beautiful public parks for a barbecue with friends. Or if you’re up for a daytrip or weekend adventure, the Blue Mountains to the west of Sydney, the Royal National Park to the south or stunning Palm Beach in the north are great for a getaway. And of course, there are those beautiful beaches to the east.

Fall in love with Sydney.

international.unsw.edu.au/sydney-worlds-best

Sydney, one of the world’s best cities.

Sydney. It’s one of the best. And that’s not just according to us. It’s rated as the third most liveable city in the world.*

What makes it so great? Well, take a look. With a stunning harbour and year-round amazing weather, it’s easy to see why people fall in love with it. But Sydney is more than just a pretty face. It offers countless business and career opportunities, it’s Australia’s financial and economic powerhouse, plus it’s a multicultural, global city.

There’s always something to do in Sydney, and UNSW is right in the heart of it all. Come join in.

Feel safe and welcome.

G’day. Hello. Hi. How’s it going? Get used to Australians greeting you like this. It’s how we do it here. Aussies are known for being friendly and you’ll find a smile wherever you go. Plus, Sydney was ranked fifth safest city in the world in 2019**.

It’s a multicultural city full of people from all over the world. So, it will feel like a home away from home, no matter where you’re from. And the best bit about living in a multicultural city? The food. You can find any food you want here. There’s Chinatown, Spice Alley, Little Italy and an array of fresh food markets all within easy reach.

Bring your appetite. You’ll need it.

Jumpstart your career connections in the business capital of Australia.

Sydney is home to more global firms than any other Australian city. And as a gateway to Asian economies, you’ll find many valuable networking opportunities to help you stand out in the global job market.

*Economist Intelligence Unit’s Global Liveability Index, 2019
**Economist Intelligence Unit Safe Cities Index 2019

Unsw Postgraduate Guide 2021
Here’s a little taste of what you’ll find in Sydney.

The best bits.

- Sydney is the 9th best student city in the world (QS Best Student Cities Index, 2019).
- Sydney has an average of 236 days a year with sun.
- 31.7% of Sydney’s population is born overseas.
- There are over 100 beaches in Sydney.
- There are over 250 languages spoken in Sydney.
- The Sydney Harbour Bridge is also called “the coat hanger”.
- The Sydney Opera House hosts 40 events a week.
UNSW has the best of Sydney right at its doorstep. The city centre and its global businesses are just a short light rail trip away. Or if you need a break from the books, the beaches at Bondi and Coogee are not far from campus. Up for some sightseeing? The famous Sydney Opera House and Sydney Harbour Bridge are so close you can see them as many times as you like.

Plus, there are plenty of food options off-campus with China Town, Thai Town, Spice Alley and more only a bus ride away.

All this and more is easy to get to thanks to Sydney’s public transport system. There are trains, buses, ferries and light rail options at all hours of the day. And if you want to make the most of this beautiful city, jumping on a bike or walking will help you take it all in at your own pace.

But what about getting to the main campus? Easy. There’s a new Light Rail network that’s making it even easier to get to UNSW. Plus, there are 1,700 buses to and from Central station every week.

Make the most of your time in Sydney. 
discover.nsw.gov.au
Scholarships. For the brightest minds.

We offer a number of scholarships and sponsored awards to high achieving international students. If you are applying for an undergraduate coursework degree, our scholarships and awards are a fantastic opportunity for you to gain financial support while studying.

My scholarship has given me a platform to focus more on my studies and obtain a marketing internship which is relevant to my course and thus adds significant value to my overall profile.

– Saurabh Kaura, Master of Commerce - International Business, Economics & Finance

International Scientia Coursework Scholarship

Value
The scholarships will be offered as one of the following:

One of the country’s largest research communities with approximately 4,500 dedicated research students.

The Torch Innovation Precinct brings together industry, entrepreneurs, investors, and policy makers from around the world. These networks allow us to facilitate the transition from innovation to research and development to realisation.

12 Australian Research Council Centres of Excellence.

We transform clever ideas and research discoveries into successful innovations to benefit society, the economy and future generations.

We conduct research across a wide range of areas, investing where we believe we can make the biggest difference, such as:

- **Solar power (photovoltaics):** We broke the record for the conversion efficiency of a silicon solar cell, and we are home to one of the world’s fastest solar-powered cars.
- **Clean drinking water:** We created membrane filtration technology to filter water that is now used in taps around the world.
- **Population Ageing:** We are developing economic and health policy frameworks for government and industry to sustainably manage this global challenge.
- **HIV/AIDS:** Since diagnosing Australia’s first case of HIV, we have been involved in the development of every existing antiretroviral HIV drug.
- **The world’s first quantum computer:** Using silicon, we are one of the global leaders in the race to build a quantum computer.
- **Recycling:** We have revolutionised recycling by delivering critically needed innovations to help manage the world’s waste.

The Torch Innovation Precinct brings together industry, entrepreneurs, investors, and policy makers from around the world. These networks allow us to facilitate the transition from innovation to research and development to realisation.

UNSW Founders is a university-wide program available to students, staff and alumni. It is designed to embed entrepreneurial skills and knowledge into your university experience, while also supporting exceptional entrepreneurial talent.

An inclusive mindset underpins the development and delivery of UNSW Founders’ wide-ranging initiatives which aim to inspire, nurture and educate everyone, whether you’re completely new to entrepreneurship, or an experienced founder. With one-on-one coaching, interactive workshops, pre-accelerator and accelerator programs, and access to cutting-edge facilities, UNSW Founders clearly signposted journey can take you from foundational classes in entrepreneurial mindset right through to launching your startup into the global marketplace.

The Founders Program fast-tracked our growth by putting us in touch with industry experts and mentors that have been crucial to our product development and business strategy. We’ve gained not only exposure to the startup industry as a whole, but it has made us think more globally and aspire to expand into the larger US market in the future. The funding, office space and resources provided have been invaluable to us succeeding on our journey.

— Vanessa Zhao, Co-founder, Yellowbox UNSW Founders ’18x Accelerator, Cohort 4, 2019

UNSW Founders is a university-wide program available to students, staff and alumni. It is designed to embed entrepreneurial skills and knowledge into your university experience, while also supporting exceptional entrepreneurial talent.
UNSW has among the largest student housing capacity in Sydney with award-winning accommodation on and off campus. Live within walking distance of your lecture halls, meet people from around the world, and make lifelong friends. Alternatively, find your own home in the neighbouring Eastern Suburbs or by the beach.

**Accommodation at UNSW**

**Colleges**
Colleges provide a choice of full board, partially catered, and self-catered accommodation. There is also a range of gender-specific options including male only, female only, and mixed male and female accommodation. Most colleges cater for dietary requirements like halal, kosher and vegetarian.

**Apartments**
Apartments offer independent-style living for undergraduates, postgraduates, couples, and families with children. There are apartments on and off campus and costs vary depending on the number of rooms and the location.

You should organise your university accommodation early as places book up quickly. Go to [accommodation.unsw.edu.au](http://accommodation.unsw.edu.au) for information about accommodation on the UNSW Campus.

**Private accommodation options**

**Rental property**
There are many private rental properties in the suburbs surrounding UNSW. Costs vary according to the number of bedrooms, the condition and location. When renting, you usually sign a six or 12 month lease and pay rent in advance plus a security deposit called a bond. You can rent a furnished or unfurnished property and generally there will be additional expenses such as electricity, gas, telephone and Wi-Fi. Costs vary but usually range from A$250 – A$350 per student per week in a shared house or apartment.

**Homestay (full board and room-only)**
Homestay options include full board and single room-only accommodation. Full board usually includes a furnished room, use of facilities in the private home of a family or single person, plus breakfast and dinner. Some also include bed linen, a laundry service, and weekly room cleaning. Single room-only homestays include a furnished room, and gas and electricity expenses in the rent. You will be responsible for buying your own food, cooking, cleaning, laundry and telephone costs. Costs vary but usually range from A$250 - A$350 per student per week. Search our database of locally listed private properties at [studystays.unsw.edu.au](http://studystays.unsw.edu.au).

**Temporary accommodation**
If you haven’t confirmed your university accommodation before you arrive, we recommend you allow three to four weeks before classes begin to look for private housing, settle in, and attend orientation sessions. Be sure to book short-term accommodation first, then look for long-term options in person. Short-term accommodation can include private hotels, motels, hostels, lodges or furnished apartments ranging from A$45 to A$300 per day.

**Private student housing assistance**
UNSW’s International Student Housing Assistance (ISHA) team can help you look for temporary or private accommodation if UNSW accommodation isn’t available when you apply. The service is available at the start of each term. For more information, visit [student.unsw.edu.au/housing-assistance](http://student.unsw.edu.au/housing-assistance).

**Under 18s**
Arrangements must be made for students under 18 years of age. These requirements are in line with Australian Government regulations for the care and welfare of international students under 18. For more information, visit [student.unsw.edu.au/visa18](http://student.unsw.edu.au/visa18).
Accommodation costs are subject to change and are indicative only.

**Open to male students at UNSW.**

**Warrane College**
Warm and friendly, diverse, excelence, pastoral care and its vibrant community, academic and sporting activities add to the studies. Cultural, social and undergraduate or postgraduate domestic students in their senior balance for families or couples. Preference is generally given to couples and families with children.

**New College Village**
Quality, fully furnished, air-conditioned secure accommodation for postgraduate and selected undergraduates on lower campus.

**UNSW Village**
A range of fully furnished, stylish and contemporary apartments conveniently located on campus.

**UniLodge @ UNSW**
Only 18 minutes from UNSW Kensington Campus, with a choice of fully furnished studio and shared serviced apartments with 24-hour security and a live-in manager. Room types and prices vary depending on location, number of people you live with and the condition of the housing. 

**Set-up costs**
Bond, furniture, utility connections etc.

**Accommodation per week**
- UNSW Apartment
- UNSW College
- Share house
- One bedroom

**Internet**
- A$290 to A$580*
- A$280 to A$650
- A$425 to A$865
- A$645 to A$1,165

**Gas and electricity**
- A$370 to A$860*
- A$290 to A$650
- A$540 to A$980
- A$645 to A$1,165

**Food (groceries and eating out)**
- A$830 to A$280
- A$10 to A$50
- A$50 to A$280
- A$80 to A$280

**Transport to university**
- A$0
- A$0
- A$0
- A$0

**Weekly total**
- A$219.240 to A$44,720*
- 52 weeks
- A$32,176 to A$52,360* 44 weeks
- A$22,100 to A$44,980 52 weeks
- A$33,540 to A$61,580 52 weeks

**Total annual cost**
- A$219.240 to A$44,720*
- 52 weeks
- A$32,176 to A$52,360* 44 weeks
- A$22,100 to A$44,980 52 weeks
- A$33,540 to A$61,580 52 weeks

Living costs are indicative only and will vary based on the location, number of people you live with and the condition of the housing. For more information, visit [student.unsw.edu.au/approximate-weekly-costs](student.unsw.edu.au/approximate-weekly-costs) and [studyinaustralia.gov.au/global/live-in-australia/living-costs](studyinaustralia.gov.au/global/live-in-australia/living-costs)

*Costs will vary depending on the type of accommodation and catering offered.
A place to make new friends.

UNSW has a village atmosphere that will make you feel at home.

Campus life
Walk to the beach. Tram to the city. Hang out on campus.

Campus facilities
You’ll find dozens of cafes and restaurants, banks, ATMs, a post office, supermarket, food cooperative, pharmacy, medical centre, dentist, libraries, a fitness and aquatic centre, sports fields and courts!

Study areas
We’ve got indoor computer labs and outdoor study areas so you can find the right vibe to suit your study style. Our outdoor areas have power outlets to charge your devices, and our whole campus has free Wi-Fi.

Student Association, Clubs and Societies
Arc is our student association run by students for students. With over 300 clubs and societies, you’ll find a group that’s right for you! Get amongst it. arc.unsw.edu.au

Social activities
Make the most of your time here and see some of Australia’s natural wonders, take a weekend trip to the Blue Mountains, the Royal National Park or Hunter Valley, go whale-watching, surfing and more.

Religious centre
We welcome students from all religious backgrounds to our interfaith religious centre. Chaplains conduct services and studies and offer spiritual counselling.

Staying safe
Student safety is our number one priority. We provide 24/7 security services and have an app to help StaySafe@UNSW. Get the details at international.unsw.edu.au/life-at-unsw
We’re here for you - every step of the way.

Our students tell us we are one of the friendliest universities in Australia with many support services you can rely on. We have a range of support and development services to assist you from the time you arrive through to your graduation.

Arrival support
From picking you up at the airport, running new arrival workshops and taking you on campus tours, our dedicated International Student Welcome Centre will make sure you feel welcome, safe and well connected.

Making friends and settling in
New students can apply to be matched with a Cultural Mentor before they arrive in Australia. Your Cultural Mentor could be an international or Australian student. The program introduces new international students to a senior student ‘buddy’ who will answer questions about UNSW and Sydney before you arrive. After you arrive, you can meet up with your mentor to learn about Australian culture, customs, and being a student at UNSW.

UNSW has many other mentoring programs in faculties and the wider UNSW community. There are also a number of Cultural Transition programs including Culture of Oz, the Language Exchange Program, the Discussion Group and more.

International Student Advisors
UNSW’s International Student Advisors are always here to help you with personalised advice and information about all aspects of your university life, your student visa, your wellbeing, and your academic performance. Advisors also run our Under-18 Care Program, supporting younger students throughout their study.

For more information, visit student.unsw.edu.au/international

Academic support
As a UNSW Sydney student, you will have access to free online resources, academic skills workshops, individual consultations with Academic Language & Learning Facilitators, exam preparation advice, and more. UNSW has a dedicated Learning and Careers Support Hub, located right in the middle of campus, which caters to all students’ academic support needs.

For more information, visit student.unsw.edu.au/skills
Make your studies work for you.

The innovative UNSW3+ academic calendar gives you the flexibility to choose your own study plan.

UNSW3+ features three standard 10-week teaching terms plus an optional five-week summer term. You only need to enrol once annually which allows you to fully plan your entire academic year. A standard study load is 8 courses (48 Units of Credit) per year spread over three terms. With UNSW3+ you can schedule a lighter study load of just two courses during one term to suit your needs, or complete nine courses per year to free up time for an extended internship. You can even apply to pick up an additional course in the summer term if you just want to get ahead.

Plan your study

The UNSW Academic Calendar allows you to shape your study to suit your needs, giving you the opportunity to pursue the experiences you want to have both in and outside the classroom.

The major benefits of the UNSW 3+ academic calendar are:

- Studying a maximum of three courses per term ensures you have time to gain deeper knowledge of each subject.
- Flexibility to get involved in activities outside of your studies, to undertake an internship, or build your networks to make you more employable.
- Better alignment with international university calendars so you can add global experiences into your studies more easily.

In 2021, a number of degrees will have three intakes - Term 1 (February), Term 2 (June) and Term 3 (September).

Check the UNSW Degree Finder at degrees.unsw.edu.au for up-to-date information on UNSW Degrees and their term intake.

The UNSW3+ calendar dates for 2021 and beyond can be found at student.unsw.edu.au/calendar.

UNSW3+ has given me the flexibility to choose fewer courses per term which lessen my academic load and allows more opportunities for me to focus on developing essential industry skills and participate in a wide range of seminars and workshops outside the university.

– Prasanth Pratthigadapa, Master of Engineering Science specialising in Transport Engineering
Studying online with UNSW

Studying online means you’ll receive world-class education... anywhere. You will have the flexibility to study where it suits you, while still receiving the same high standard of teaching as if you were on campus.

We offer hundreds of online programs that are interactive and provide you the opportunity to connect with teachers and fellow students throughout your online studies. Some of the many benefits of studying online are:

**Flexibility**
You can attend classes from wherever you are. Online learning helps to balance professional and/or personal commitments which means you have the flexibility to study at the times you work at your best. You save time by not needing to travel to classes on-campus, making post-graduate study, while working full-time, more achievable than ever before.

**Management of study time**
You have more control over the time you spend studying.

**Connections and networks**
Through the digital environment, you connect with world-class lectures and other students and form valuable networks and communities - both locally and globally.

**Support**
Being an online student doesn’t mean you are isolated. Student support is only a call or email away and your dedicated Student Success Advisor is always available.

**Global knowledge**
You continue to be informed and access UNSW’s global knowledge.

For more information or to browse through our online degrees, visit [online.unsw.edu.au](http://online.unsw.edu.au)

Please note that students are not able to obtain an Australian student visa to study UNSW’s fully online programs in Australia.
Discover the right postgraduate program for you.

With nine faculties and almost 200 degrees, UNSW has the right program for you.

Media specialists
Researchers
Textile designers
UX designers
VR specialists
3D visualisation specialists

*UNSW is the only institution to consistently be rated well above world standard in the field of Creative Arts and Writing in the Australian Research Council’s Excellence in Research Reports.
Curating and Cultural Leadership

Launch a dynamic career in contemporary curating by generating new ideas and setting cultural agendas. The Curating and Cultural Leadership programs forge connections between curating, audience engagement, policy, management, critical writing, promotion, production and other emerging aspects of this field. The programs are customizable and include an industry-based project at masters level, allowing you to build your skills and professional networks.

Areas of study
Curating | Focuses on contemporary curating as a diverse and dynamic profession which plays a key role in setting cultural agendas and discovering new ground. The curatorial strand emphasizes experimentation and the development of a strong independent practice through curatorial studies and live public projects.
Cultural Leadership | Includes museum management, public programming and engagement, education, policy, critical writing, promotion, production and new emerging roles. It emphasizes the fluid boundaries between all of these activities and promotes a collaborative approach. This strand fosters a vision of leadership that is diverse and limited by neither age nor status. It educates students to develop a unique individual philosophy underpinned by a robust and flexible skill set.

Entry requirements
Depending on the level and nature of prior qualifications, admission to the Master of Curating and Cultural Leadership has three entry points with different duration:

1. A recognised bachelor degree in a related field. This provides admission into the one-year program (48 UOC).
2. A recognised bachelor degree or honours degree with at least a credit average (65%) or equivalent. The bachelor degree can be in non-related fields will be admitted on a case-by-case basis by the Program Director, on the basis of a continuous history of employment in an art-related field.
3. A Graduate Certificate in Cultural Leadership with at least a credit average (65%).

I like that UNSW is a really prestigious institution and has links to some pretty big industries, so I know that will look good on my resume.
– Evena Wong, Malaysia

Master of Curating and Cultural Leadership
Program code: 6618
CRICOS code: 88226A
Duration: 1, 1.7 or 2 years
Entry: February, June and September
Estimated first year tuition: $37,200

Graduate Diploma in Cultural Leadership
Program code: 6312
CRICOS code: 88226M
Duration: 1 year
Entry: February and September
Estimated first year tuition: $21,488

Graduate Certificate in Cultural Leadership
Program code: 7318
CRICOS code: 88226X
Duration: 0.7 years
Entry: February and September
Estimated first year tuition: $18,048

Design

The Design programs are interdisciplinary, industry-engaged and focus on the role of design in innovation and the global economy. You will integrate technology, design thinking, conceptual exploration, strategy and communication with practical skills, developing your professional and practical design knowledge to an advanced level.

Areas of Practice
You will choose from the following studio-based courses to either focus on a specific area of design and digital media practice or to put together your own suite of courses:

Graphic Communication | Addresses graphic design for paper and print, the screen and broadcast, encompassing contemporary typographic, graphic design and cross-cultural communication strategies in designing for different audiences.

Future Making: Materials and Objects | Focuses on the practices of designing with new materials, digital technologies and craftsmanship. It addresses the integration of technical knowledge and skills with material and contextual understanding. Future Making works with ceramics, jewellery, metal, textiles, furniture and lighting.

