Live the dream and study in Sydney.
Sydney, one of the world’s best cities.

Sydney. It’s one of the best. And that’s not just according to us. It’s rated as the third most liveable city in the world*.

What makes it so great? Well, take a look. With a stunning harbour and year-round amazing weather, it’s easy to see why people fall in love with it. But Sydney is more than just a pretty face. It offers countless business and career opportunities, it’s Australia’s financial and economic powerhouse, plus it’s a multicultural, global city.

There’s always something to do in Sydney, and UNSW is right in the heart of it all. Come join in.

Feel safe and welcome.

G’day. Hello. Hi. How’s it going? Get used to Australians greeting you like this. It’s how we do it here. Aussies are known for being friendly and you’ll find a smile wherever you go. Plus, Sydney was ranked fifth safest city in the world in 2019**.

It’s a multicultural city full of people from all over the world. So, it will feel like a home away from home, no matter where you’re from. And the best bit about living in a multicultural city? The food. You can find any food you want here. There’s Chinatown, Spice Alley, Little Italy and an array of fresh food markets all within easy reach.

Bring your appetite. You’ll need it.

Jumpstart your career connections in the business capital of Australia.

Sydney is home to more global firms than any other Australian city. And as a gateway to Asian economies, you’ll find many valuable networking opportunities to help you stand out in the global job market.

Take a break from the books.

There’s always something fun and exciting happening in Sydney to take your mind off your studies - from concerts in the Opera House, to free events including Vivid light and musical festival, Chinese New Year celebrations and the multicultural Parramatta.

Or if you’re more into sport, there are top class sporting events including cricket, soccer, and rugby. We even have our own football here called Aussie Rules.

For the more artistic visitors, there are eclectic theatre productions, local and international music acts, and arts and culture exhibitions to keep you entertained and inspired all year round.

And if you just want a cup of coffee and a quiet place to sit, Sydney’s café culture is hard to beat.

Get amongst the fun in Sydney.

Jumpstart your career connections in the business capital of Australia.

Sydney on a budget.

On a budget? No worries. There are lots of affordable indoor and outdoor activities to enjoy in Sydney. Pop into a free art gallery, catch a movie at the local cinema, set off on a coastal walk, snorkel or surf at the beach, or enjoy a budget-friendly lunch or dinner in one of our neighbouring suburbs.

Explore Sydney’s surrounds.

Sydney is all about the outdoors. And it’s more than just beaches.

Grab a picnic and head to one of the beautiful public parks for a barbecue with friends. Or if you’re up for a daytrip or weekend adventure, the Blue Mountains to the west of Sydney, the Royal National Park to the south or stunning Palm Beach in the north are great for a getaway. And of course, there are those beautiful beaches to the east.

Fall in love with Sydney.

Live in the heart of it all.

UNSW has the best of Sydney right at its doorstep. The city centre and its global businesses are just a short light rail trip away. Or if you need a break from the books, the beaches at Bondi and Coogee are not far from campus. Up for some sightseeing? The famous Sydney Opera House and Sydney Harbour Bridge are so close you can see them as many times as you like.

Plus, there are plenty of food options off-campus with Chinatown, Thai Town, Spice Alley and more only a bus ride away.

All this and more is easy to get to thanks to Sydney’s public transport system. There are trains, buses, ferries and light rail at all hours of the day. And if you want to make the most of this beautiful city, jumping on a bike or walking will help you take it all in at your own pace.

But what about getting to the main campus? Easy. There’s a new Light Rail network that’s making it even easier to get to UNSW. Plus, there are 1,700 buses to and from Central station every week.

Make the most of your time in Sydney.

The UNSW campus is in the Eastern Suburbs of Sydney and many students choose to live by the beach in Coogee, Clovelly, Maroubra or iconic Bondi Beach. UNSW is a commuter campus, so, the majority of local and international students live off campus. Sydney is a safe, accessible and vibrant city, with public transport connecting the UNSW campuses to nearby beaches and the city centre.

**On Campus Colleges**
Both affiliated and UNSW Colleges provide a choice of full-board, partly catered and self-catered style accommodation. There are male-only and female-only options, as well as mixed male and female accommodation. Most colleges cater for dietary requirements like halal, kosher and vegetarian.

**On Campus Apartments**
Affiliated and UNSW Apartments offer independent-style, self-catered living for students. Costs vary depending on the number of rooms and the location.

**Off Campus Student Accommodation**
Sydney has several accommodation providers who specially cater to students. Accommodation is located around Sydney – generally around 20-50 minutes by public transport from the UNSW campus. These options offer high-quality rooms with air conditioning and extra services. Look for Iglu and Urbanest.

**Applications**
Details on how to apply will be sent to you after you’ve been accepted into a Study Abroad or Exchange program. There is one application portal for UNSW Colleges and Apartments, but separate processes for the affiliated and private providers.
Rental property
Furnished and unfurnished flats and houses are also available to rent in the suburbs around UNSW Sydney. Depending on the location, number of rooms and general condition of the property, rent will vary considerably. For example, rental prices for a two-bedroom flat may vary between A$380 and A$550 per week. When renting a flat or house, renters are usually required to sign a six-month lease. A bond of four weeks’ rent is payable before you move in. Wifi, gas and electricity are usually not included.

Temporary accommodation
If you haven’t confirmed your university accommodation before you arrive, we recommend you allow three to four weeks before classes begin to look for private housing to give you time to settle in and attend orientation sessions. Be sure to book short-term accommodation first, then look for long-term options in person. Short-term accommodation can include private hotels, motels, hostels, lodges or furnished apartments ranging from A$45 to A$300 per day.

Under 18s
Arrangements must be made for students under 18 years of age. These requirements are in line with Australian Government regulations for the care and welfare of international students under 18.
