A Group of Eight university

Uncover your potential with UNSW Sydney
Become an employable graduate

From pathways to your degree and beyond, UNSW is career-focused education. From the very first step we equip you with skills, opportunities and support so you can excel well into your future. That’s why our graduates now work with some of the most enviable employers and global organisations, such as Google, Unilever, Ernst & Young, Microsoft, Rio Tinto, HSBC, Slater & Gordon, NASA, UNESCO and Oxfam.

Develop your flexible, long-term career plan
Studying at UNSW you can turn to our experts for professional advice and learn how to seize opportunities throughout your career. We will help you:
- Recognise and build on your professional strengths.
- Identify your opportunities and plan a career path.
- Think critically and creatively for lifelong career success.

Make an impact with employers
Your knowledge, skills and experience combine to demonstrate why a company should hire you. You will learn how to express your professional best with:
- Internships and practical experiences integrated into your studies.
- Development of a strong online presence, as well as improved résumé and cover letter writing skills.
- The ability to understand and respond to complex interview questions.

Connect with mentors to support your success
With professional development woven into your studies, you will be inspired by influential people and build networks with future employers. Take advantage of:
- Personalised career mentoring that offers connections, support and insights.
- Introductions to exciting companies at industry networking events.
- Internships and experiences that build your confidence and reputation.

UNSW prepares you for lifelong career success

"Coming out of uni there was so many transferable skills like being a good communicator, a team member, presenting well, these kind of skills that you’ve built up over the years studying here [UNSW] are so easily transferable into the workforce."

– Catherine Hu, UNSW Business School Alumna and Customer Solutions Manager for TikTok

"You can make this happen
UNSW Careers supports you with expert personalised career planning, mentoring and job seeking skill development.
For more information, visit careers.unsw.edu.au
Work Integrated Learning at UNSW builds practical work experience opportunities like internships into your degree.
For more information, visit wil.unsw.edu.au"
Let your interests guide you

Passionate about equality and social fairness? Enjoy working with numbers? Or are you more interested in innovation and new solutions? Whatever your interests are, you can turn them into a thriving career with a UNSW degree. UNSW Global’s programs help you get into the right UNSW degree, and give you the English language, study and social skills you need to thrive at university.

Complete a Diploma Program to go directly into Second Year of a degree in Architecture, Commerce, Computer Science, Engineering, Media or Science.

Or go into First Year of any UNSW degree when you complete a Foundation Studies Program or Transition Program Online. Choose a stream of study – from Commerce or Actuarial Studies to Design and Physical or Life Sciences.

Let your passion guide you to a UNSW degree.

Explore UNSW faculties

Find the right degree for you on page 58.
Feel safe and welcome

G’day. Hello. Hi. How’s it going? Aussies are known for being friendly, and you will find a smile wherever you go. Feel safe and welcome as you join our vibrant and multicultural communities all over Sydney that span social, religious and cultural collectives. Sydney has been ranked one of the safest cities in the world*. It will feel like a home away from home, no matter where you’re from.

Get ready for business

Sydney is home to more global firms than any other Australian city. As a gateway to Asian economies, you will find many valuable networking opportunities to help you stand out in the global job market. With UNSW’s career support services, you will feel confident about establishing new professional networks.

Sydney on a budget

On a budget? No worries. There are lots of affordable indoor and outdoor activities to enjoy in Sydney. Visit a free art gallery, catch a movie at the local cinema, try a coastal walk, snorkel or surf at the beach, or enjoy a budget-friendly lunch or dinner in one of our neighbouring suburbs. Join a student social club and try a new hobby with new friends.

Explore Sydney’s surroundings

Sydney is all about the outdoors. Head to one of our beautiful parks for an outdoor picnic with friends. If you want to go further, try the Blue Mountains to the west of Sydney, the Royal National Park to the south or stunning Palm Beach in the north. And east, of course, our beautiful beaches are a short drive or bus ride from the UNSW Sydney campus.