Entry requirements
Depending on the level and nature of prior qualifications, admission to the Master of Design has three entry points with different duration:

1. A Bachelor of Design with at least a credit average (65%) and a Graduate Certificate in Design with at least a credit average (65%).
2. A recognised bachelor degree in any field, or a Graduate Diploma in Design with at least a credit average (65%).
3. A Graduate Certificate in Design with at least a credit average (55%) or equivalent. This provides admission into the two-year program (96 UOC).

Entry requirements
Depending on the level and nature of prior qualifications, admission to the Graduate Certificate in Design has three entry points with different duration:

1. A recognised bachelor degree in a related field with at least a credit average (65%) or equivalent. This provides admission into the one-year program (48 UOC).
2. A recognised bachelor degree in any field, or a Graduate Certificate in Cultural Leadership with at least a credit average (65%).
3. A Bachelor of Design with at least a credit average (55%) or equivalent. This provides admission into the one-year program (48 UOC).

I like that UNSW is a really prestigious institution and has links to some pretty big industries, so I know that will look good on my resume.
– Evena Wong, Malaysia

Master of Design
Program code: 7313
CRICOS code: 88219B
Duration: 1, 1.7 or 2 years
Entry: February, June and September
Estimated first year tuition: $37,200

Graduate Diploma in Design
Program code: 5396
CRICOS code: 88219A
Duration: 1 year
Entry: February, June and September
Estimated first year tuition: $21,488

Graduate Certificate in Design
Program code: 7396
CRICOS code: 88226B
Duration: 0.7 years
Entry: February, June and September
Estimated first year tuition: $18,048

Design Portfolio Requirements
As noted in the entry requirements of each design program, depending on the level and nature of your prior qualifications, you may be required to submit a portfolio. Portfolios are submitted with your online application and must include the following:

1. A 10-page digital portfolio of original design work with critically reflective text.
2. A cover letter explaining your interest in UNSW and the degree as well as your interests, achievements and experience.
3. Verified evidence of professional experience in a design or media-related field.
4. A two-page resume that details your experience in, or related to design including contact details for two referees.

2021 UNSW INTERNATIONAL POSTGRADUATE GUIDE
ART & DESIGN

36 37
**Visualisation, Simulation, and Immersive Design**

Equip yourself to become a future-ready design leader, capable of understanding and meeting the growing demand of immersive practices across a multitude of industries. The Visualisation, Simulation & Immersive Design programs offer a unique human-centric, design-led approach focusing on human perception and experience. You will learn how, why, when and where to effectively utilise simulation and immersive platforms including VR, AR and MR.

Visualisation, Simulation, and Immersive Design programs are designed to accommodate busy professionals and combines on-campus and online delivery. For more information, visit [artdesign.unsw.edu.au/MVSID](http://artdesign.unsw.edu.au/MVSID).

**Master of Visualisation, Simulation, and Immersive Design**

Program code: 0922  
CRICOS code: 099986A  
Duration: 1.7 years  
Entry: February, June and September  
Estimated first year tuition: A$18,558

Recognition of Prior Learning (RPL) may be granted for formal, non-formal and workplace learning for specified credit in accordance with UNSW recognition of prior learning procedure. Students may only claim up to 30 UOC of RPL (up to a maximum of 30 UOC) RPL will not be considered core courses and the capstone course.

**Entry requirements**

- A recognised bachelor degree in any field with at least a credit average (65%) or equivalent. Given that the program enables practitioners from a wide range of industry sectors, entry is not dependent upon a degree cognate with the creative disciplines.
- Applicants without a bachelor degree may be admitted to the Graduate Certificate in Visualisation, Simulation, and Immersive Design on a case-by-case basis by the Program Director, on the basis of a portfolio of work and professional experience.

**Graduate Certificate in Visualisation, Simulation, and Immersive Design**

Program code: 7322  
CRICOS code: 099994A  
Duration: 0.7 years  
Entry: February, June and September  
Estimated first year tuition: A$15,500

Recognition of Prior Learning (RPL) may be granted for formal, non-formal and workplace learning for specified credit in accordance with UNSW recognition of prior learning procedure. Students may only claim up to 12 UOC of RPL (up to a maximum of 12 UOC). RPL will not be considered core courses.

**Entry requirements**

- A recognised bachelor degree in any field with at least a credit average (65%) or equivalent. Given that the program enables practitioners from a wide range of industry sectors, entry is not dependent upon a degree cognate with the creative disciplines.
- Students may only claim up to 12 UOC of RPL (up to a maximum of 12 UOC). RPL will not be considered for core courses.

Sally Smythe  
[support.postgradresearch.artdesign@unsw.edu.au](mailto:support.postgradresearch.artdesign@unsw.edu.au)

UNSW Art & Design is at the forefront of contemporary and experimental design, art and media. Find out more at [artdesign.unsw.edu.au/postgraduate-research](http://artdesign.unsw.edu.au/postgraduate-research).

**Research areas:**

Our Faculty research community features internationally recognised strengths in contemporary art and design practice, media arts, immersive interactivity, art and ecology, creative robotics, art and society, curating, and cultural leadership.

**Research programs**

UNSW Art & Design’s strengths in research culture lie in transdisciplinary explorations of theory and practice at the intersections of art, design and media arts. With a passionate commitment to engaging with contemporary social, cultural and environmental issues, our key research areas include immersive interactivity, creative robotics, fine arts, 3D visualisation, curating and cultural leadership, experimental sound, visual anthropology and arts and health.

**Master of Fine Arts by Research**

Program code: 2245  
CRICOS code: 064493A  
Duration: 1.5 – 2 years  
Entry: February, June and September  
Estimated first year tuition: A$36,960

**Entry requirements**

- An appropriate four-year bachelor degree with Honours from UNSW, or an equivalent qualification from a tertiary institution as determined by the Faculty Higher Degree Committee.

**Master of Philosophy – Art, Design and Media**

Program code: 2267  
CRICOS code: 055686B  
Duration: 1.5 – 2 years  
Entry: February, June and September  
Estimated first year tuition: A$36,960

**Entry requirements**

- An appropriate four-year degree or UNSW bachelor degree with lower second honours or higher, or an equivalent qualification from a tertiary institution, as determined by the Faculty Higher Degree Committee.

**Doctor of Philosophy – Art, Design and Media**

Program code: 2192  
CRICOS code: 097747M  
Duration: 3 – 4 years  
Entry: February, June and September  
Estimated first year tuition: A$36,960

**Entry requirements**

- An appropriate four-year bachelor degree with First or Upper Second Class Honours from UNSW or a completed masters by research from UNSW with a substantial research component and demonstrated capacity for timely completion of a high-quality thesis, or a qualification from a tertiary institution at a level considered equivalent by the Faculty Higher Degree Committee.

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 & 105 for further information or contact us on [international.postgraduate.admissions@unsw.edu.au](mailto:international.postgraduate.admissions@unsw.edu.au).
Welcome to a supportive, diverse community where you can follow your passion and build the future career you want. The knowledge, innovative spirit and hands-on experiences of an Arts & Social Sciences education at UNSW is a distinct combination that will set you up for life. You’ll learn to navigate the complexities of today’s world and be adequately equipped to find solutions to problems – even those we don’t yet know exist.

Top 50 in the world
Your learning will be influenced by educators who are professionals in their field, including acclaimed researchers and industry leaders. This enriching teaching experience is reflected in the 2020 QS World University Rankings by Subject – 34th in the world for Social Sciences and 42nd in the world for Arts & Humanities.

Be equipped for tomorrow’s workforce
We all know that workplaces are changing. At UNSW Arts & Social Sciences, you’ll gain the vital communication, problem solving and leadership skills needed to solve tomorrow’s big challenges and thrive in the jobs of the future. You’ll put these skills into practice during your studies with access to the latest technologies and state-of-the-art equipment, as well as work integrated learning experiences.

Applied Linguistics

Master of Applied Linguistics

Program code 8236
CRICOS code 083248M
Duration 1, 1.7 or 2 years
Entry February, June and September
Estimated first year tuition $33, 488

Entry requirements
There are three durations of study:

2 Year Program (96 UOC)*
• Bachelor degree (or equivalent qualification) with a record of academic achievement equivalent to a credit average of (65%).

1.7 Year Program (72 UOC)
• Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a credit average (65%), or
• Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a credit average (65%), plus one year of relevant professional experience.

1 Year Program (48 UOC)
• Honours degree or graduate diploma (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a credit average (65%), or
• Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a credit average (65%), plus one year of relevant professional experience.

* Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a credit average (65%), plus one year of relevant professional experience.

Students who are eligible for the 1 year and/or 1.7 year program are also permitted to study the 2 year program.

Note: Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Relevant disciplines include:
• Linguistics, Languages, TESOL, Cognitive Science, Speech Pathology, Interpreting, Translation, and Health Sciences.

Relevant professional experience includes:
• Work in a language-related area including teaching English as a second or foreign language; or
• Language or a language other than English, translating, interpreting, curriculum design, and other appropriate language professions.

Do you have a deep interest in the workings of language? The Master of Applied Linguistics is a professionally relevant degree for students who want to use linguistic knowledge to solve language-related problems and help to remove barriers of cross-cultural communication. The study of linguistics can be applied across a range of diverse fields from working with migrant communities to helping others increase their opportunities through language acquisition and skilled communication.

Development Studies

Master of Development Studies

Program code 8942
CRICOS code 083236M
Duration 1, 1.7 or 2 years
Entry February and September
Estimated first year tuition $33, 488

The Master of Development Studies is an interactive degree that provides specialist studies in international development at the local, national and global level. Alongside a team of academic staff who are at the forefront of national and international development practice, you will take a hands-on approach to understanding issues surrounding human rights, social justice and community development.

Entry requirements
There are three durations of study:

1.7 Year Program (72 UOC)
• Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average (65%), or
• Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%), plus one year of relevant professional experience.

1 Year Program (48 UOC)
• Honours degree or graduate diploma (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average (65%), or
• Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average (65%), plus one year of relevant professional experience.

Students who are eligible for the 1 year and/or 1.7 year program are also permitted to study the 2 year program.

Note: Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Relevant disciplines include:

Relevant professional experience includes:
• Work or volunteer experience in community, social and economic development, social research and policy, public health, the environment, displacement, poverty alleviation, human rights, and advocacy-based programs and projects. This can be developed through working for relevant organisations including non-governmental, social service, community-based, philanthropic, United Nations, or inter-governmental agencies or local, state, and federal government departments.

Education

The Master of Education will enhance your career options and give you the skills you need to progress into a specialist field of education or leadership role. The degree is designed for existing education professionals and offers seven areas of specialisation.

Graduate Certificate in Education

Program code 7481
CRICOS code 85279F
Duration 0.7 years
Entry February, June and September
Estimated first year tuition $33, 488

Entry requirements
• A recognised bachelor degree and a postgraduate teaching qualification (e.g. Graduate Diploma in Education or Master of Teaching), or
• A four-year pre-service teacher education qualification, including professional experience, equivalent to the qualifications required for graduate teacher status in New South Wales (NSW).

Professional accreditation
These programs are endorsed by the NSW Education Standards Authority (NESA) as registered professional development.

Master of Education

Program code 8910
CRICOS code 080047D
Duration 1 year
Entry February, June and September
Estimated first year tuition $33, 488

Entry requirements
• A recognised bachelor degree and a postgraduate teaching qualification (e.g. Graduate Diploma in Education or Master of Teaching), or
• A four-year pre-service teacher education qualification, including professional experience, equivalent to the qualifications required for graduate teacher status in New South Wales (NSW).

Professional accreditation
These programs are endorsed by the NSW Education Standards Authority (NESA) as registered professional development.

Educational Leadership

The Master of Educational Leadership provides aspiring and current educational leaders with an understanding of theory, research and practice in educational leadership. You will gain the ability to apply disciplinary principles and practices to new or complex educational environments, be encouraged to share research and experiences with other students and specialise in any of a wide range of electives.

Master of Educational Leadership

Program code 8968
CRICOS code 89449B
Duration 1 year
Entry February, June and September
Estimated first year tuition $33, 488

Entry requirements
• A recognised bachelor degree and a postgraduate teaching qualification (e.g. Graduate Diploma in Education or Master of Teaching), or
• A four-year pre-service teacher education qualification, including professional experience, equivalent to the qualifications required for graduate teacher status in NSW.

Professional accreditation
These programs are endorsed by the NSW Education Standards Authority (NESA) as registered professional development.

Specialisations
• Curriculum and Assessment
• Educational Psychology
• Educational Studies
• Gifted Education
• Higher Education
• Special Education*
• TESOLs (Teaching English to Speakers of Other Languages)

* International students may be restricted from taking this specialisation due to professional practice requirements. Please contact education@unsw.edu.au for further details.

Note: Due to the availability of courses each term, certain specialisations within this program may not be able to be completed full-time. Contact the School of Education for further details at education@unsw.edu.au.

Certain specialisations within this program have compulsory Work Integrated Learning components.
Environmental Management

The Master of Environmental Management is ideal for people who are passionate about the environment and societal issues. You will learn about the social and cultural drivers behind contemporary environmental issues and will have the expertise to form an understanding of how ecological crises intersect with meaning, knowledge, values, and ethics.

Master of Environmental Management

Entry requirements
There are three durations of study:

- 2 Year Stream (48 UOC)*
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.
  - Relevant disciplines include: Environmental Science, Policy, Humanities, Sociology, Planning, Management, etc.

- 1.7 Year Stream (72 UOC)*
  - Bachelor degree (or equivalent qualification) in a relevant environmental discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.
  - Relevant disciplines include: Environmental Science, Policy, Humanities, Sociology, Planning, Management, etc.

- 1 Year Stream (54 UOC)**
  - Bachelor degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%); or
  - Relevant professional experience
  - Work in the public relations, advertising, media and communication sectors; or at least one year of workplace experience at management level.

Relevant disciplines include:
- Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Graduate Certificate in Educational Leadership

Entry requirements
- A recognised bachelor degree and a postgraduate teaching qualification (e.g. a Graduate Diploma in Education or Master of Teaching), or
- A four-year pre-service teacher education qualification, including professional experience, equivalent to the qualifications required for graduate teacher status in NSW.

Professional accreditation
These programs are endorsed by the NSW Education Standards Authority (NESA) as registered professional development.

Graduate Diploma in Environmental Management

Entry requirements
- A recognised bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%); or
- Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%).

Relevant disciplines include:
- Environmental Science, Policy, Humanities, Sociology, Planning, Management, etc.

International Relations

Master of International Relations

Entry requirements
There are three durations of study:

- 1 Year Program (72 UOC)
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%); or
  - Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%).

The Master of International Relations is an advanced specialist degree that recognises the complexity and the globalised nature of today’s world. This degree is specifically designed to advance your understanding of global politics and foreign policy. You will explore areas such as international security, great-power rivalry, regional conflicts, nuclear proliferation, global environmental politics, civil conflict, human rights, gender politics, international political economy and development.

Journalism and Communication

Master of Journalism and Communication

Entry requirements
There are two durations of study:

- 1.7 Year Program (72 UOC)*
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%); or
  - Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%).

The Master of Journalism and Communication is an innovative, interdisciplinary degree that produces industry-ready journalists and communication professionals who have the necessary skills to reimagine media and shape a positive world. You will learn how to harness technology and gain specialist knowledge of the social, economic and political role of media in Australia and internationally to give you a competitive edge in a fast-evolving industry.

Note: Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Relevant disciplines include:

Relevant professional experience includes:
- Work in the public relations, advertising, journalism, or media and communication sectors; or at least one year of workplace experience at management level.
**Public Policy and Governance**

Master of Public Policy and Governance

Program code: 8259
CRICOS code: 08324E
Duration: 1, 1.7 or 2 years
Entry February, June and September
Estimated first year tuition: A$36,480

The Master of Public Policy and Governance applies a social science perspective to real-world questions of policy, research and management in modern organisations. We prepare you for roles that require research and analytical skills and a practical appreciation of the processes of policymaking and implementation. You will have the opportunity to specialise in a policy area of your choosing, with expert teaching staff working in the fields of regulatory policy, education, disaster management, ethics and public policy.

Entry requirements
There are three durations of study:

- **2 Year Program (96 UOC)**
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.
  - Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, or
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, plus one year of relevant professional experience.
  - Students who are eligible for the 1 year and/or 1.7 year program are also permitted to study the 2 year program.

- **1.7 Year Program (72 UOC)**
  - Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average (65%); or
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%), plus one year of relevant professional experience; or
  - Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%).

- **1 Year Program (48 UOC)**
  - Honours degree or graduate diploma (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average (65%), or
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, or
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, plus one year of relevant professional experience.

Relevant disciplines include:

Relevant professional experience includes:
- Working in the public sector, unions, business organisations, research/ policy institutes, or third-sector organisations.

**Public Relations and Advertising**

Master of Public Relations and Advertising

Program code: 8282
CRICOS code: 08581A
Duration: 1 or 1.7 years
Entry February, June and September
Estimated first year tuition: A$36,480

The Master of Public Relations and Advertising merges contemporary theory and academic rigour with creativity, digital innovation and practical industry skills. You will be taught by leading professionals and explore ways to develop innovative strategies so you can reimagine public relations and advertising in the digital age. You will gain the practical industry skills. You will be exposed to theory and academic rigour with professional practice.

Entry requirements
There are two durations of study:

- **1 Year Program (48 UOC)**
  - Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%. 
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, plus one year of relevant professional experience.

- **1.7 Year Program (72 UOC)**
  - Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.
  - Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, plus one year of relevant professional experience; or
  - Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

**Teaching**

Master of Teaching (Secondary)

Program code: 8265
CRICOS code: 073440C
Duration: 1.3 years
Entry February
Estimated first year tuition: A$54,720

The Master of Teaching (Secondary) is an accelerated secondary teacher degree, enabling you to become eligible for employment only after 1.3 years of full-time study. You will learn innovative teaching methods that link practice with theory including advanced skills in effective unit lesson planning, assessment, and reporting, as well as practical classroom communication and reflective teaching.

Entry requirements
- A recognized bachelor degree which meets the prerequisites for the selected teaching methods/specialisation/s.
- Relevant disciplines include:

Relevant professional experience includes:
- Work in the media relations, advertising, journalism, or media and communication sectors; or at least one year of workplace experience at management level.

The Master of Teaching requires students to study two single teaching specialisations, or one double degree teaching specialisation (available only for English, Mathematics, Music and Visual Arts) from the methods courses listed.

Method courses
- Aboriginal Studies
- Biology
- Chemistry
- Chemistry/Biology
- Drama (Theatre and Performance Studies)
- Earth and Environmental Science
- Economics
- English
- English as an Additional Language (or Dialect (EAL/D))
- Geography
- History (Ancient or Modern)

**Master of PR and Advertising/Master of Design**

Program code: 8284
CRICOS code: 946951E
Duration: 2 – 3 years
Entry February, June and September
Estimated first year tuition: A$37,659

The Master of Design and Master of Public Relations and Advertising double degree will equip you to think critically and innovatively in developing PR and advertising strategies as well as design and digital media practice. This is an ideal double degree for industry professionals who want to advance their career in advertising and design and gain the depth of knowledge needed to shape the future of the media industry.

**Teaching**

The Master of Teaching (Secondary) requires an average mark of 60 or higher.

IMPORTANT: All students must qualify in one or more first teaching specialisations and, depending on prior study, may be eligible to qualify in two first teaching specialisations or a first and up to two additional teaching specialisations. You must meet certain subject content requirements to be eligible to teach in the specialisation of your choice. Find out more about the subject content requirements at degrees.unsw.edu.au/masters-of-teaching-secondary.

Additional English language requirements: A very high level of competence in spoken and written English is required equivalent to a Band 5 in IELTS (English Advanced). Standard English or English as a Second Language, or an overall IELTS score of 7.5, with a minimum of 8.0 in speaking and listening and a minimum of 7.0 in reading and writing, or the equivalent.

Professional accreditation: This program is accredited by the NSW Education Standards Authority (NESA).
**Master of Teaching (Primary)**

- **Program code**: 9205
- **CRICOS code**: 099104G
- **Duration**: 1.7 years
- **Entry February, June and September
- Estimated first year tuition**: A$34,720

The theories you learn in your Master of Teaching (Primary) can be applied directly to the classroom. You will learn innovative teaching methods derived from our industry-shaping research and gain the skills needed to teach across the six key learning areas. You will be based in primary schools for two days a week for the first year, working with primary students and taught by experienced primary teachers as well as university staff.

**Entry requirements**
- A recognized three year bachelor degree with a major, consisting of at least six units of undergraduate study with no more than two at first year and at least two at third year, in one key learning area, and at least two units of study in one or more other key learning areas.
- Entry into the Master of Teaching (Primary) requires an average mark of 60 or higher. For more information about the entry requirements visit [degrees.unsw.edu.au/master-of-teaching-primary](http://degrees.unsw.edu.au/master-of-teaching-primary).

**Key Learning Areas (KLA) include:**
- English (literature, communications, linguistics, creative writing, media studies)
- Mathematics (pure or applied maths)
- Science and Technology (agriculture, architecture, biology, biotechnology, chemistry, computing studies, design - interior, industrial), graphics, fashion, product, landscape (2 units only), design and technology, engineering, geology, earth and other environmental science, materials science, medicine, nursing, physics, psychology

**Human Society and Its Environment** (Aboriginal studies, languages, anthropology, archaeology, Asian or Pacific studies, economics/business studies, cultural studies/sociology, geography/ environmental studies, government and citizenship, history, legal studies, political science, studies of religion)

- Creative Arts (dance, drama, music, visual arts, fine arts)
- Personal Development, Health and Physical Education (physical education, family studies, sports science, health studies, human movement, nutrition)

**NB:** All graduates will be qualified to teach across the curriculum and will also have a specialisation in a KLA.

The successful completion of the national Literacy and Numeracy Test (NAT-LIT) in first year of study is also required.

**Professional accreditation**

This program is accredited by the NSW Education Standards Authority (NESA).

**Course fees**

- **Estimated first year tuition**: A$34,720

**Double Degree Program**

**Combined Master of Arts and Social Sciences**

- **Program code**: 9224
- **CRICOS code**: 083349M
- **Duration**: 2 years
- **Entry February and September
- Estimated first year tuition**: A$36,480

Earn two Master degrees at the same time. The Combined Master of Arts and Social Sciences allows you to extend your knowledge in two complementary disciplines, providing you with a broad education that meets the needs of today's professionals. You will graduate with two degrees under their specialist names.

**Entry requirements**

- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%) and an advanced level of bilingual proficiency.

**Note:** Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

**Programs you can combine:**

- **Humanities and Languages –** Languages, TESOL, and Cognitive Science.
- **Social Policy Research Centre –** Aboriginal studies/languages, Indonesian, Japanese, Korean, Russian and Spanish
- **Centre for Social Research in Health –** Health and Physical Education
- **Centre for Social Research in Health –** Social Policy Research Centre

**Research**

UNSW Arts & Social Sciences is recognised as a national and international leader in research. Driven by world-leading scholars pushing the boundaries of knowledge in core humanities and social sciences, our unique commitment to social issues and justice helps solve the world’s greatest challenges.

Our postgraduate research candidates are open-minded, progressive, and strategic thinkers. Our Faculty is one of the largest of its kind in Australia providing a number of opportunities for engagement and support to help you grow and succeed in your academic experience.

Supervision is offered in our Schools and Centres in a broad range of research and discipline areas.

**Note:** Admission to all programs is subject to the availability of appropriate supervision and resources.

**Research areas:**

- The Arts and Media – arts.unsw.edu.au/research
- Education – arts.unsw.edu.au/education
- Humanities and Languages – arts.unsw.edu.au/hull
- Social Sciences – arts.unsw.edu.au/socialsciences
- Centre for Social Research in Health – arts.unsw.edu.au/csr
- Social Policy Research Centre – arts.unsw.edu.au/sprc

**Double Degree Program**

**Combined Master of Arts and Social Sciences**

- **Program code**: 9224
- **CRICOS code**: 083349M
- **Duration**: 2 years
- **Entry February and September
- Estimated first year tuition**: A$36,480

- **Master of Educational Leadership**
- **Master of Environmental Management**
- **Master of International Relations**
- **Master of Journalism and Communication**
- **Master of Public Policy and Governance**
- **Master of Public Relations and Advertising**
- **Master of Translation**

**Note:** Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW credit average (65%), plus one year of relevant professional experience and an advanced level of bilingual proficiency.
Research Programs

**Master of Arts by Research**

- **Program code**: 2353
- **CRICOS code**: 08901C
- **Duration**: 1.5 - 2 years
- **Entry**: February and September
- **Estimated first year tuition**: A$34,080

*Entry requirements*
- An appropriate four-year bachelor degree with honours from UNSW, or a qualification at a level from a tertiary institution considered equivalent by the Faculty Higher Degree Committee.

**Master of Education by Research**

- **Program code**: 2354
- **CRICOS code**: 08904C
- **Duration**: 1.5 - 2 years
- **Entry**: February, June and September
- **Estimated first year tuition**: A$34,080

*Entry requirements*
- Entry requirements are as per Master of Arts by Research (2353).

**Master of Philosophy**

- **Program code**: 2364
- **CRICOS code**: 081259
- **Duration**: 1.5 - 2 years
- **Entry**: February
- **Estimated first year tuition**: A$34,080

*Entry requirements*
- A bachelor’s degree in a cognate discipline with credit average result (WAM 70).
- Applicants also have to submit a research proposal and find an available and suitable supervisor.

Entry requirements are as per Doctor of Philosophy in Creative Practice (1273).

**Doctor of Philosophy - Humanities**

- **Program code**: 1271
- **CRICOS code**: 07006G
- **Duration**: 3 - 4 years
- **Entry**: February, June and September
- **Estimated first year tuition**: A$34,080

*Entry requirements*
- Entry requirements are as per Doctor of Philosophy in Creative Practice (1273).

**Professional Doctorate - Public Policy and Governance**

- **Program code**: 1746
- **CRICOS code**: 08408M
- **Duration**: 3 years
- **Entry**: February and September
- **Estimated first year tuition**: A$34,080

*Entry requirements*
- A minimum two years post-qualifying professional policy practice experience within either the government, non-government, or private sectors; and
- A minimum two years post-qualifying professional social work association; and
- A minimum two years post-qualifying professional social work practice experience; and
- A demonstrated capacity for independent research under the guidance of a supervisor; and
- A masters (coursework) degree with a distinction average and a significant research component, minimum equivalent 18 UOC consisting of methodology training and a stand-alone research project.

**Doctor of Philosophy - Social Sciences**

- **Program code**: 1272
- **CRICOS code**: 07009E
- **Duration**: 3 - 4 years
- **Entry**: February, June and September
- **Estimated first year tuition**: A$34,080

*Areas of study*
- Australian Studies
- English
- Linguistics
- French
- Environmental Policy & Management
- International Studies & Global Transformation
- Health, Sexuality & Culture
- Japanese Studies
- Korean Studies
- Chinese Studies
- Indonesian Studies
- German Studies

- Urban policy makers
City Planning
Planning is an exciting, varied and progressive profession which plays a pivotal role in decisions shaping the future of cities and regions. Working with industry, government and practice partners, the City Planning programs provide an excellent platform to take up planning and urban policy-related career opportunities. The two-year, professionally accredited Masters degree allows you to choose one of four specialisations and comprises a research project or urban design study in addition to courses. Graduate Diploma and Graduate Certificate programs are also available.

Graduate Diploma in City Planning
Program code: S148
CRICOS code: 88355M
Duration: 1 year
Entry requirements
A recognised bachelor degree with a credit average or above (65%). Applicants who have achieved less than a credit average may be eligible for admission on a case by case basis.

Graduate Certificate in City Planning
Program code: T148
CRICOS code: 88357X
Duration: 0.7 years
Entry requirements
A bachelor degree with a credit average or above (65%). Applicants who have achieved less than a credit average may be eligible for admission on a case by case basis.

City Analytics
Smart cities, big data, virtual reality and other technologies are important in planning more sustainable, resilient cities. The City Analytics programs are designed to upskill the next generation of city data, analytics and modelling professionals. You will be able to contribute to the development of data-driven policy and decision making across our cities.

Master of City Analytics
Program code: B151
CRICOS code: 90388G
Duration: 1.7 years
Entry February and September
Estimated first year tuition: A$38,880

Master of City Analytics (Extension)
Program code: B152
CRICOS code: 90377G
Duration: 2 years
Entry February and September
Estimated first year tuition: A$38,880

Graduate Diploma in City Analytics
Program code: S151
CRICOS code: 90386G
Duration: 1 year
Entry February and September
Estimated first year tuition: A$38,880

Construction Project Management
The Master of Construction Project Management teaches modern management methodologies and how to apply these principles to complex buildings and infrastructure. You will develop proficiency to meet construction management challenges, now and into the future.

Master of Construction Project Management
Program code: B121
CRICOS code: 88591C
Duration: 1 year
Entry February and September
Estimated first year tuition: A$38,880

Entry requirements
A bachelor degree or equivalent in a relevant field such as building, construction management, construction economics, civil engineering, mining engineering, materials engineering, architecture, landscape architecture, interior architecture, urban planning, quantity surveying, property development, real estate law, or business with a credit average (65%); an undergraduate degree in any field with a credit average (65%) plus three years of construction industry experience at a management level; or a Graduate Certificate in Construction Project Management with a credit average (65%).

Additionaly, applicants who have met these requirements but also have an honours or masters degree with a credit average (65%) in a relevant field, or an honours degree with a credit average in an unrelated field plus 3 years construction industry experience at a managerial level may be eligible for 24 UOC of advanced standing (course credit).
Landscape Architecture

**Master of Landscape Architecture**

Program code: 8136
CRIOS code: 094952G
Duration: 3 years
Entry: February and September
Estimated first year tuition: A$33,888

**Entry requirements**

- The minimum requirement for all students is a bachelor degree with a credit (65%) or above average. Students must also submit a digital portfolio of design work.

- The Master of Landscape Architecture is a three-year program with three entry points, depending on their prior study areas. Students may complete the degree requirements in one, two, or three years. The program is 144 UOC in total, but some students with relevant degree backgrounds may be eligible for up to 96 UOC transfer. There are three streams.

- Stream B caters to students from cognate backgrounds, including architecture and urban design. These students may receive 48 UOC for recognition of prior learning (RP) and are required to complete the two-year, 96 UOC program. Students must submit a portfolio and a personal statement.

- Stream C caters to students who have completed a Bachelor of Landscape Architecture from an accredited program. These students may be granted 96 UOC for recognition of prior learning (RP) and are required to complete one year of study. Students must submit a portfolio and a personal statement.

- Stream A caters to students from a non-design background. These students are required to complete the three-year, 144 UOC program. Students must submit a portfolio and a personal statement.

- If you're looking to study landscape architecture, there is no better "laboratory" than the Sydney region. During the Master of Landscape Architecture, you will work with leading academics and practitioners in landscape architecture as well as city planning and urban design to explore issues of common concern.

Property and Development

**Master of Property and Development**

Program code: 8137
CRIOS code: 036804A
Duration: 1.7 years
Entry: February and September
Estimated first year tuition: A$33,888

**Entry requirements**

- The dynamic range of courses in the Master of Property and Development will provide you with the principles of property development and investment, and the know how to apply them across different phases of the industry cycle.

- Entry requirements: A bachelor degree or equivalent in a relevant field such as building, construction management, construction economics, civil engineering, mining engineering, materials engineering, architecture, landscape architecture, interior architecture, urban planning, quantity surveying, property development, real estate, or business with a credit average (65%) or better performance, or an undergraduate degree in any field with a credit average (65%) plus three years of property industry experience at a management level, or a Graduate Certificate in Property Development with a credit average (65%).

- Additionally, applicants who have met these requirements but also have an honours degree or masters degree with a credit average (65%) in a related field, or an honours degree with a credit average (65%) in any field plus 3 years property industry experience at a managerial level may be eligible for 24 UOC of advanced standing (course credit).

- Professional accreditation: The program has been approved by the Australian Property Institute (API).

Sustainable Built Environment

**Master of Sustainable Built Environment**

Program code: 8132
CRIOS code: 028654R
Duration: 1.7 years
Entry: February and September
Estimated first year tuition: A$33,888

**Entry requirements**

- A minimum four-year bachelor degree or equivalent from a recognised tertiary institution in a relevant field such as the Built Environment disciplines in related areas such as environmental science or engineering is required for admission to the masters program. All applicants must have achieved a minimum of a credit average (65%) or above in their bachelor degree.

- Additionally, where an applicant does not hold a four-year bachelor degree, admission may be permitted into the Graduate Diploma in Sustainable Built Environment.

Graduate Diploma in Sustainable Built Environment

**Program code:** 8132
CRIOS code: 028654X
Duration: 1 year
Entry: February and September
Estimated first year tuition: A$33,888

**Entry requirements**

- A three-year bachelor degree with a credit average (65%) or above in a relevant field such as the Built Environment disciplines or related areas such as environmental science or engineering.

- Applicants will be required to undertake an interview as part of their application for entry into the program.

- In exceptional circumstances, we will consider relevant professional experience of at least five years. Roles include building designer, environmental planner, construction project manager, environmental/sustainability project officer, building sustainability/energy efficiency assessor, or built environment consultant with an environmental/sustainability focus. Applicants will need to demonstrate they have achieved the same knowledge and skills (learning outcomes) through their formal or informal learning as the qualifications listed for entry for this program.

Urban Development and Design

The Master of Urban Development and Design is a multidisciplinary, studio-based degree, which includes a compulsory field trip and workshop in a major international city. It aims to prepare you for new practice frontiers or a higher degree. Using Sydney as a case study, the Extension element of the Master of Urban Development and Design (Extension) provides you with a critical understanding of design techniques for burgeoning cities and older urban regions facing structural change.

**Master of Urban Development and Design**

**Program code:** 8131
CRIOS code: 017538D
Duration: 1.7 years
Entry: February
Estimated first year tuition: A$38,880

**Entry requirements**

- A recognised four-year bachelor degree with a credit average (65%) or above in a relevant discipline such as architecture, landscape architecture, interior architecture, planning, construction, property development, civil engineering, or a recognised three-year undergraduate degree with a credit average (65%) or above in Architectural Studies, or a completed Graduate Certificate in Built Environment (7133) with a credit average (65%) or above.

- All applicants must submit a portfolio.

- For more information visit [handbook.unsw.edu.au/postgraduate/programs/current/8133](http://handbook.unsw.edu.au/postgraduate/programs/current/8133)

**Professional accreditation**

Graduates are eligible for membership to the Urban Design Chapter of the Planning Institute of Australia (PIA).

**Master of Urban Development and Design (Extension)**

**Program code:** 8141
CRIOS code: 087294D
Duration: 2 years
Entry: February
Estimated first year tuition: A$38,880

**Entry requirements**

- A recognised four-year bachelor degree with a credit average (65%) or above in a relevant discipline such as architecture, landscape architecture, interior architecture, planning, construction, property development, civil engineering, or a recognised three-year undergraduate degree with a credit average (65%) or above in Architectural Studies, or a completed Graduate Certificate in Built Environment (7133) with a credit average (65%) or above.

- All applicants must submit a portfolio.

- For more information visit [handbook.unsw.edu.au/postgraduate/programs/current/8141](http://handbook.unsw.edu.au/postgraduate/programs/current/8141)

**Professional accreditation**

Graduates are eligible for membership to the Urban Design Chapter of the Planning Institute of Australia (PIA).
BUILT ENVIRONMENT

The dynamic range of courses in the Master of Urban Development and Design at UNSW covers foundational study in the field of Urban Development and Design. You will take four courses to prepare you for the Master of Urban Development and Design, including Architecture and the Urban, Regional, Planning, and Urban Design Graphics.

Entry requirements: The Graduate Certificate in the Urban Development Program (24 UOC) offers foundational study in the field of Urban Development and Design for non-cognitive disciplines. A recognised four-year degree in any discipline with a credit average (65%) or above. Applicants with a relevant bachelor degree in the following fields may be eligible to apply directly for the B111 Master of Urban Development and Design (Extension) program:

The higher degree research program at UNSW Built Environment, comprising Master of Philosophy, Masters by Research and PhD, provides the opportunity to shape the cities of the future and to improve the lives of people who live and work in them.

Our students enjoy a vibrant research culture that covers a multitude of topics, from design and construction to the policy and planning needed to support and promote innovation.

The higher degree research program benefits from a cohort drawn from almost every continent across the globe, focusing on tackling pressing environmental and societal challenges under the supervision of world-class academics and researchers, as well as leaders in the built environment professions.

Interdisciplinary clusters bring together teams working on important and emerging areas of built environment research, where we aim to engage, adapt and shape the cities of the 21st century – but always in a way that puts the planet and its people first.

Research areas:
- Building: Construction Management and Project Planning, Building Science and Techniques, Quantity Surveying, Real Estate, Property and Development
- Design Practice and Management: Design History and Theory, Design Innovation, Design Management and Studio and Professional Practice, Digital and Interaction Design, Industrial Design

Research clusters:
- The Faculty’s research clusters are cross-disciplinary coalitions of staff and postgraduate research candidates organised around identifiable and emerging research strengths. Through engagement on common projects, publications and workshops, they capitalise on the synergies of individual research interests.
- Design Research Collaboration
- High Performance Architecture
- People and Place
- Smart Cities
- Urban Typologies

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 for further information or contact us on international.admissions@unsw.edu.au.

- Management accountants
- Management consultants
- Marketing, advertising and brand managers
- Portfolio managers
- Risk managers
- Social Entrepreneurs
- Stockbrokers
- Strategic marketers
- Strategic planners
- System analysts
- Taxation specialists
Big data has disrupted the skills and knowledge required of employees across functions to deliver value to their organisations. You’ll develop the technical expertise needed to pursue the role of an actuarial analyst, as well as other roles in the broader financial services industry. You can also strengthen your actuarial training. The Master of Actuarial (Extension) adds four courses to the Master of Actuarial Studies, allowing you to study advanced actuarial and risk management topics.

Professional recognition
Students who successfully complete this program will be eligible to gain exemptions for the Foundation and part of the Associate program of the Institute of Actuaries Australia, and recognised for exemptions for core technical subjects (CT 1–6) of the Institute and Faculty of Actuaries (UK), and for VEE from the North American Society of Actuaries. The School of Risk and Actuarial Studies is also recognised as a Center of Actuarial Excellence by the Society of Actuaries.

Entry requirements
A recognised bachelor degree (or equivalent qualification) in actuarial studies, econometrics, mathematics, or statistics with a credit average (65% or higher). For further assessment criteria visit business.unsw.edu.au/proc.

Recognition of Prior Learning
May be granted based on previous studies in actuarial studies (bachelor or higher) and professional examinations.

The Master of Actuarial Studies is designed for students with a strong background in actuarial studies, economics, mathematics or statistics.

You’ll develop the technical expertise needed to pursue the role of an actuarial analyst, as well as other roles in the broader financial services industry. You can also strengthen your actuarial training. The Master of Actuarial (Extension) adds four courses to the Master of Actuarial Studies, allowing you to study advanced actuarial and risk management topics.

Professional recognition
Students who successfully complete this program will be eligible to gain exemptions for the Foundation and part of the Associate program of the Institute of Actuaries Australia, and recognised for exemptions for core technical subjects (CT 1–6) of the Institute and Faculty of Actuaries (UK), and for VEE from the North American Society of Actuaries. The School of Risk and Actuarial Studies is also recognised as a Center of Actuarial Excellence by the Society of Actuaries.

Analytics
Big data has disrupted the skills and knowledge required of employees across functions to deliver value to their organisations. The demand for professionals with analytics capabilities who can skilfully apply data-driven decisions is increasing exponentially. UNSW Business School has introduced a suite of online analytics programs to meet this demand.

Graduate Certificate in Business Analytics

Master of Business Administration

Scholarships
AGSM offers a range of scholarships for exceptional candidates who demonstrate leadership potential, academic ability and a commitment to their community.
Master of Business Administration (Extension)

Program code: 8557
CRICOS code: 08548E
Duration: 2.7 years
Entry: AGSM Session 1 (January)

- A strong undergraduate degree (or equivalent qualification) and a minimum of 2 years professional or managerial work experience, or;
- At least six years of professional work experience.

Graduate Certificate in Change Management

Program code: 7315
Duration: 0.8 year (online only program)
Entry: February, June, September
Estimated first year tuition: A$10,920

The Graduate Certificate in Change Management is delivered completely online and is designed to help you influence organisational change, both through your own actions and those of others. You will develop a critical understanding of group and team dynamics and be able to apply the learning immediately with job-specific solutions to current business problems.

Graduate Certificate in Strategic Management

Program code: 7417
Duration: 0.5 years
Entry: February, June and September
Estimated first year tuition: A$21,680

The AGSM Graduate Certificate in Strategic Management is designed to develop practical insights into organisational transformation.

You will be provided with skills to understand and define the answers to fundamental business processes, problems and transformations. The program examines the strategic role and organisational value of digital technologies, including digitally enabled innovation, digital ecosystems, and digital transformation and disruption, to realise business value potential.

The AGSM Graduate Certificate in Strategic Management is a complete stand-alone qualification that can be undertaken as a pathway to an AGSM MBA degree.

Entry requirements
A recognised undergraduate degree (or equivalent qualification) and a minimum of 2 years professional or managerial work experience, or at least six years professional work experience.

All applicants must meet the University’s English requirements regardless of nationality or residency.

Graduate Certificate in Leadership

Program code: 7416
Duration: 0.5 years
Entry: February, June and September
Estimated first year tuition: A$21,680

The AGSM Graduate Certificate in Leadership has been designed to develop effective, impactful and successful leadership in today’s complex and changing business climate.

You will develop an innovative leadership mindset, evolve critical thinking, lead change with purpose, and build a strong expertise for sound decision-making.

The program provides skills to help leaders make effective decisions, manage teams, think strategically, negotiate successfully and articulate solutions in a range of business contexts.

The AGSM Graduate Certificate in Leadership is a complete stand-alone qualification that can be undertaken as a pathway to an AGSM MBA degree.

Entry requirements
A recognised undergraduate degree (or equivalent qualification) and a minimum of 2 years professional or managerial work experience, or at least six years professional work experience.

All applicants must meet the University’s English requirements regardless of nationality or residency.

Graduate Certificate in Technology Management

Program code: 7418
Duration: 0.5 years
Entry: February, June and September
Estimated first year tuition: A$21,680

The AGSM Graduate Certificate in Technology Management is designed to align organisational and technology management fundamentals for individuals who wish to understand, analyse and adapt to today’s challenges.

You will develop a deep understanding of how to use data to create competitive advantages with innovative management, strategy and technology, to succeed in an increasingly complex market.

The program provides an introduction to several techniques that are relevant for managerial decision-making, such as data preparation, data analysis, data visualisation and data storytelling.

The Graduate Certificate in Technology Management is a complete stand-alone qualification that can be undertaken as a pathway to an AGSM MBA degree.

Entry requirements
A recognised undergraduate degree (or equivalent qualification) and a minimum of 2 years professional or managerial work experience, or at least six years professional work experience.

All applicants must meet the University’s English requirements regardless of nationality or residency.

Graduate Certificate in Digital Innovation

Program code: 7415
Duration: 0.5 years
Entry: February, June and September
Estimated first year tuition: A$21,680

The AGSM Graduate Certificate in Digital Innovation has been designed for individuals who wish to build and develop their strategic abilities around entrepreneurship and corporate innovation.

You will learn to re-imagine the way in which business is done through digital technology and to employ managerial innovations such as agile methods and insight generation and design thinking for creative problem framing and solving.

The program provides exposure to both the fundamentals of digital innovation and the practical aspects of identifying, evaluating and moving business ideas forward.

The Graduate Certificate in Digital Innovation is a complete stand-alone qualification that can be undertaken as a pathway to an AGSM MBA degree.

Entry requirements
A recognised undergraduate degree (or equivalent qualification) and a minimum of 2 years professional or managerial work experience, or at least six years professional work experience.

All applicants must meet the University’s English requirements regardless of nationality or residency.

UNSW BUSINESS SCHOOL

International students are not eligible for an Australian student visa for this program.

UNSW BUSINESS SCHOOL

International students are not eligible for an Australian student visa for this program.
**Commerce**

If you’re seeking expert knowledge in the field of business, the Master of Commerce is innovative, industry relevant and incorporates the latest thinking across industry and research. You can specialise by choosing from a range of disciplines to suit your interests and career aspirations. The Master of Commerce (Extension) program allows you to specialise in an additional business field.

A Graduate Certificate in Commerce is also available and includes four courses designed to equip you with foundational business knowledge, paving the way to a Master of Commerce.

**Areas of specialisation**
- Accounting
- Business Analytics
- Business Law
- Business Strategy
- Economics and Finance
- Enterprise Systems and Business Design
- Finance
- Financial Technology
- Global Sustainability and Social Impact
- Human Resource Management
- Innovation and Entrepreneurship
- International Business
- Management Accounting
- Marketing
- Marketing Analytics
- Organisation and Management
- Risk Management
- Supply Chain Management

**Professional recognition**
Depending on the specialisation chosen, the Master of Commerce meets the education requirement of various professional bodies including Australian Computer Society, Australian Human Resources Institute, Australian Securities and Investment Commission (RG146), and Chartered Institute of Management Accountants.

**Estimated first year tuition**
A$48,240

**Entry requirements**
There are three categories of entry into this program:

**Category A**
- A recognised honours degree (with a research thesis) in Economics with a second upper class (2.1) or better, or
- A recognised bachelor degree (or equivalent qualification) with a minimum overall average of 70%, as determined by the UNSW Postgraduate Coursework Entry Calculator, and
- A major (at least 7 courses) in economics; and
- Completed second or third year courses in microeconomics, macroeconomics, econometrics, and mathematical economics at a minimum average grade of 70% for these courses, or

**Category B**
- A recognised bachelor degree (or equivalent qualification) with a credit average (65% or higher) as determined by the UNSW Postgraduate Coursework Entry Calculator; and
- Substantial studies in intermediate level microeconomics, macroeconomics, and econometrics as well as mathematical and statistical methods within the bachelor degree; and
- A graduate certificate in Economics (equivalent to that offered at UNSW Business School) with a minimum overall average of 70%, as determined by the UNSW Postgraduate Coursework Entry Calculator.

**Category C**
- A recognised degree from an Australian university or equivalent overseas institution with a minimum overall average of 65. Prior learning will be recognised to potentially reduce the program duration.

**Economics**

The Master of Economics will allow you to acquire advanced knowledge in economics from one of the world’s leading business schools and develop critical thinking and analytical skills vital for advanced research. You will be able to choose electives that are tailored to your interests and your intended professional development.

A Graduate Certificate in Economics is also available, which offers a pathway into the Master of Applied Economics or the Master of Economics.

**Master of Economics**

**Program code** 8412
**CRICOS code** 055189E
**Duration** 1 year
**Entry February and September
Estimated first year tuition** A$48,240

**Entry requirements**
- A Bachelor Degree from an Australian University or equivalent overseas institution.
- For further assessment criteria go visit business.unsw.edu.au/pg

**Graduate Certificate in Economics**

**Program code** 7412
**CRICOS code** 088475A
**Duration** 0.7 years
**Entry February and September
Estimated first year tuition** A$24,120

**Entry requirements**
- A Bachelor Degree from an Australian University or equivalent overseas institution.
- For further assessment criteria go visit business.unsw.edu.au/pg

International students are not eligible for an Australian student visa for this program.
Finance

Master of Finance

Program code 8466
CRICOS code 08359J
Duration 1 year
Entry February, June and September
Estimated first year tuition A$48,240

Developed in consultation with experts in the finance industry, these programs expose you to the latest thinking and research in finance, taught by industry-leading academics and researchers.

Entry requirements
A recognised bachelor degree (or equivalent qualification) majoring in finance with a credit average (65% or higher) in the finance major, as well as a credit average overall, as determined by UNSW Business School.

For further assessment criteria go visit business.unsw.edu.au/pg

Financial Planning

Areas of specialisations
- Corporate Finance and Investment Banking
- Finance (General)
- Funds Management
- Financial Technology

Professional recognition
You may be eligible for Associate membership with the Financial Services Institute of Australasia (FISIA) on completion of this degree.

Note:
- The Master of Finance was accepted into the University Recognition Program of the CFA Institute. The courses you will study in this program are closely tied to professional practice and can help students prepare for the CFA examinations.

Graduate Diploma in Financial Planning

Program code 875259
CRICOS code 08409J
Duration 1 year
Entry February and September
Estimated first year tuition A$48,240

Entry requirements
A recognised bachelor degree (or equivalent) as determined by UNSW Business School and two years full time relevant work experience.

Graduate Certificate in Financial Planning

Program code 875260
CRICOS code 08413
Duration 0.7 years
Entry February and September
Estimated first year tuition A$24,120

Entry requirements
There are two categories of entry into this program:

Category A
A recognised bachelor degree (or equivalent qualification), as determined by UNSW Business School and at least 2 years full-time relevant work experience, or

Category B
Professionals without a bachelor degree can apply to the program if they have at least 4 years full-time relevant work experience and have completed some professional course or study.

Financial Technology

Master of Financial Technology

Program code 8431
CRICOS code 7435
Duration 2 years (online only)
Entry January, March, May, July, September and October
Estimated first year tuition A$36,180

Entry requirements
A recognised Bachelor degree (or equivalent qualification) majoring in computer science or software engineering.

The online programs are designed to equip students with the necessary skills to be able to respond to the technological revolution that the financial services industry has been experiencing.

You will learn how to innovate, evaluate, communicate and implement new ideas involving data and technology and gain insight into areas such as start-up management, tech disruption, tech tools, robo-advisory and portfolio optimisation.

The online programs are suitable for a range of ambitious professionals who are familiar with the finance industry – specifically, those with a finance background who want to improve their technical skills, as well as those with a technical background who are looking to develop potential applications in the financial services industry.

Graduate Diploma in Financial Technology

Program code 5433
CRICOS code 7273
Duration 1.4 years (online only)
Entry January, March, May, July, September and October
Estimated first year tuition A$24,120

Entry requirements
A recognised Bachelor degree (or equivalent qualification) with a credit average (65% or higher) in any of the following areas: business, commerce, information systems & technology management, information technology, computer engineering and software engineering.

Graduate Certificate in Financial Technology

Program code 7434
CRICOS code 8433
Duration 0.8 year
Entry January, March, May, July, September and October
Estimated first year tuition A$24,120

Entry requirements
An undergraduate degree in any discipline, or five years relevant work experience in a commercial or public service organisation related to banking, finance or technology.
International Business

Master of International Business

Gain an in-depth understanding of the key issues affecting the dynamic global business environment and become a successful business leader on the international stage. The Master of International Business is a comprehensive degree that will allow you to develop the ability to think globally and strategically, setting you up to become an effective and successful leader in the global business environment. This program is suitable for students with an undergraduate degree in any field.

Entry requirements

A recognised bachelor degree (or equivalent qualification) with a credit average (65% or higher). For further assessment criteria visit business.unsw.edu.au/pg

Recognition of Prior Learning

Up to four courses (24 UOC) may be awarded based on your previous business studies (bachelor or higher).

Professional Accounting

If you are a graduate seeking a career in accounting and want to gain expert knowledge and skills, the Master of Professional Accounting is for you. You will gain an excellent foundation in business with a strong accounting component, taught by industry experienced academics to gain professional recognition with leading accounting bodies.

The Master of Professional Accounting (Extension) follows the structure of the Master of Professional Accounting but adds four extra courses in your choice of electives to further your knowledge.

Professional recognition

Meets the educational requirements of peak professional accounting bodies including CPA Australia, Chartered Accountants Australia and New Zealand (CAANZ), ACCA (Accounting), and Institute of Public Accountants (IPA).

Master of Professional Accounting

Program code 8409
CRICOS code 85121J
Duration 1.7 years
Entry February, June and September
Estimated first year tuition A$48,240

Entry requirements

A recognised bachelor degree (or equivalent qualification) with a credit average (65% or higher). For further assessment criteria visit business.unsw.edu.au/pg

Recognition of Prior Learning

Up to four courses (24 UOC) may be awarded based on your previous business studies (bachelor or higher).

Master of Professional Accounting (Extension)

Program code 8415
CRICOS code 855635K
Duration 2 years
Entry February, June and September
Estimated first year tuition A$48,240

Entry requirements

A recognised bachelor degree (or equivalent qualification) with a credit average (65% or higher). For further assessment criteria visit business.unsw.edu.au/pg

Recognition of Prior Learning

Up to four courses (24 UOC) may be awarded based on your previous business studies (bachelor or higher).

Taxation

Master of Taxation

The Master of Taxation is a specialist degree designed to meet the growing needs of tax professionals and practitioners to deal with complex taxation issues involved in business decisions and transactions. It provides exposure to complex aspects of the discipline and a critical understanding of the Australian taxation system.

Entry requirements

A recognised bachelor degree (or equivalent qualification) in taxation, law, or commerce (excluding one taxation course) with a credit average (65% or higher), plus relevant professional work experience in professional services firms or government departments. For further assessment criteria visit business.unsw.edu.au/pg

Areas of specialisation

Applied Taxation: Contains the essential knowledge needed to provide effective tax advice as part of accounting, business management and advising work.

International Taxation: Develops an advanced international taxation knowledge base and advanced professional skills in the practical application of international tax.

Graduate Certificate in Taxation

Program code 7221
CRICOS code 018088
Duration 0.7 years
Entry February, June and September
Estimated first year tuition A$24,120

Entry requirements

There are two categories of entry into this program

Category A
A recognised bachelor degree (or equivalent qualification) in taxation, law, accounting or business as determined by the UNSW Business School.

Category B
A recognised bachelor degree (or equivalent qualification), as determined by UNSW Business School.

Note:

Courses in these degrees are delivered in a variety of modes: distance/online, face-to-face and intensive. If you intend to study these degrees by distance/online in your home country, no student visa is required. Otherwise, studying these degrees at UNSW Sydney requires a student visa.

Graduate Certificate in Regulation, Compliance and Governance

Program code 2455
CRICOS code 102632H
Duration 0.5 years
Entry February, June and September
Estimated first year tuition A$24,120

The Graduate Certificate in Regulation, Compliance and Governance is designed to provide students with the skills needed manage regulation, governance and compliance from the perspective of both regulator and regulated.

You will learn to identify key risks within regulated businesses and understand the challenges of both regulating and complying with the changing approaches to regulation.

The six-month program is based on four courses which explore the nature of regulation in a time of policy change.

Career opportunities

Compliance Officer, Financial Services Regulation, Governance, Risk Manager.

Entry requirements

A recognised undergraduate degree with an average grade of 60% or greater, or five years relevant work experience in a commercial or public services organisation, supervisory or management, banking, finance or marketing or other business-related positions.

Note:

I chose UNSW because it is one of the best universities in Australia. When employers know you have graduated from a prestigious university with a very good reputation, they will be more impressed.

- Jiang Zhu, China

Master of Professional Accounting
Social Impact
UNSW’s Social Impact programs focus on building the professional capacity of social managers and entrepreneurs across the corporate, government and not-for-profit sectors. They are designed to provide skills and knowledge in social entrepreneurship, innovation, investment and governance, enhancing understanding of the dynamics of the social economy. You will gain a deep understanding about how business, social enterprise, government, foundations and community organisations can work together.

Graduate Diploma in Social Impact
Program code 5357
CRICOS code 010187J
Duration 1 year
Entry February, June and September
Estimated first year tuition A$48,240

Entry requirements
The Graduate Diploma in Social Impact has three categories of entry:

Category A
A recognised bachelor degree (or equivalent qualification) with a credit average (65% or higher) as determined by the UNSW Postgraduate Coursework Entry Calculator, and at least 2 years full-time relevant work experience.

Category B
Professionals without a bachelor degree can apply to the program if they have at least 5 years full-time relevant work experience in government, corporate or not-for-profit sector.

Category C
Students completing the Graduate Certificate in Social Impact (with a minimum overall WAM of 65) are able to articulate into the Graduate Diploma of Social Impact with full course credit given. Applicants must have at least 5 years full-time relevant work experience in government, corporate or not-for-profit.

Graduate Certificate in Social Impact
Program code 7357
CRICOS code 018931J
Duration 0.7 years
Entry February, June and September
Estimated first year tuition A$24,120

Entry requirements
• A recognised bachelor degree (or equivalent qualification) with a credit average as determined by the UNSW Postgraduate Coursework Entry Calculator and a minimum of 2 years work experience, or
• Minimum of 5 years relevant work experience in government, corporate or not-for-profit sector.

Research Programs
UNSW Business School is internationally recognised for world-class research and our research degrees are an opportunity to expand knowledge in your chosen field.

You will be inspired to think profoundly and develop independent cutting-edge research. The higher degree research programs have been designed to equip candidates with the rigorous skills required for a future research career in the world’s elite institutions.

#1 Engineering faculty in Australia

Make a positive difference in the world through world-class education and research at Australia’s #1 Engineering faculty, rated five-stars for employability, teaching and research.*

Learn from the best

Access the world’s best facilities coupled with an exciting education experience at UNSW Engineering, with four subjects ranked in the top global 50*: Minerals and Mining, 4th in the world; Civil Engineering, 11th in the world, and 1st in Australia; Electrical Engineering, 35th in the world, and 1st in Australia; Chemical Engineering, 40th in the world.

Engage with industry

Be equipped with the skills needed to succeed in the real world. Join industry and student networking events and gain hands-on practical learning experiences that will empower you with professional knowledge and networks to build a successful career.

*QS World University Rankings by Subject, 2020
Biomedical Engineering

The Master of Biomedical Engineering aims to apply engineering principles to developing technologies and problem solving in a diverse range of health care related fields. Students with either a medical/biological science or engineering/physical science background who want to further their education in this unique area will benefit from this degree. A Graduate Diploma program is also available.

Graduate Diploma in Biomedical Engineering

Program code: 8660
CRICOS code: 000029F
Duration: 1.7 years
Entry: February and September
Estimated first year tuition: A$47,280

Entry requirements:
• A four-year Bachelor of Engineering degree with a minimum 65% average; or
• A four-year Bachelor degree in biomedical health-related discipline with honours (either embedded or as a single honours year) (minimum 65% average) and 2 courses of first-year university level mathematics or equivalent; or
• A graduate diploma in biomedical engineering, such as 5449 Engineering (Biomedical) offered by the QUT or the equivalent, with a minimum 65% average.

Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Cyber Security

The Cyber Security programs are designed to teach key skills that help provide safe and secure online experiences and fight against cybercrime.

You will gain a security engineering mindset to analyse current trends and anticipate the future of cybercrime. The programs explain how organisations should handle data in secure ways, teaches the fundamentals of privacy, and identifies the best practices for managing and responding to security risks in a rapidly changing global environment.

Master of Cyber Security

Program code: 8649
Duration: 2 years
Entry: January, March, May, July, September and October
Estimated first year tuition: A$35,460

Entry requirements:
• A completed Graduate Certificate in Cyber Security with a minimum 65% average or no fails; or
• A completed Diploma in Cyber Security with a minimum 65% average of no fails; or
• A recognised undergraduate degree in a cognate discipline (e.g. Business, Science or Engineering) with a minimum 65% average; or
• Four years relevant experience with demonstrated skills and ability in leadership.

Specialisations
• Management and Leadership specialisation
• Security specialisation
• Cybersecurity Engineering specialisation

Select from either the Management and Leadership specialisation or Security Engineering specialisation within this program to further develop your expertise and diversify your career options.

Engineering Science

The Master of Engineering Science features complex, open-ended enquiry-based projects in 25 specialisations. The degree is designed for engineers and graduates seeking to develop and expand their technical knowledge and skills in their area of expertise and to add to their engineering-management skills. A Graduate Diploma and Graduate Certificate in Engineering Science are also offered in numerous specialisations.

Specialisations
- The Masters and Graduate Diploma of Engineering Science are offered in the following specialisations (streams) including:
  - Biomedical Engineering (Masters only)
  - Chemical Process Engineering
  - Civil Engineering
  - Electrical Engineering
  - Energy Systems
  - Environmental Engineering
  - Food Process Engineering
  - Geotechnical Engineering & Geohazards
  - Geophysical Engineering (Masters only)
  - Manufacturing Engineering & Management
  - Mechanical Engineering
  - Nuclear Engineering
  - Petroleum Engineering*
  - Photovoltaics & Solar Energy
  - Project Management
  - Renewable Energy
  - Robotics (Masters only)
  - Space Systems Engineering (Masters only)
  - Structural Engineering
  - Sustainable Systems (Masters only)
  - Systems & Control (Masters only)
  - Telecommunications
  - Transport Engineering
  - Water Engineering: Catchments to Coasts
  - Water, Wastewater & Waste Engineering
  - Water Engineering (Masters only)
  - *Also available for distance study. Offshore international students are not eligible for an Australian student visa for this study mode.

Graduate Certificate in Engineering Science

Program code 6538
CRICOS code 88428M
Duration 2 years
Entry February, June and September
Estimated first year tuition A$47,288

Entry requirements
- A recognised four-year degree in a relevant discipline or an equivalent qualification from a recognised university or tertiary institution.
- An equivalent qualification from another recognised university or tertiary institution.
- Supplementary qualifications for those with relevant engineering experience in the upstream petroleum industry (i.e. the exploration, reservoir engineering, drilling and production of oil and gas). An entry interview may be required.

Graduate Diploma in Engineering Science

Program code 5341
CRICOS code 88427M
Duration 1 year
Entry February, June and September
Estimated first year tuition A$47,288

Entry requirements
- A recognised four-year degree in a relevant discipline or an equivalent qualification from a recognised university or tertiary institution.
- An equivalent qualification from another recognised university or tertiary institution.

Graduate Certificate in Petroleum Engineering

Program code 7343
CRICOS code 88276B
Duration 1 year
Entry February and September
Estimated first year tuition A$35,468

Entry requirements
- Entry into the Graduate Certificate in Petroleum Engineering can be via two pathways:
  - Entry pathway 1: A three- or four-year Bachelor of Engineering/Science degree in a relevant discipline or an equivalent qualification from a recognised university or tertiary institution with a minimum 65% average, or
  - Entry pathway 2: A recognised four-year Bachelor of Engineering/Science degree in a relevant discipline or a cognate discipline (such as chemical engineering or biochemistry), with an average mark of at least 65%, or
  - An equivalent qualification from a recognised university or tertiary institution.

Food Science

Food scientists and graduates wishing to advance their skills, as well as engineers seeking to move into food science, will work on a complex, open-ended research-based project as part of the Master of Food Science. Gain a deep understanding of the agrifood business and develop the ability to analyse food-science problems. A Graduate Diploma program is also available. For more information, visit degrees.unsw.edu.au

Master of Food Science

Program code 5837
CRICOS code 88242M
Duration 2 years
Entry February, June and September
Estimated first year tuition A$47,288

Entry requirements
- A 3 or 4-year Bachelor of Science or Bachelor of Engineering with a minimum 65% average (or equivalent) in a relevant discipline or an equivalent qualification from a recognised university or tertiary institution.

Graduate Diploma in Food Science

Program code 5837
CRICOS code 88242B
Duration 1 year
Entry February, June and September
Estimated first year tuition A$23,448

Entry requirements
- A four-year Bachelor of Science degree in Food Science with a minimum 65% average; or:
  - A Graduate Diploma in Food Science from UNSW with a minimum 65% average, or
  - An equivalent qualification from another recognised university or tertiary institution.

Graduate Certificate in Food Science

Program code 7317
CRICOS code 90263J
Duration 8.7 years
Entry February, June and September
Estimated first year tuition A$23,448

Entry requirements
- A 3 or 4-year Bachelor of Science or Bachelor of Engineering with a minimum 65% average (or equivalent) in a relevant discipline or an equivalent qualification from a recognised university or tertiary institution.

Specialisations
- Students must complete 24 UOC of courses to be eligible for the Graduate Certificate in Food Science.
- Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

International students are not eligible for an Australian student visa for this program.

The degree I chose is something between engineering and business and the opportunity to choose different courses was very good. I really like the flexibility and I can concentrate on the things I am interested in.

Marsel Rabaev, Russia
Master of Engineering Science
Information Technology

Information technology is moving quickly – the Master of Information Technology is your opportunity to be at the forefront of creating future technologies. The degree will train you to anticipate requirements and develop applications and services in areas such as networking, data mining and robotics. You can choose up to two majors. A Graduate Diploma in Information Technology is also available and is suitable for those with little or no computing background.

Specialisations
- Students must complete either one or two of the following streams:
  - Artificial Intelligence
  - Bioinformatics
  - Database Systems
  - Data Science & Engineering
  - E-Commerce Systems
  - Information Technology
  - Internetworking

Entry requirements
- A three-year undergraduate degree equivalent to a standard Australian bachelor degree in a discipline containing 3 courses of second-year university level mathematics or equivalent, and an average mark of 65% overall;
- Completion of the Graduate Diploma in Information Technology (5543) and a minimum 65% average or no fail/s;
- Completion of the Graduate Certificate in Computing (7543), and a 65% average achieved overall.

Note: Students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Graduate Diploma in Information Technology

Program code 5543
CRICOS code 86129K
Duration 1.7 years
Entry February, June and September
Estimated first year tuition A$47,288

Entry requirements
- A three-year undergraduate degree equivalent to a standard Australian bachelor degree in a discipline that included at least three courses of second-year university level mathematics or equivalent and a 65% average achieved overall;
- Completion of the Graduate Certificate in Computing (7543), and an average mark of 65% overall or no fail/s.

Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Graduate Certificate in Computing

Program code 7543
CRICOS code 05260E
Duration 0.7 years
Entry February, June and September
Estimated first year tuition A$23,648

Want to complete a short qualification in Computing? With the Graduate Certificate in Computing, you will study four advanced topics to complement or update your existing qualifications. Those with no Computing background can do four introductory courses before considering a higher qualification. You may be able to articulate to the Graduate Diploma in Information Technology.

Entry requirements
- A three-year undergraduate degree equivalent to a standard Australian bachelor degree and a minimum 65% average; or
- At least three years work experience in the area of science or engineering; or
- Other applications will be considered on a case by case basis based on a combination of education and work experience.

Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Mining Engineering

If you’re currently working in the mining industry, or planning a career change, the Master of Mining Engineering allows you to undertake advanced study in mining engineering and to choose one of two specialisations – Mine Geomechanics or Mine Management. Most courses can be studied on a part-time basis. A Graduate Diploma in Mining Engineering is also available.

Specialisations
- Mine Geomechanics
- Mine Management

Master of Mining Engineering

Program code 8335
CRICOS code 88428K
Duration 1.7 years
Entry February and September
Estimated first year tuition A$47,288

Entry requirements
- A recognised four-year (honours) degree in Mining Engineering, Engineering Geology, Civil Engineering, or Geotechnical Engineering. A minimum 65% average is also required and relevant professional experience is preferred but not essential.

Graduate Diploma in Mining Engineering

Program code 5335
CRICOS code 88428B
Duration 1 year
Entry February and September
Estimated first year tuition A$47,288

Entry requirements
- A recognised four-year degree in mining engineering or a related engineering or physical sciences discipline from a recognised institution with a minimum 65% average; or
- A three-year degree with a minimum 65% average plus a minimum of one year relevant industry experience
- A graduate certificate in mining from UNSW with a minimum 65% average and no course fail.

The School of Minerals and Energy Resources Engineering offers a Graduate Certificate in Mining Engineering (7335) to allow a more flexible entry mode for applicants who have limited tertiary qualifications.

Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Graduate Certificate in Mining Engineering

Program code 7335
CRICOS code 88428B
Duration 0.7 years
Entry February and September
Estimated first year tuition A$23,648

Entry requirements
- Entry pathway 1 – Relevant mining industry experience with vocational training. A minimum of 4 years of full-time relevant professional and/or responsibility in the mining industry; or
- Entry pathway 2 – A degree in other technical disciplines from a recognised institution. Other technical disciplines include Surveying, Accounting, Business, Economics, Information Technology/ Systems, Biology and Pharmacy for example. A minimum of 1 year relevant industry experience is essential for applicants with a three-year degree and is highly regarded for applicants with a four-year degree.

Entry is considered for each individual based on portfolios supporting the application, including details of relevant industry experience.

International students are not eligible for an Australian student visa for this program.

Engineering Postgraduate Admission Scheme (EPAS)

If you apply to UNSW Engineering for a Masters (Coursework) program and and don’t quite meet the minimum average mark requirement, don’t lose heart. You may still be able to enter the Masters (Coursework) program through the Faculty of Engineering’s Postgraduate Admissions Scheme (EPAS).

This scheme is an alternative pathway for engineering students applying for postgraduate coursework study. The process includes an interview and successful students will receive an offer for their chosen Masters program.

EPAS is currently only available for Masters coursework programs, not for Graduate Certificates or Diplomas. All applicants will be assessed for EPAS eligibility, and if you’re eligible to try for EPAS, we’ll be in touch. Please note that you must apply first for a Masters coursework program to be considered for EPAS.
UNSW Engineering offers two higher degree research programs, a Doctor of Philosophy (PhD) and a Master of Philosophy (MPhil) in Engineering. Both are available across all eight engineering Schools.

Candidates are required to undertake an original and critical research project that makes a significant contribution to existing knowledge of relevance both nationally and internationally. Each degree requires submission of a thesis embodying the results of an original investigation or design. Candidates carry out their research under the supervision of some of Australia’s leading researchers.

A$48,000

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 for further information or contact us on international.grs@unsw.edu.au.
Law

Immerse yourself in the real-world practice of law and learn from a school that is underpinned by an ethos of justice for all.

Join a top global Law School
Ranked the 14th law school in the world*, UNSW Law has been setting the pace as Australia’s leader in progressive and rigorous legal education and research for almost 50 years.

Employer reputation
We are ranked 15th in the world for Employer Reputation*, so you’ll graduate job-ready and highly sought-after by top Australian and international employers. Build a global experience into your degree through exchange, by undertaking one of our overseas elective courses or an internship abroad. Choose from more than 80 exchange destinations at leading law schools around the world.

Interactive teaching environment
Seminar-style classes give you the chance to ask questions, develop your ideas, grow your critical and analytical mind, and get to know your peers and lecturers. Be part of the student-focused, interactive teaching environments that pioneered Australian legal education.

Career outcomes

- Attorneys
- Barristers
- Chartered legal executives
- Community legal support
- Corporate and commercial law experts
- Cyberspace lawyers
- Environmental lawyers
- Foreign affairs specialists
- Human rights lawyers
- In-house legal counsel
- Intellectual property and copyright lawyers
- International business and economic law specialists
- Judges
- Litigators
- Patent attorneys
- Policy analysts
- Political advisors
- Pro bono legal advisors
- Public sector managers
- Refugee and displacement advocates
- Technology lawyers
- White collar crime lawyers
Practical Legal Training (PLT) is a requirement for those seeking admission to the legal profession in Australia. Graduates of the UNSW PLT program will be awarded a Graduate Diploma in Legal Professional Practice (GDLP).

UNSW’s innovative approach to PLT is designed to develop both practical skills and proficiency in the day-to-day practice of law and to ensure graduates don’t just satisfy the competency standards for entry level lawyers, but surpass them.

The program covers the skills required to be a legal practitioner in Australia. Practice content includes (but is not limited to) (Property, Commercial and Corporate), as well as electives in practice areas (Administrative Law, Banking and Finance, Criminal Law, Family Law, Employment and Industrial Relations, Will’s and Estates. A total of 40 day’s work experience forms part of the program, with opportunities to obtain placements in UNSW legal centres and clients.

Completion of the GDLP (a PLT program) is a legal requirement for admission as a lawyer in NSW.

Graduate Diploma in Legal Professional Practice

Program code: S213
Duration: 0.5 years
Entry: February and September
Estimated first year tuition: AU$9,880. (The indicative fee indicated is for the standard program. The indicative fee for the program with Practitioner is AU$9,580.)

Entry requirements
Candidates require a completed accredited academic qualification in law — either a Bachelor of Laws degree, a Juris Doctor degree, or an equivalent qualification from an Australian tertiary institution.

Academic qualifications from a jurisdiction outside Australia need to be assessed by the Legal Profession Admission Board (LPAB) before applying to undertake Practical Legal Training (PLT).

Important note for International Students
Please be advised that the program is not CRICOS approved. Prospective international students will require a valid visa other than a student visa (e.g. a temporary graduate visa) to be eligible to apply to this program. International students are advised to seek independent immigration advice about their visa options. Students based overseas also need to be aware that the face-to-face component of Skills in Practice is held on campus at UNSW and the mandatory workplace experience component (Workplace Experience 1) must be undertaken in Australia.

Professional recognition
This graduate diploma is accredited by the Legal Profession Admission Board.

For more information visit law.unsw.edu.au/plt

Law graduates will find this program appealing as it allows them to acquire a new field of legal knowledge for career change, career advancement or professional development. For non-law graduates, the acquired legal knowledge and skills will be particularly useful in understanding how the law works in their industry.

Specialisations
Students will be able to choose from eight areas of specialisation that reflect UNSW Law’s expertise and the latest developments in legal education and research:

- Chinese and International Business and Economic Law
- Corporate, Commercial and Taxation Law
- Criminal Justice and Criminology
- Dispute Resolution
- Environmental Law and Sustainable Development
- Human Rights Law and Policy
- International Law
- Media, Intellectual Property and Technology Law

Alternatively, students can do a generalist LLM and choose courses from across all of our specialisation areas. You will also have the option to enrol in up to two courses from other UNSW faculties.

For more information visit law.unsw.edu.au/master-of-law

Juris Doctor (JD)

The UNSW Juris Doctor (JD) is your pathway to admission to legal practice, as well as a wide range of law-related careers. It is designed for students who wish to pursue postgraduate studies in law but who don’t have an undergraduate degree in law, or who have a law degree from an overseas institution.

Entry requirements
A recognised bachelor degree or equivalent qualification in any discipline other than law, or a recognised non-Australian law degree.

Research

UNSW Law has particular research strengths in:

- Criminal Law, Criminal Justice and Criminology
- Environmental Law
- Human Rights
- Indigenous Peoples and the Law
- International Law and Global Governance
- Laws of the Asia Pacific
- Legal and Regulatory Theory
- Legal Education and Experiential Learning
- Private, Corporate and Commercial Law
- Public Law
- Socio-legal Studies
- Technology, Law and Innovation

Research programs

Doctor of Philosophy

Program code: 1738
CRICOS code: 06658D
Duration: 3 – 4 years
Entry: February, June and September
Estimated first year tuition: AU$4,440

Entry requirements
Recognised masters degree (including a substantial research component) with a minimum distinction average (75%), or a recognised bachelor degree with honours classes I, division I that includes a substantial research component, or a recognised three-year Juris Doctor degree (or equivalent) with a research component sufficient to allow assessment of research potential at the disciplinary level and where weighted average grades for the research component and the coursework results are at least equivalent to 75%, or an equivalent combination of academic and professional qualifications.

Program structure
The Doctor of Philosophy gives you the opportunity to undertake research in areas that have particular significance for you. You could acquire advanced specialist skills training to produce a thesis that provides evidence of independent thought and critical analysis. It requires a minimum of three years’ full-time study, completion of required units in research methods and submission of a thesis normally not exceeding 100,000 words (including footnotes).

Master of Laws in Research

Program code: 2440
CRICOS code: 06659E
Duration: 1.5 – 2 years
Entry: February, June and September
Estimated first year tuition: AU$4,440

Entry requirements
Completion of a recognised Bachelor of Laws degree with honours class I, division I that includes a substantial research component, or a recognised three-year Juris Doctor degree with a research component sufficient to allow assessment of research potential at the disciplinary level and where weighted average grades for the research component and the coursework results are at least equivalent to 75%, or an equivalent combination of academic and professional qualifications.

Program structure
This program requires a minimum of 1.5 years of full-time study, completion of required research methods and the preparation of a thesis (approximately 50,000 words including footnotes).

This program has compulsory Work Integrated Learning components.

This program provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 for further information or contact us on international-graduates@unsw.edu.au

Forensic Mental Health

Designed for mental health professionals - including medical practitioners, nurses and psychologists - the Master of Forensic Mental Health provides comprehensive training in forensic mental health. The online program is also open to members of the legal, policing and correctional professions. You will develop your capacity to assess and manage individuals from diverse backgrounds. Graduate Diploma and Graduate Certificate programs are also available.

Master of Forensic Mental Health

Program code: 6812
Duration: 1 year
Entry: February and September
Estimated first year tuition: A$31,440

Graduate Diploma in Forensic Mental Health

Program code: 5512
Duration: 8.8 years
Entry: February and September
Estimated first year tuition: A$32,380

Graduate Certificate in Forensic Mental Health

Program code: 7312
Duration: 8.7 years
Entry: February and September
Estimated first year tuition: A$20,850

Entry requirements
A bachelor degree in health, law, criminology, or other relevant discipline plus honours/postgraduate qualifications in one of those disciplines or two years professional experience in health, law, criminology, or other relevant discipline.

Health Data Science

The Master of Science in Health Data Science covers subjects from the comprehension of complex health issues, through data wrangling and management, machine learning and data mining, data analytics, and data modelling and communication. The degree is intended for those new to the field or already working and keen to develop their knowledge. Graduate Diploma and Graduate Certificate programs are also available.

Master of Science in Health Data Science

Program code: 6972
CRICOS code: 096225M
Duration: 1.7 years
Entry: February and September
Estimated first year tuition: A$47,280

Graduate Diploma in Health Data Science

Program code: 5372
CRICOS code: 096256K
Duration: 1 year
Entry: February and September
Estimated first year tuition: A$35,460

Graduate Certificate in Health Data Science

Program code: 8400
CRICOS code: 05916D
Duration: 1, 1.7 or 2 years
Entry: February, June and September
Estimated first year tuition: A$39,476

Entry requirements
• An undergraduate degree at a honours level (or above) in a cognate discipline; or
• A postgraduate qualification in a cognate discipline; or
• Completion of Graduate Diploma in Health Data Science (372); or
• Postgraduate qualification equivalent or higher than Graduate Diploma in Health Data Science (372) in a case-by-case basis.

Health Leadership and Management

The Master of Health Leadership and Management aims to promote health leadership in areas of strategic planning, policy and decision making. It emphasises understanding and meeting the challenges of safety and quality within current and emerging health service contexts. It is tailored to either the Australian health care system or developing health care systems. A Health Leadership and Management (Extension) is also available, as are shorter Graduate Diploma and Graduate Certificate programs. The program can also be taken as a double degree with Public Health, Global Health or Infectious Diseases Intelligence.

Master of Health Leadership and Management

Program code: 6981
CRICOS code: 059915E
Duration: 1 year
Entry: February, June and September
Estimated first year tuition: A$47,288

Entry requirements
• An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management (see list below)
• Relevant professional work experience includes but is not limited to positions involving the acquisition and handling of data (e.g. database manager or data analyst), and tertiary-level training, demonstrating capability in a cognate discipline & exhibit potential to pursue postgraduate level studies.

Master of Health Leadership and Management (Extension)

Program code: 8901
CRICOS code: 059915D
Duration: 0.7 years
Entry: February, June and September
Estimated first year tuition: A$39,476

Entry requirements
• Please see Master of Health Leadership and Management (6981)

Graduate Diploma in Health Leadership and Management

Program code: 5590
CRICOS code: 081240C
Duration: 1 year
Entry: February, June and September
Estimated first year tuition: A$39,476

Entry requirements
• Please see Master of Health Leadership and Management (6981)

Graduate Certificate in Health Leadership and Management

Program code: 7560
CRICOS code: 015016B
Duration: 0.7 years
Entry: February, June and September
Estimated first year tuition: A$23,440

Entry requirements
• Please see Master of Health Leadership and Management (6981)

International students are not eligible for an Australian student visa for this program.

International students are not eligible for an Australian student visa for this program if undertaken in online study mode.
**Master of Public Health/Health Leadership and Management**

Program code: 9047  
CRICOS code: 061598D  
Duration: 1.7 years  
Entry: February, June and September  
Estimated first year tuition: $47,280

The Master of Health Leadership and Management and Master of Public Health double degree provides essential knowledge and skills for both a career in population health and health leadership roles in health service delivery. The combination of degrees will give you sophisticated capabilities for leading in and managing complex health settings, including the capacity for improving health service outcomes.

**Entry requirements**
Please see Master of Health Leadership and Management (901).

---

**Master of Global Health/Health Leadership and Management**

Program code: 9044  
CRICOS code: 066416R  
Duration: 1.7 years  
Entry: February, June and September  
Estimated first year tuition: $47,280

The Master of Global Health and Master of Health Leadership and Management is a double degree providing you the knowledge and skills to carry out senior management and leadership roles in population, clinical and departmental health services. It is designed for those keen to work internationally in health departments, with non-government organisations (NGOs), and with international and bilateral aid agencies.

**Entry requirements**
Please see Master of Health Leadership and Management (901).

---

**Master of Health Leadership and Management/Infectious Diseases Intelligence**

Program code: 9041  
CRICOS code: 066203C  
Duration: 1.7 years  
Entry: February, June and September  
Estimated first year tuition: $47,280

The Master of Health Leadership and Management and Master of Infectious Diseases Intelligence double degree provides you with the advanced disciplinary knowledge and skills to undertake infectious diseases prevention and control and health services management roles in government, community and health service settings in Australia and internationally.

**Entry requirements**
Please see Master of Health Leadership and Management (901).

---

**Master Public Health/Health Leadership and Management (Extension)**

Program code: 8905  
CRICOS code: 08984J1  
Duration: 2 years  
Entry: February, June and September  
Estimated first year tuition: $47,280

The Master of Health Leadership and Management and Master of Public Health (Extension) double degree will help you to develop research skills in public health and gain the disciplinary knowledge to undertake infectious diseases, population health and health services management roles in government, community and health service settings in Australia and internationally.

**Entry requirements**
Please see Master of Health Leadership and Management (901).

---

**Master Global Health/Health Leadership and Management (Extension)**

Program code: 9058  
CRICOS code: 08985G  
Duration: 2 years  
Entry: February, June and September  
Estimated first year tuition: $47,280

By undertaking the Master of Global Health and Master of Health Leadership and Management (Extension) you will specialise in both Global Health and Health Leadership and Management, and complete a research project in Health Leadership and Management. The double degree meets a well-recognised need to strengthen public health, leadership and health management capacities within resource-constrained settings in global contexts.

**Entry requirements**
Please see Master of Health Leadership and Management (901).

---

**Infectious Diseases Intelligence**

The Master of Infectious Diseases Intelligence is designed to give stakeholders from any sector a better understanding of infectious diseases intelligence in the era of new and emerging disease threats. The program prepares graduates for a career in health emergencies, outbreak investigation, infectious diseases risk assessment and emergency response related to infectious diseases. Graduate Diploma and Graduate Certificate programs are also available. The program can also be taken as a double degree with Public Health, Global Health or Health Leadership and Management.

**Graduate Diploma in Infectious Diseases Intelligence**

Program code: 8362  
CRICOS code: 08923E  
Duration: 1 year  
Entry: February, June and September  
Estimated first year tuition: $35,468

**Entry requirements**
Please see Master of Infectious Diseases Intelligence (9362). This program articulates with a range of other master degrees, including in International Health.

**Graduate Certificate in Infectious Diseases Intelligence**

Program code: 7362  
CRICOS code: 081057  
Duration: 0.7 years  
Entry: February, June and September  
Estimated first year tuition: $23,648

**Entry requirements**
Please see Master of Infectious Diseases Intelligence (9362). This program articulates with a range of other master degrees, including in Global Health.

---

International students are not eligible for an Australian student visa for this program if undertaken in online study mode.
Global Health

Through our Global Health programs, you will gain expertise in a broad range of areas, based on real-life public health interventions across a wide range of populations and countries. You will examine relevant investigative methods, with evidence-based, culturally appropriate and cost-effective approaches to disease control, health promotion and health services development. A Master of Global Health (Extension) is also available, as are shorter Graduate Diploma and Graduate Certificate programs. The program can also be taken as a double degree with Public Health, Health Leadership and Management or Infectious Diseases Intelligence.

Master of Global Health

Program code 9048
CRICOS code 086957G
Duration 1 year (online option)
Entry February, June and September
Estimated first year tuition $47,280

Entry requirements
• An undergraduate degree in a field relevant to public health or health management (see list below)* and two years’ full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, MD), or
• An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management.*

Estimated first year tuition $47,280

Graduate Diploma in Global Health

Program code 9043
CRICOS code 0869604
Duration 1.7 years (online option)
Entry February, June and September
Estimated first year tuition $47,280

The Master of Public Health is widely recognised as essential if you want to work in population health, while the Master of Global Health is a sought after qualification relevant to international health priorities and settings. Combined, these programs provide you with the deep understanding required for a career in Global Health.

Estimated first year tuition $47,280

Graduate Certificate in Global Health

Program code 7367
CRICOS code 086958E
Duration 0.7 years (online option)
Entry February, June and September
Estimated first year tuition $42,540

Entry requirements
Please see Master of Global Health (9048).

International students are not eligible for an Australian student visa for this program.

Global Health

Master of Infectious Diseases Intelligence (Extension)

Program code 9062
CRICOS code 0818667
Duration 1.7 years (online option)
Entry February, June and September
Estimated first year tuition $47,280

Entry requirements
• An undergraduate degree in a field relevant to public health or health management and two years full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, MD), or
• An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management.*

International students are not eligible for an Australian student visa for this program.

Infectious Diseases Intelligence

Program code 9042
CRICOS code 089221G
Duration 1.7 years (online option)
Entry February, June and September
Estimated first year tuition $47,280

Entry requirements
Please see Master of Global Health (9048).

Master of Global Health/Infectious Diseases Intelligence

Program code 9064
CRICOS code 0818676
Duration 2 years (online option)
Entry February, June and September
Estimated first year tuition $47,280

Entry requirements
• An undergraduate degree in a field relevant to public health or health management and two years full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, MD), or
• An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management.

Public Health

The Master of Public Health will prepare you for education, research and service in all aspects of public health, by providing a sophisticated understanding of the multidisciplinary area of public health. You will acquire a deep understanding and skills for research, professional practice and further learning. A Master of Public Health (Extension) is also available, as are shorter Graduate Diploma and Graduate Certificate programs. The program can also be taken as a double degree with Health Leadership and Management, Global Health or Infectious Diseases Intelligence.

Master of Public Health

Program code 9045
CRICOS code 086956M
Duration 1 year (online option)
Entry February, June and September
Estimated first year tuition $47,280

Entry requirements
• An undergraduate degree in a field relevant to public health or health management (see list below)* and two years’ full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, MD), or
• An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management.*

Estimated first year tuition $47,280

Graduate Certificate in Public Health

Program code 7367
CRICOS code 086958E
Duration 0.7 years (online option)
Entry February, June and September
Estimated first year tuition $42,540

Entry requirements
Please see Master of Global Health (9048).

Specialisations
The following specialisations are available in the Master of Public Health program:
• Aboriginal Health and Wellbeing
• Health Economic Evaluation
• Health Promotion
• Infectious Diseases Epidemiology and Control
• International Health
• Primary Healthcare
• Public Security
• Quantitative Research Methods
• Social Research

International students are not eligible for an Australian student visa for this program.

Master of Public Health (Extension)

Program code 9046
CRICOS code 081957E
Duration 1.7 years (online option)
Entry February, June and September
Estimated first year tuition $47,280

International students are not eligible for an Australian student visa for this program if undertaken in online study mode.
Master of Public Health/Infectious Diseases Intelligence (Extension)

Program code: 9053
CRICOS code: 08984G
Duration: 2 years (online option)
Entry: February, June and September
Estimated first year tuition: $47,280

Entry requirements:
- An undergraduate degree in a field relevant to public health or health management and two years full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, M), or
- An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management.

Graduate Certificate in Public Health

Program code: 7368
CRICOS code: 02887E
Duration: 1 year (online option)
Entry: February and September
Estimated first year tuition: $23,640

Entry requirements:
- Please see Master of Public Health (9045).

Graduate Diploma in Public Health

Program code: 5587
CRICOS code: 02887G
Duration: 0.8 years (online)
Entry: February and September
Estimated first year tuition: $23,580

Entry requirements:
- Please see Master of Public Health (9045).

Reproductive Medicine

The Master of Reproductive Medicine will provide GPs, family planning practitioners and specialist gynaecologists who work in menopause and infertility with detailed knowledge of reproductive medicine. The program will give an advanced understanding of the ethical, social and professional aspects required to deliver a high standard of clinical care to patients. Graduate Diploma and Graduate Certificate programs are also available.

Master of Reproductive Medicine

Program code: 9065
Duration: 1 year (online)
Entry: February and September
Estimated first year tuition: $31,440

Entry requirements:
- An undergraduate degree in medicine, nursing, health or medical science and
- An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing, or health or medical science; or
- Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology), or
- 1 year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.

Graduate Diploma in Reproductive Medicine

Program code: 5588
Duration: 0.8 years (online)
Entry: February and September
Estimated first year tuition: $23,580

Entry requirements:
- An undergraduate degree in medicine, nursing, health, or medical science and
- An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing or health, or medical science; or
- Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology), or
- 1 year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.

Graduate Certificate in Reproductive Medicine

Program code: 7379
Duration: 0.7 years (online)
Entry: February and September
Estimated first year tuition: $15,720

Entry requirements:
- An undergraduate degree in medicine, nursing, health, or medical science and
- An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing or health, or medical science; or
- Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology), or
- 1 year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.
Women’s Health

The Master of Women’s Health Medicine will provide you with advanced knowledge and understanding of the ethical, social and professional aspects required to deliver a high standard of clinical care in the expanding and diverse field of women’s health medicine. Courses will provide an evidence-based and practice-centred approach to this field of study. An online Graduate Certificate program is also available.

Master of Women’s Health Medicine

Program code 9014
Duration 1 year (online)
Entry February and September
Estimated first year tuition A$31,440

Entry requirements
An undergraduate degree in medicine, nursing, health, or medical science and:
• An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing or health, or medical science; or
• Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology); or
• 1 year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.

Graduate Certificate in Women’s Health Medicine

Program code 7014
Duration 8.7 years (online)
Entry February and September
Estimated first year tuition A$15,720

Entry requirements
An undergraduate degree in medicine, nursing, health, or medical science and:
• An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing or health, or medical science; or
• Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology); or
• 1 year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.

Science

Think big and form deeper connections with our world. Explore areas of science that prepare you with the skillsets needed for tomorrow’s workforce.

Top 50 in the world
The brightest minds converge to learn, explore and discover at UNSW Science, with five subjects ranked in the global top 50 including Psychology 22nd; Environmental Studies 23rd; Earth & Marine Sciences 31st; Mathematics 36th; and Materials Science 42nd.

*QS World University Rankings by Subject, 2020

Research and teaching excellence
Driven by the ethos of collaboration, exploration and accomplishment, here you can access world-class laboratories, clinics and simulators that will equip you with the tools to explore new frontiers and make profound scientific discoveries to benefit society.

World-class education
Join a vibrant and welcoming community that prepares you for real-world challenges. Be taught by innovative, passionate and pioneering educators, and access high-profile industry partners. You will be equipped to achieve your career goals and make an impact.

Career outcomes
- Analytical chemists
- Astronomers
- Aviation consultants
- Biochemists
- Biomedical engineers
- Biomedical technicians
- Biotechnologists
- Botanists
- Climate scientists
- Clinical psychologists
- Data scientists
- Materials scientists
- Mathematicians
- Medical scientists
- Optometrists
- Pathologists
- Pharmacologists
- Physicists
- Pilots
- Psychologists
- Statisticians
- Vision scientists
- Wildlife biologists
International students are not eligible for an Australian student visa for this program.

Aviation

Developed in consultation with industry, the Master of Aviation Management provides managers and professionals with the skills and knowledge to succeed in contemporary aviation management. It is designed for students who have a degree and relevant industry experience. Students who do not have a degree but who have at least one year of relevant industry experience can enrol in the Graduate Diploma program. Both programs are taught entirely online.

Master of Aviation Management

Program code: 5741
Duration: 1 year (online)
Entry: February, June and September
Estimated first year tuition: A$39,600

Entry requirements

Minimum entry requirement is at least one year of relevant industry experience. Applicants with more experience may be eligible for advanced standing and complete the diploma in less time.

Data Science and Decisions

UNSW’s Data Science and Decisions programs are designed to produce professionals who are skilled in the manipulation and interpretation of large amounts of data. You will develop your data skills across three key areas - mathematics and statistics, computer science and economics - and be ready to meet the extraordinary demand from employers around the world for talented data scientists. The programs are taught by outstanding educators from the award-winning School of Mathematics & Statistics, the School of Computer Science and the School of Economics.

Master of Data Science and Decisions

Program code: 6059
CRICOS code: 091886
Duration: 2 years
Entry: February and September
Estimated first year tuition: A$46,200

Entry requirements

A Bachelor of Mathematics; or a Bachelor of Science with a major in mathematics, statistics or computer science; or a Bachelor of Data Science and Decisions; or a suitable cognate discipline degree as determined by the program authority. In addition, applicants must have sufficient mathematics and/or statistics and/or data science background as indicated by an average of 70% or above in appropriate Level II university courses.

Graduate Diploma in Data Science and Decisions

Program code: 5950
CRICOS code: 0918783
Duration: 1 year
Entry: February and September
Estimated first year tuition: A$46,200

Entry requirements

A Bachelor of Mathematics; or a Bachelor of Science with a major in mathematics, statistics or computer science; or a Bachelor of Data Science and Decisions; or a suitable cognate discipline degree as determined by the program authority. In addition, applicants must have sufficient mathematics and/or statistics and/or data science background as indicated by an average of 70% or above in appropriate Level II university courses.

Graduate Certificate in Data Science and Decisions

Program code: 7959
CRICOS code: 0930762
Duration: 0.7 years
Entry: February and September
Estimated first year tuition: A$23,100

Entry requirements

Completion of the Graduate Diploma in Data Science with an average mark of 65% or higher; or An undergraduate degree in Data Science or cognate discipline (e.g., Computer Science, Economics, Mathematics, Statistics) and have sufficient Data Science background as indicated by an average mark of 70% or above across three Level III courses in Mathematics and/or Statistics and/or Computer Science and/or Econometrics; or A recognised degree in a non-cognate discipline and have sufficient Data Science background as indicated by at least five years of experience in a data science or data analytics role.

Science Graduate Diploma (Research)

The Science Graduate Diploma (Research) aims to give you specialised knowledge and research training in disciplines within the Faculty of Science. The Biotech & Biomolecular Science specialisation provides you with the option to study courses like Marine Microbiology, Research techniques and Advanced Topics in Biotechnology and Biomolecular Sciences.

Entry requirements

To be accepted for admission into the program, students are typically expected to have a bachelor degree with a good pass in a related but not necessarily directly relevant discipline to their chosen area of study.

Science and Decisions

Graduate Diploma in Science and Decisions

Program code: 7866
Duration: 4 terms
Entry: February, June and September
Estimated first year tuition: A$22,320

Entry requirements

Applicants must have either a Bachelor degree in a bioscience related field or a Bachelor degree in a field unrelated to bioscience and a minimum of 2 years’ work experience in a bioscience related organisation. Applicants’ work experience will be assessed on a case-by-case basis.

Biotechnology and Biomolecular Sciences

Science Graduate Diploma (Research)

Program code: 5384
CRICOS code: 081526K
Duration: 1 year
Entry: February, June and September (entry is dependent on the availability of a suitable academic supervisor)
Estimated first year tuition: A$44,640

Entry requirements

A recognised three year bachelor degree in any area. Applicants with relevant bachelor degree and relevant industry experience may be eligible for advanced standing (also known as recognition of prior learning). More information can be found via degrees.unsw.edu.au/master-of-aviation-management.

Commercial Biotechnology

The online Graduate Certificate in Commercial Biotechnology is aimed at early to mid-career, science-trained professionals working in the Australian biotechnology industry. Learn how to translate intellectual property and manage the process for commercial potential across the regulatory and cultural complexities of global markets. Graduate with essential business skills and knowledge to succeed in contemporary decision-making techniques.

Graduate Certificate in Commercial Biotechnology

Program code: 7666
Duration: 4 terms part-time (online)
Entry: February, June and September
Estimated first year tuition: A$22,320

Entry requirements

Applicants must have either a Bachelor degree in a bioscience related field or a Bachelor degree in a field unrelated to bioscience and a minimum of 2 years’ work experience in a bioscience related organisation. Applicants’ work experience will be assessed on a case-by-case basis.

Data Science

Graduate Diploma in Data Science

Program code: 5646
Duration: 1.4 years (online)
Entry: January, March, May, July, September and October
Estimated first year tuition: A$34,140

Entry requirements

Completion of UNSW Graduate Certificate in Data Science with an average mark of 65% or higher.

Graduate Certificate in Data Science

Program code: 8864
Duration: 0.7 years (online)
Entry: January, March, May, July, September and October
Estimated first year tuition: A$23,100

Entry requirements

An undergraduate degree in Data Science or cognate discipline (e.g., Computer Science, Economics, Mathematics, Statistics) and have sufficient Data Science background as indicated by an average mark of 65% or above across three Level III courses in Mathematics and/or Statistics and/or Computer Science and/or Econometrics; or A recognised degree in a non-cognate discipline and have sufficient Data Science background as indicated by at least five years of experience in a data science or data analytics role.
Graduate Certificate in Data Science

Program code 7447
Duration 0.8 years (online)
Entry January, March, May, July, September and October
Estimated first year tuition A$22,980

Mathematics and Statistics

Master of Financial Mathematics

Program code 8161
CRICOS code 085879M
Duration 1.7 years
Entry February
Estimated first year tuition A$44,640

Financial planning, analysing business risks and managing investment portfolios – all these disciplines rely heavily on mathematical modelling. The Master of Financial Mathematics offers high-level training in the principles of modern finance and its mathematical foundations, stochastic analysis, risk assessment and relevant computational techniques.

Entry requirements
A Bachelor of Mathematics or a Bachelor of Science with a major in mathematics or statistics, and have sufficient mathematical/statistical background, as indicated by an average of 65% or above in level II mathematics/statistics university courses.

Master of Statistics

Program code 8759
CRICOS code 081808F
Duration 1.7 years
Entry February, June and September
Estimated first year tuition A$44,640

The Master of Statistics is the longest running program of its kind in Australia and will strengthen and deepen your knowledge of statistical science and develop your consulting and project writing skills. The program covers a wide range of statistical theory and practice and provides advanced training for aspiring statisticians and students seeking to complete higher research in statistics.

Entry requirements
A Bachelor of Mathematics or a Bachelor of Science with a major in mathematics or statistics, sufficient mathematical/statistical background, and an average above 65% in relevant level III year university courses.

Graduate Diploma in Mathematics and Statistics

Program code 5659
CRICOS code 028077D
Duration 1 year
Entry February, June and September
Estimated first year tuition A$44,640

Deepen the mathematics or statistics knowledge you gained in your undergraduate studies. The Graduate Diploma in Mathematics and Statistics is a flexible program intended to provide you with a degree involving a significant quantitative component. You can sample a variety of areas for specialisation in further study.

Entry requirements
A Bachelor of Mathematics or a Bachelor of Science with a major in mathematics or statistics, and have sufficient mathematical/statistical background, as indicated by an average of 65% or above in level II mathematics/statistics university courses.

Marine Science and Management

Master of Marine Science and Management

Program code 9271
CRICOS code 085467F
Duration 1.7 years
Entry February and September
Estimated first year tuition A$44,640

Materials Technology

Master of Materials Technology

Program code 8717
CRICOS code 085912A
Duration 2 years
Entry February, June and September
Estimated first year tuition A$44,640

Graduate Certificate in Mathematics and Statistics

Program code 7659
CRICOS code 085238A
Duration 0.7 years
Entry February and September
Estimated first year tuition A$22,320

Are you interested in a maths and stats degree with a significant quantitative element, such as Science, Engineering or Finance? If you want to consolidate your mathematical background for further studies, the Graduate Certificate in Mathematics and Statistics is a short program aimed at deepening your knowledge from undergraduate studies.

Entry requirements
A Bachelor of Mathematics or a Bachelor of Science with a major in mathematics or statistics, and have sufficient mathematical/statistical background, as indicated by an average of 65% or above in level II mathematics/statistics university courses.
Optometry and Vision Science

This program has compulsory Work Integrated Learning components

Research

UNSW has an outstanding cohort of higher degree research students drawn from within Australia and internationally, and many of our graduates have become world leaders in their respective fields.

---

**Optometry and Vision Science**

**Master of Optometry**

Program code: 3073
CRICOS code: 091120G
Duration: 1.7 years
Entry: February and September
Estimated first year tuition: A$40,800

The Master of Optometry program is designed to extend students' clinical skills, update and advance their knowledge in a range of clinical and theoretical areas of optometry and vision science. The program offers students opportunities to advance their disciplinary knowledge in areas including Ocular Disease, Contact Lenses, Visual Neuroscience, Occupational Optometry, Evidence-based Optometry, Community Eye Health and Myopia Management. The program provides a solid foundation for future career progression in clinical practice and is also a well-recognised channel into research opportunities at UNSW.

**Research**

UNSW has an outstanding cohort of higher degree research students drawn from within Australia and internationally, and many of our graduates have become world leaders in their respective fields.

---

**Psychology**

**Master of Psychology (Clinical)**

Program code: 8356
CRICOS code: 091934A
Duration: 2 years
Entry: February
Estimated first year tuition: A$44,640

Adult, adolescent and child clinical psychology is the focus of the two-year Master of Psychology (Clinical). The program also emphasises cognitive-behavioural approaches to the understanding and management of clinical programs. You will complete a research thesis on a topic relevant to clinical or abnormal psychology.

**Entry requirements**

An accredited four-year, or three-year plus a fourth year, APAC-accredited sequence in psychology, including a major research thesis, completed within the last 10 years with honours class 1 (85%), or upper second class honours (75%). Overseas qualifications must include a major research project and must be assessed by the Australian Psychological Society (APS). Admission is based on academic merit, two referee reports, and performance at an interview.

For detailed information about the application process please visit: psy.unsw.edu.au/future-students/postgraduate-coursework.html#apply

---

**Master of Psychology (Forensic)**

Program code: 8257
CRICOS code: 028068E
Duration: 2 years
Entry: February
Estimated first year tuition: A$44,550

Over two years of the Master of Psychology (Forensic), you will study courses that cover psychological assessment, intervention in and applications of forensic psychology, professional and ethical practice, and law for psychologists. This program is primarily taught by the School of Psychology, with input from the School of Law.

**Entry requirements**

An accredited four-year, or three-year plus a fourth year, APAC-accredited sequence in psychology, including a major research thesis, completed within the last 10 years with honours class 1 (85%), or upper second class honours (75%). Overseas qualifications must include a major research project and must be assessed by the Australian Psychological Society (APS). Admission is based on academic merit, two referee reports, and performance at an interview.

For detailed information about the application process please visit: psy.unsw.edu.au/future-students/postgraduate-coursework.html#apply

---

**Graduate Diploma in Psychology**

Program code: 5331
Duration: 1.7 years (online)
Entry: January, March, May, July, September and October
Estimated first year tuition: A$44,640

The Graduate Diploma in Psychology enables graduates in other disciplines to complete an accredited three-year sequence in Psychology in 1.7 years, allowing them to progress to further accredited training in professional psychology. This program is delivered fully online and is accredited by The Australian Psychology Accreditation Council (APAC).

This degree will provide you with a solid foundation in the principles of psychology, covering theoretical and contemporary issues with a focus on current empirical research. You will develop critical thinking and skills in analysis and research methods and gain an integrated and comprehensive education in the main discipline areas, including developmental, social, cognitive, biological, physiological, abnormal psychology and research methods.

**Entry requirements**

Students must hold an undergraduate bachelor's degree in any discipline or a higher university qualification.

Minimum entrance requirements for admission to UNSW Sydney also apply.
**Research programs**

**Master of Science by Research**

- **Aviation** (1900)
- **Climate Science** (1476)
- **Biotechnology** (1036)
- **Biological Science** (1435)
- **Biochemistry & Molecular Genetics** (1410)

**Entry requirements**
- An appropriate four-year bachelor degree with Honours from UNSW, or a tertiary qualification at a level considered equivalent by the Faculty Higher Degree Committee.

**Master of Philosophy - Science**

- **Program code**: 2475
- **CRICOS code**: 005927B
- **Duration**: 1.5 - 2 years
- **Entry**: February, June and September
- **Estimated first year tuition**: A$45,600

**Entry requirements**
- An appropriate bachelor degree in the relevant discipline from UNSW at a level specified by the Faculty Higher Degree Committee, or a qualification from a tertiary institution at a level considered by the Faculty Higher Degree Committee to be equivalent.

**Doctor of Philosophy/Master of Psychology**

- **Program code**: 935180
- **CRICOS code**: 028106D
- **Duration**: 4 years
- **Entry**: February
- **Estimated first year tuition**: A$45,600

**Entry requirements**
- An accredited four year, or three year plus a fourth year, APA-accredited sequence in psychology, including a major research thesis, completed within the last 10 years with honours class 1 (85%), or upper second class honours (75%). Overseas qualifications must include a major research project and must be assessed by the Australian Psychological Society (APS). Admission is based on academic merit, two referee reports, and performance at an interview.

**Professional Doctorate - Clinical Research in Optometry**

- **Program code**: 1747
- **CRICOS code**: 93584K
- **Duration**: 3 - 4 years
- **Entry**: February, June and September
- **Estimated first year tuition**: A$45,600

**Entry requirements**
- A minimum 1 year post-qualifying professional experience in clinical practice;
- A demonstrated capacity for independent research under the guidance of a supervisor at the doctoral level (as defined by the UNSW Higher Degree Research Admissions and Pathways Guideline Version 1.0 Effective 15 October 2014); and
- A first or upper-second class (distinction) honours degree in Optometry or in a cognate discipline.

For detailed information about the application process please visit psy.unsw.edu.au/future-students/postgraduate-research/how-apply
UNSW Canberra

Access UNSW’s outstanding teaching quality and reputation for research excellence to achieve the outcomes you seek.

Global connections
Join a network that includes some of the most influential people in Australia. Take advantage of UNSW Canberra’s deep links with industry, government and a highly connected alumni network.

Leading experts
Our teaching academics are leading experts in their field, drawing on strong academic backgrounds with many years of experience. Many are leaders in their field, both nationally and internationally.

Flexible learning
UNSW Canberra offers fully online, flexible masters programs study options for our postgraduate coursework student, and excellent facilities and a supportive and stimulating environment for our postgraduate research students.

Career outcomes

Business, Humanities, and Social Sciences
- Advocacy specialists
- Business analysts
- Communication specialists
- Community development organisers
- Criminologists
- Development specialists
- Digital media specialists
- Diplomats
- Editors
- Foreign correspondents
- Government advisors
- Journalists
- Linguists
- Management consultants
- Media advisors
- Policy analysts
- Political advisors
- Public relations consultants
- Project managers
- Public sector managers
- Publishers
- Refugee and displacement advocates
- Research consultants
- School principals

Engineering, Information Technology, and Science
- Cyber security specialists
- Data analysts
- Data communication developers
- Defence contractors
- Engineers
- Information security managers
- Law enforcement specialists
- Logistics managers
- Management consultants
- Marine engineers
- Network consultants
- Project management consultants
- Project managers
- Research consultants
- Systems engineers
- Space engineers
- Space systems operators
- Technology and systems managers
- Weapons engineers

UNSW Canberra Postgraduate coursework programs

Courses within the Master by coursework programs at UNSW Canberra are delivered through distance mode (online), or a combination of distance (online) and intensive delivery mode (IDM). International applicants may undertake these programs as offshore international students. Offshore international students are not eligible for an Australian student visa, but may undertake intensive delivery mode courses on a visitor visa to Australia.

### Business

**Master of Business**
- **Program code**: 8388
- **Duration**: 1 year (online)
- **Entry**: March and July
- **Estimated tuition**: A$39,120

The Master of Business aims to develop excellent managers for the public, private and not-for-profit sectors including defence. It provides students with an advanced understanding of the concepts and principles that underpin effective management, business decision making and leadership as well as analytical skills they can use throughout their career.

**Capability**

**Master of Capability Management**
- **Program code**: 8390
- **Duration**: 1 year (online)
- **Entry**: March and July
- **Estimated tuition**: A$39,120

The Master of Capability Management gives students a high level of understanding of the issues associated with the development and management of capability and capability systems. It focuses on the technical and management factors that influence the design, performance, employability, logistic support and technical integrity of material systems to achieve capability requirements.

**Master of Decision Analytics**
- **Program code**: 8534
- **Duration**: 1 year (online with IDM options)
- **Entry**: March and July
- **Estimated tuition**: A$39,120

The Master of Decision Analytics is designed for students who want to develop a high-level understanding of the principles and practices of decision analytics and to strengthen their skills in this area. The degree allows students to acquire qualitative and quantitative decision-making tools for analysing complex operations environments and making appropriate decisions within those environments.

### Cyber Security

**Master of Cyber Security**
- **Program code**: 8628
- **Duration**: 1 year (online and IDM)
- **Entry**: March and July
- **Estimated tuition**: A$39,120

The Master of Cyber Security course provides detailed understanding of the technical skills and expertise needed for the technical implementation and leadership of the cyber security function. The degree provides principles gathered from information systems, systems engineering, computer science, network security and defence to enhance a career as a cyber security specialist.

Students can choose to complete the generalist Master of Cyber Security program or one of the following specialisations:
- Digital Forensics
- Advanced Tradecraft

**Master of Cyber Security Operations**
- **Program code**: 8629
- **Duration**: 1 year (online with IDM options)
- **Entry**: March and July
- **Estimated tuition**: A$39,120

The Master of Cyber Security Operations gives students a detailed understanding of the managerial and technical skills and expertise relevant to planning, operation and acquisition of the cyber security function. This degree provides principles gathered from information systems, cyber security, risk, management and governance and is for managers wanting to enhance their career in cyber security operations. Through UNSW’s PLuS Alliance partnership, our students have access to courses at Arizona State University (ASU) in the USA and King’s College in the UK.

### Engineering Science

**Master of Engineering Science**
- **Program code**: 8569
- **Duration**: 1 year (online with IDM options)
- **Entry**: March and July
- **Estimated tuition**: A$39,120

The Master of Engineering Science provides the opportunity to acquire high-level understanding and advanced analytical skills in areas that span the engineering disciplines as well as project management. There is strong emphasis on extending undergraduate skills and vocational experiences to enable graduates to apply high-level understanding to real-world complex engineering problems. It is a very flexible degree where students can acquire knowledge in different areas in engineering.

**Master of Systems Engineering**
- **Program code**: 8567
- **Duration**: 1 year (online with IDM options)
- **Entry**: March and July
- **Estimated tuition**: A$39,120

The Master of Systems Engineering will help you develop a high-level understanding of the principles and practices of systems engineering and their implementation through the design, development and application phases. You can specialise in electronic warfare, networking, space systems, test and evaluation, weapons and ordnance, marine engineering, simulation and reliability engineering.
Leadership and Policy

Master of Public Leadership and Policy

- Program code: 8633
- Duration: 1 year (online)
- Entry: March and July
- Estimated tuition: A$39,120

The Master of Public Leadership and Policy concentrates on exercising and enriching leadership in professional contexts ranging from government departments and statutory authorities, to educational bodies and training authorities, media organisations and advocacy groups. You will be able to combine courses focused on public leadership along with electives addressing broader issues related to local, national, and global policy.

Space

Master of Space Engineering

- Program code: 8622
- Duration: 1 year (online)
- Entry: March and July
- Estimated tuition: A$39,120

The Master of Space Engineering is designed for those who wish to develop a high-level understanding of the principles and practices of engineering related to space systems. You will obtain a grounding in the discipline of systems engineering, and apply that body of knowledge to space systems.

Public Leadership

Master of Public Leadership and Policy

- Program code: 8633
- Duration: 1 year (online)
- Entry: March and July
- Estimated tuition: A$39,120

The Master of Public Leadership and Policy covers advanced logistics planning strategies, logistics life-cycle management, inventory management, contingency forecasting, distribution and reverse logistics. It also develops students’ understanding of analytical tools and systems for information flow management, including big data analysis and business intelligence techniques.

Security and Defence Management

Master of Security and Defence Management

- Program code: 8573
- Duration: 1 year (online)
- Entry: March and July
- Estimated tuition: A$39,120

The Master of Security and Defence Management is designed for defence, security and foreign affairs professionals who wish to gain a more detailed understanding of the factors shaping the contemporary strategic and security environment, the complex policy challenges they present, and the skills and insights required of astute managers within this context.

Special Operations

Master of Special Operations and Irregular Warfare

- Program code: 8632
- Duration: 1 year (online with IDM options)
- Entry: March and July
- Estimated tuition: A$39,120

The Master of Special Operations and Irregular Warfare is aimed at military personnel and those in the security policy community, including security contractors, who would benefit from a better understanding of special operations as a military instrument. This is the only degree of its kind in Australia, and is developed by Special Operations Command personnel in conjunction with UNSW academics.

Strategy and Security

Master of Strategy and Security

- Program code: 8572
- Duration: 1 year (online)
- Entry: March and July
- Estimated tuition: A$39,120

The Master of Strategy and Security is designed for postgraduate scholars and foreign affairs, security and defence professionals who want to gain a deeper and more advanced understanding of the factors shaping the global and Asia-Pacific security and strategic environments, as well as the complex policy challenges presented by the Australian government’s new security agenda.

The Master of Logistics Management provides students with an opportunity to develop a detailed understanding of the managerial and technical skills and expertise relevant to planning, acquisition and sustainment of complex technology and systems over their life cycles. You will also develop ability to procure capability according to organisational strategy and to develop appropriate implementation and sustainable plans.

Operations

Master of Sustainment and Support

- Program code: 8624
- Duration: 1 year (online with IDM options)
- Entry: March and July
- Estimated tuition: A$39,120

The Master of Sustainment and Support provides an opportunity to develop a detailed understanding of the factors shaping the contemporary strategic and security environment, the complex policy challenges they present, and the skills and insights required of astute managers within this context.

The Master of Logistics Management covers advanced logistics planning strategies, logistics life-cycle management, inventory management, contingency forecasting, distribution and reverse logistics. It also develops students’ understanding of analytical tools and systems for information flow management, including big data analysis and business intelligence techniques.

The Master of Strategic People Management is designed to develop middle managers, particularly in people management. This degree provides you with an understanding of systems theory and its implications for implementation. As a manager you will then be better able to interpret organisational strategy and develop appropriate, people-focused implementation plans.

The Master of Project Management provides students with an understanding of and advanced analytical skills in the key areas required to manage projects. There is a strong emphasis on extending skills and knowledge and vocational experiences to enable graduates to apply their high-level understanding to real-world problems within any industry.

International students are not eligible for an Australian student visa for this program.
UNSW Canberra Higher Degree Research Programs

Students who would like to undertake a more thorough exploration of a field or topic can go through a higher degree research program. Higher degree research programs at UNSW Canberra include the Professional Doctorate, Master of Philosophy, Masters by Research, and Doctor of Philosophy (PhD). The major component of a higher degree research program is a substantial written work (a thesis), which investigates a particular subject or issue. A research student works more independently than a postgraduate coursework student, but is under the direction of an academic supervisor or a supervisory panel of academic staff. Offshore international students are eligible for an Australian student visa.

Full details on all research programs, applications, scholarships and support services can be found at: postgraduate-research.unsw.edu.au

Research programs

Master of Arts by Research
Program code 2406
CRICOS code 08572Q
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,968

Entry requirements
- An appropriate four-year UNSW Bachelor degree with lower second honours or higher;
- An equivalent qualification from a tertiary institution, as determined by the Faculty Higher Degree Committee (HDC);
- An equivalent qualification from a tertiary institution, as determined by the Higher Degree Committee (HDC).

Master of Business by Research
Program code 2223
CRICOS code 0935570
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,968

Entry requirements
- An appropriate four-year UNSW Bachelor degree with lower second honours or higher;
- An equivalent qualification from a tertiary institution, as determined by the Faculty Higher Degree Committee (HDC);
- An equivalent qualification from a tertiary institution, as determined by the Higher Degree Committee (HDC).

Master of Engineering by Research
Program code 1743
CRICOS code 88576R
Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$36,968

Entry requirements
- An appropriate UNSW Bachelor degree or an equivalent qualification from another tertiary institution; and
- Completion of qualifying program (Masters with discipline specific) to an approved standard (Distinction average or better); and
- Professional experience.

Master of Philosophy
Program code 1749
CRICOS code 88575E
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,968

Entry requirements
- An appropriate four-year UNSW Bachelor degree with lower second honours or higher;
- An equivalent qualification from a tertiary institution, as determined by the Faculty Higher Degree Committee (HDC).

Professional Doctorate - Information Technology
Program code 1743
CRICOS code 88576R
Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$36,968

Entry requirements
- An appropriate UNSW Bachelor degree or an equivalent qualification from another tertiary institution; and
- Completion of qualifying program (Masters with discipline specific) to an approved standard (Distinction average or better); and
- Professional experience.

Professional Doctorate - Project Management
Program code 1742
CRICOS code 88577K
Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$36,968

Entry requirements
- An appropriate UNSW Bachelor degree or an equivalent qualification from another tertiary institution; and
- Completion of qualifying program (Masters with discipline specific) to an approved standard (Distinction average or better); and
- Professional experience.

Professional Doctorate - Public Leadership
Program code 1739
CRICOS code 88585G
Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$36,968

Entry requirements
- An appropriate UNSW Bachelor degree or an equivalent qualification from another tertiary institution; and
- Completion of qualifying program (Masters with discipline specific) to an approved standard (Distinction average or better); and
- Professional experience.

Professional Doctorate - Systems Engineering
Program code 1741
CRICOS code 88576C
Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$36,968

Entry requirements
- An appropriate UNSW Bachelor degree or an equivalent qualification from another tertiary institution; and
- Completion of qualifying program (Masters with discipline specific) to an approved standard (Distinction average or better); and
- Professional experience.

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 for further information or contact us on international.grs@unsw.edu.au.
Applying is easy.

Step 1
Choose your program
Choose your program at international.unsw.edu.au or from UNSW’s International Student Guide and make a note of the program code.

Step 2
Check your entry requirements
You need to satisfy your chosen program’s entry requirements (see from page 34 for the requirements specific to your program). You also need to satisfy UNSW’s English language requirements (see page 116 and visit unsw.edu.au/elp).

Step 3
Submit your application online
Submit your application at UNSW Apply Online apply.unsw.edu.au. Click ‘Register now’ and fill out your details. Upload your supporting documents and pay your application fee.

Step 4
Track your application
Once you have submitted your application you will be able to easily track its progress via your Apply Online account. You will also be able to upload any additional documents we need.

Once you have provided all the necessary documentation, it should take two to three weeks for UNSW to assess your application.

Step 5
We will send you a letter of offer
We will notify you of the outcome of your application via email. If your application is successful, you will receive a full offer, or a conditional offer if more steps are required. If you are receiving assistance with your application, your nominated agent will also receive a copy of the email.

Step 6
Accept your offer
If you receive a full offer, you will also receive an email with a link to your personalised offer page. Your page will guide you through the process of accepting or deferring your offer. Once you have accepted and paid your deposit, you will receive an electronic confirmation of enrolment (eCoE).

Step 7
Enrol online
Once enrolment for your degree is available, you can enrol in your degree and courses online at Accept Online acceptonline.unsw.edu.au

Need help?
If you have any questions regarding your application, go to enquiry.unsw.edu.au

Other ways to apply
You can also apply to UNSW at a conference or event where we are present, or through a UNSW agent located in your country. Find out more at international.unsw.edu.au

Application deadline
We encourage you to submit your completed application as early as possible to ensure it will be processed in time for your preferred term. Some high-demand programs, such as Engineering and faculties with limited places such as Medicine, may have an earlier application deadline or may have an earlier commencement date.

For more information go to applyonline.unsw.edu.au

A wide range of scholarships are available for international students.

**UNSW postgraduate coursework scholarships**

UNSW scholarships for international students provide financial support to cover some of the costs associated with studying at Australia’s global university. Scholarships recognise students who demonstrate academic achievement or other outstanding qualities such as leadership skills or contributions to the wider community.

To be considered for a scholarship, you must submit a separate application in addition to your admission application for UNSW.

**Other scholarship providers**

There are many scholarships offered by organisations other than UNSW including the Australian government, industry partners, and organisations in your home country.

**Australian government scholarships**

Australia Awards are international scholarships and fellowships funded by the Australian government offering the next generation of global leaders an opportunity to undertake study, research, and professional development. For more information, go to [australiawards.gov.au](http://australiawards.gov.au).

Please check our website regularly for any new scholarships that may become available.

For more information about UNSW Scholarships go to: [scholarships.unsw.edu.au](http://scholarships.unsw.edu.au).
Higher Degree Research

UNSW is one of the world’s leading research universities, known for innovative, pioneering research that has global impact.

By enrolling in a UNSW Higher Degree Research program, you will join a vibrant community conducting world-changing research, and you will be supervised by leading experts in your field.

You will live and work like a career researcher at every stage of your degree. You can publish, teach or travel; network with or be mentored by high achievers in your field; and build the skills, expertise and networks you need to succeed in the future.

Why UNSW?
UNSW prepares you for a research career, not just a degree. When you join UNSW, you become an essential part of the research community and play a vital role in the University’s research culture, output and performance.

Our world-class researchers are pioneers in both established and emerging fields who solve complex problems and tackle some of the major challenges of our time. They will mentor and guide you to conduct innovative research in an environment of excellence.

UNSW Sydney’s research facilities are some of the best in the business. From the world-leading Lowy Cancer Research Centre to the Mark Varndell Analytical Centre, we invest in the latest technologies, spaces and equipment to support research excellence across all disciplines.

Applying is easy.

Step 1
Check your eligibility and complete the HDR self-assessment at selfassessment.research.unsw.edu.au.

Step 2
Choose a research area by investigating the research activities and projects already being undertaken at UNSW, and identify a faculty or school that aligns with your area of interest.

Visit research.unsw.edu.au/finding-supervisor.

Step 3
Find a supervisor working in your research area and get in touch with them to gain their agreement to supervise you. Please note, some faculties require an Expression of Interest instead. Please check specific requirements at research.unsw.edu.au/finding-supervisor.

Step 4
Work with your supervisor to develop a description of your research interests, which should be approximately one page in length and outline how you plan to address a specific problem.

Step 5
Prepare your supporting documents - supervisor’s agreement, research proposal, resume, academic transcripts, financial declaration and proof of English – ready for submission.

Visit research.unsw.edu.au/submit-application.

Step 6
Submit your application online and apply for any relevant scholarship at the same time.

Visit applyonline.unsw.edu.au.

Research scholarships.

A wide range of scholarships are available for international students.

Scholarships

UNSW offers a wide range of prestigious scholarships. The scholarships provide benefits such as annual living stipends and tuition fee cover, as well as funding and supplements for travel.

Eligibility

Full scholarships are only available to applicants who hold a four-year bachelor degree with Honours Class 1 from an Australian institution, or an equivalent research qualification/ experience. This qualification must be in a field relevant to your area of research.

Apply

You can apply for a scholarship within your online research degree application.

Available scholarships

The UNSW scholarships available to international students are:

Australian Government Research Training Program (RTP) International Scholarship

Based on outstanding academic merit and research potential, these awards provide successful applicants undertaking a PhD or research masters with a tax-exempt living stipend in addition to covering tuition fees for 3.5 (for PhD) or 2 (for masters) years. The RTP also provides some additional allowances.

University International Postgraduate Award (UIPA)

Based on outstanding academic merit and research potential, these awards provide successful applicants undertaking a PhD or research masters with a tax-exempt living stipend in addition to covering tuition fees for 3.5 (for PhD) or 2 (for masters) years. The UIPA also provides some additional allowances.

Tuition Fee Scholarship (TFS) plus a Research Stipend

Based on outstanding academic merit and research potential, these awards provide successful applicants undertaking a PhD or research masters with a tax-exempt living stipend provided by the faculty, school or supervisor, in addition to covering tuition fees for 3.5 (for PhD) or 2 (for masters) years.

UNSW and home country joint scholarships

Available to students from China, Pakistan and Chile. Visit research.unsw.edu.au/unsw-home-country-joint-scholarships for more information.

UNSW Scientia PhD Scholarship scheme

These prestigious scholarships are based on research merit, research potential, global impact and social engagement, and potential for career development. These awards provide successful applicants undertaking a PhD with a tax-exempt living allowance and an annual development support package, in addition to covering tuition fees for 4 years.

University International Postgraduate Award (UIPA)

Based on outstanding academic merit and research potential, these awards provide successful applicants undertaking a PhD or research masters with a tax-exempt living stipend in addition to covering tuition fees for 3.5 (for PhD) or 2 (for masters) years. The UIPA also provides some additional allowances.

Tuition Fee Scholarship (TFS) plus a Research Stipend

Based on outstanding academic merit and research potential, these awards provide successful applicants undertaking a PhD or research masters with a tax-exempt living stipend provided by the faculty, school or supervisor, in addition to covering tuition fees for 3.5 (for PhD) or 2 (for masters) years.

UNSW and home country joint scholarships

Available to students from China, Pakistan and Chile. Visit research.unsw.edu.au/unsw-home-country-joint-scholarships for more information.

UNSW Scientia PhD Scholarship scheme

These prestigious scholarships are based on research merit, research potential, global impact and social engagement, and potential for career development. These awards provide successful applicants undertaking a PhD with a tax-exempt living allowance and an annual development support package, in addition to covering tuition fees for 4 years.

The Scientia PhD Scholarship scheme has a different application process and eligibility criteria to other UNSW scholarships. For more information on how to apply for a Scientia Scholarship, please visit 2025.unsw.edu.au/apply/?interest=scholarships.

UNSW and home country joint scholarships

Available to students from China, Pakistan and Chile. Visit research.unsw.edu.au/unsw-home-country-joint-scholarships for more information.

UNSW English Pathways

What is an English pathway?
UNSW Global’s English pathway courses are designed to help you improve your skills so you can meet the UNSW English language entry requirements. They also prepare you for success at university and in your global career.

If you want to study an academic pathway program, or an undergraduate or postgraduate degree, there’s an English pathway for you.

Why Study an English Pathway at UNSW Global?
- Study at Australia’s first university languages centre
- Learn from 50 years of experience in language teaching
- Join over 4,000 students who study the courses each year
- Access world-class university facilities and social surroundings and study at UNSW Sydney campuses

Depending on your current level of English, there are different English pathway courses available to you.

University English Entry Course
UNSW Global’s University English Entry Course (UEEC) is designed specifically to help you meet the UNSW English language entry requirements. There are 10, 15, and 20-week courses available, depending on your level of English.

See the table below to find which option is for you.

Why study the University English Entry Course (UEEC)?
- Improve your academic English language, literacy and digital skills, giving you a strong head start at UNSW.
- Get direct entry to UNSW – 90% of UEEC graduates progress to UNSW.
- Prepare for university with UEEC - gain a range of learning skills, research and writing processes, access academic information and UNSW’s learning resources.
- Explore a wide range of global topics and issues through lessons and tasks that are based on authentic university lectures and readings.
- Develop collaborative and independent learning skills through hands-on, supportive lessons.
- Receive individual feedback every week, so you know exactly what to practise and how to improve.
- Build your confidence and practise communication for real university situations while you get to know UNSW.

For more information, visit unswglobal.unsw.edu.au/ueec

Tertiary Orientation Program
If you have a full offer from UNSW and an IELTS 6.5 or equivalent, UNSW Global’s Tertiary Orientation Program (TOP) will help you prepare for Australian university culture, understand requirements and develop academic English skills to maximise your success. This 5-week course will develop your academic communication and literacy skills and improve your cultural awareness.

Why study the Tertiary Orientation Program?
- Develop and present strong academic arguments on issues in your field of study
- Develop skills to manage university assignments, and learn to use academic search tools and UNSW learning resources.
- Prepare for university by developing your listening skills, and improving the fluency and speed of your reading.
- Become an independent learner and build your confidence through a range of communication activities.

For more information, visit unswglobal.unsw.edu.au/top

In addition to English language courses we provide English language testing, teacher training and courses in a variety of other languages.

For more information, visit unswglobal.unsw.edu.au/english-language-courses

Because each student’s study choices are different, it is impossible to provide a definitive cost of studying at UNSW. Here are a few things to consider when calculating your expected fees.

**Fees are course-based**

Fees for international students are set according to the course (subject) and not the program. The fees reflect the relative cost of delivering the course and are calculated per unit of credit (UOC). For example, a science course is likely to cost more than an arts course. Therefore, your total tuition fees will vary depending on which courses you choose.

**Fees vary each year**

Fees for programs change from year-to-year. The tuition fees above are for students commencing in 2020 or 2021. For more information, visit [student.unsw.edu.au/fees](http://student.unsw.edu.au/fees).

**Fees are charged based on the year of commencement**

For example, if you start in Term 3 (September) 2020, the fees for the first term will be calculated at 2020 rates. Your second term will be calculated at 2021 rates. If you are required to complete a course again, you will be charged at the rate applicable to the year you re-take the course.

**Estimating your tuition fees**

Estimates for each program are outlined in the faculties and postgraduate programs section, starting from page 40. You can also calculate your own expected fees by referring to the table above.

</tbody>
</table>

Coursework program fees
A coursework masters program will require 48 units of credit (UOC) per year, a graduate diploma will require 36 or 48 UOC per year, while a graduate certificate requires 24 UOC. Most courses (subjects) are 6 UOC.

A typical postgraduate program will include courses from within the faculty offering the degree. However, if you do choose courses from outside your faculty, they will be charged at the rate set by that faculty. As an example, the course Environmental Impact Assessment will be calculated using the Faculty of Science rate, which is A$950 per UOC in 2020.

Research program fees
The tuition fees listed for research programs are for a standard full-time year of study, which is 48 UOC per year.

Some research degrees combine coursework with research. In this case, your research tuition fee covers the cost of these courses and you are not required to pay an additional fee.

Graduate diplomas by research are not classified as research degrees and fees are calculated using the value of individual courses undertaken.

For more information about the UNSW fees policy, including refund of fees and overpayments, visit student.unsw.edu.au/fees-policy-international-students

Other study-related costs
Some programs and courses have costs which are additional to the tuition fees, such as costs relating to laboratory kits, equipment, and field trips. Textbooks are not considered compulsory, but we recommend budgeting around A$1,000 per year for books.

An estimate of your total costs (tuition and other study-related costs) will be shown on your Confirmation of Enrolment Form (CoE) that will be issued on acceptance of an offer of admission to UNSW.

Living costs
Living costs vary depending on each student’s requirements. We estimate a single international student will need a minimum A$22,000 per year to cover general living expenses. This does not include the costs of large non-essential items like electrical equipment or a car. In addition, you will need at least A$2,000 when you arrive in Sydney to cover initial expenses such as a rental bond payment (security deposit), electricity, gas, and telephone connection fees, and basic furniture and household items.

For more information, visit study.unsw.edu.au/live-in-australia/living-costs

Overseas student health cover
If you are in Australia on a student visa you will need to pay for health insurance through the Overseas Student Health Cover (OSHC) scheme and maintain insurance for the duration of your visa.

All international students must be covered by health insurance from the date they arrive in Australia until the date they depart, regardless of when they start or complete their program. It is your responsibility to ensure your health insurance policy matches your arrival and departure dates.

The only exception is for students from Belgium, Norway, and Sweden who are covered by CSN or Kammarkollegiet. These students will need to provide proof of official health insurance cover from their home government provider.

There are five registered providers of OSHC
The five registered providers are Medibank Private (UNSW’s preferred overseas student health cover provider), Allianz Global Assistance, BUPA Australia, NIB Health Funds Ltd and Australian Health Management.

Medibank OSHC will pay benefits towards your medical and hospital treatment, medically necessary ambulance transport, and most prescription medicines. Be aware that there may be some exclusions for pre-existing conditions, and you may have to serve a waiting period to receive some services.

Some services are not covered by Medibank’s policies. These include optical, physiotherapy, dental, and some pharmaceuticals. If you want to be covered for these expenses, you will need to take out additional insurance.

US financial aid
We are authorised by the US Department of Education to administer Federal Direct Loans for eligible US students studying at UNSW. If you are eligible for this support, the UNSW Financial Aid Office will be able to help you with your application.

For more information, visit international.unsw.edu.au/for-us-students

International student loans
If you are from Canada, Sweden, Norway, Denmark, or the UK and have applied for a student loan or a grant from your home country, we can help you certify your enrolment at UNSW.

Please send the Certification Form to financialaid@unsw.edu.au

**Important information about Online/Distance Learning for Student Visa Holders & US Federal Direct Loan recipients**

UNSW prides itself on being able to offer you flexible study options when you plan your course enrolment. Typically your student visa, however, places certain limitations on the total number of Units of Credit (UOC) you can undertake online or by distance during your program and during each compulsory study period:

- 67% or more of your total program must be completed in a face-to-face setting
- You must enrol in at least one face-to-face course in each compulsory study period

If you are a US citizen or eligible permanent resident and are planning on using US Federal Direct Loans, typically you cannot undertake any online or distance courses to remain eligible for federal student aid.

Due to the COVID-19 situation the limitations on the total number of UOCs you can undertake online or by distance study have temporarily been relaxed for Student Visa Holders and US Federal Direct Loan recipients. UNSW will provide further updates once these temporary measures are lifted.

More information on UNSW’s response to COVID-19 is provided in the COVID – 19 Related Information for Future Students section of this Guide.

---

**Deferrals, suspensions and cancellations**

If you have a UNSW offer in a certain term and wish to defer (i.e. delay commencing to a future term), please visit [get started.unsw.edu.au/accept-or-defer-your-offer](http://getstarted.unsw.edu.au/accept-or-defer-your-offer) as soon as possible and before the commencement date stated on your offer. The University can suspend or cancel your enrolment for a number of reasons including misconduct, unsatisfactory academic progress. For more information please visit [student.unsw.edu.au/academic-progression-international-students](http://student.unsw.edu.au/academic-progression-international-students).

---

**COVID – 19 Related Information for Future Students**

While this is an uncertain time for us all, UNSW remains operational and dedicated to providing a world-class education for all our students. We’ve transitioned all courses to online teaching until further notice and have migrated many aspects of our campus community as possible into the virtual space.

As a potential applicant or offer holder, this means you can commence your studies with us no matter where you are in the world and then join us on campus again when it is safe to do so.

For more information on the special arrangements in place for students during COVID-19, including our plans to re-open our campus activity please visit [covid-19.unsw.edu.au/information-students/special-arrangements](https://covid-19.unsw.edu.au/safe-return-campus)

---

Some UNSW programs include practical placements and training which may be impacted by the COVID-19 situation and, in some cases, may not be able to be completed outside of Australia.

Practical or Work Integrated Learning requirements are identified in the International Student Guides.

If the degree program you are applying for has practical placements and training, please do contact futurestudents@unsw.edu.au to get more information about how these are being managed during COVID-19.

If you do commence your studies outside of Australia, you must travel to Australia once travel restrictions are lifted to complete the remainder of your program. UNSW recommends that you apply for a student visa as soon as possible. If your application for a student visa is refused and you are unable to complete your degree program you will be granted a refund of any unspent portion of your deposit. Note that no refund can be granted for tuition fees for courses already completed, or for courses you remain enrolled in after the census date.

**Compliance**

The Education Services for Overseas Students (ESOS) Act 2000 sets out the legal framework governing delivery of education to overseas students studying in Australia on a student visa. UNSW in providing education services to overseas students complies with the ESOS Framework and the National Code of Practice for Registration Authorities and Providers of Education and Training Overseas Students 2018 (The National Code).

A description of the ESOS framework can be found at the following link: [esos.gov.au/Regulatory-Information/Pages/regulatoryinforma.aspx](http://esos.gov.au/Regulatory-Information/Pages/regulatoryinforma.aspx)

---

**Disclaimer**

UNSW programs, courses and any arrangements for programs and fees including staff allocated, as stated in the guide or any other University publication, announcement or advice of the University, are an expression of intent only and are not to be taken as a firm offer or undertaking. The University reserves the right to make alterations to any matter contained within this publication without notice. Information in this Guide is accurate as of August 2020, but may be amended without notice by the University. All costs and fees are provided in Australian Dollars (A$). Any agreement with the University does not remove the right to take action under Australia’s consumer protection laws.

**International education**

Held just before the start of term, Orientation Week (or O-week as it is often known) is a great time to learn more about life on campus and make new friends. It’s jam-packed with activities and workshops to get you ready for life at UNSW.

You can take a tour of the campus, get involved in clubs, register for social sport and find out all about the opportunities available to you as a UNSW student.

So make sure you get along to O-Week to get yourself set up and ready to go on the first day of term.

Find out what it’s all about at [arc.unsw.edu.au/o-week](http://arc.unsw.edu.au/o-week)

**Campus tours**

Run all year round, our campus tours are guided by experienced Student Ambassadors who will give you a first-hand insight into the student experience at UNSW. To view our upcoming tour dates and register your attendance, visit [unsw.to/campus-tours](http://unsw.to/campus-tours)