* Economist Intelligence Unit’s Global Liveability Index, 2019

**4th Safest City, Economist Intelligence Unit’s Safe Cities Index, 2021
Take a quick tour

**Top student city**
We are in the top 10 Best Student Cities* based on safety, welcoming international students and cost of living.

**A swimmer’s paradise**
There are over 100 beaches in Sydney spanning from harbourside alcoves filled with rockpools to the calm waters at Balmoral and Camp Cove. Or give surfing a go at the famous Bondi and Coogee beaches.

**Cultural melting pot**
Almost a third of our population were born overseas making us a truly multicultural city. Immerse yourself in community cultural or religious events throughout the year – including student events on campus.

**Enjoy our style**
Sydneysiders like to shop – particularly with local Australian designers. Head to nearby Paddington to discover boutique shops. Wander over to Surry Hills to find one-of-a-kind streetwear or visit the Sydney CBD for all the top labels and luxury brands.

**Experience the Australian bush**
There is a lot of green space in Sydney to enjoy. In the south of the city you can find one of Australia’s first national parks, Royal National Park, home to unique Australian plants, jaw-dropping coastal views and ancient Aboriginal art dating back thousands of years.

**Art meets nature**
Australia’s largest outdoor sculpture exhibit, Sculpture by the Sea, is held at Bondi Beach every year with large sculptures set against the backdrop of the cliffs and sea. It often features UNSW Art & Design students’ work. Get the selfie stick out for this. You won’t want to miss a photo opportunity.

*QS Best Student Cities, 2019
Take your first step towards UNSW
Prepare for university and make the most of your studies with our pathway programs. Choose from a range of options that suit your academic and English language skills, and the degree you plan to study. Master your skills and learn university-recognised content, so you can meet entry requirements and start your UNSW journey with confidence.

Get the support you need
You should consider a UNSW Global pathway program if you are an international student and you:
• completed a High School qualification that is not recognised by UNSW
• need additional support to help you progress from high school to university studies
• have not met the entry criteria for a UNSW degree
• have not finished high school
• need some additional English tuition.

Start your future at university
Once you successfully complete your pathway program and meet the entry requirements, you will be guaranteed a place in your chosen UNSW degree – and you can start shaping your dream career.

Choose your own path
Study from anywhere

Join us in one of the world’s most beautiful cities and commence your pathway to a world top 50 university, UNSW. Immerse yourself in the full university experience at our UNSW Global campus in Sydney – in a vibrant city full of culture and adventure, meet new friends from around the world and have amazing new experiences.

If you are not ready to live overseas, UNSW Global offers different programs that can prepare you for the next stage in your academic journey. Study online or choose to start your journey close to home, at one of our partner campuses – so distance and time zones don’t stop you from achieving your study goals.

Study online, anywhere

Prepare for university with our 100% online programs. They are designed for digital, so you can study from anywhere in the world. The UNSW Transition Program Online is an accelerated university preparation program, delivered in partnership with OpenLearning. This 4-month online program provides students with a potential pathway to UNSW Sydney, designed for students who narrowly missed the academic requirements, for direct entry into their chosen bachelor’s degree.

Study at an international centre, close to home

Start your journey to a world top 50 university while living close to home. UNSW Global licenses approved providers to deliver the Foundation English Entry Course and UNSW Foundation Studies, using the same curriculum studied on campus in Sydney. You will be fully supported in a structured learning environment and once you meet the entry requirements, you are guaranteed entry to your chosen bachelor’s degree at UNSW in Sydney, Australia.

Scan the QR code to learn more about our online programs.

Scan the QR code to learn more about studying on campus in your home country.

*Open Learning (Global) Pty Ltd trading as OpenLearning proudly delivers the UNSW Transition Program Online under license from UNSW and UNSW Global Pty Limited. The UNSW and UNSW Global trademarks are owned by UNSW and are used by OpenLearning under limited license. In Australia, students studying the UNSW Transition Program Online at an approved international centre are not eligible for Australian student visas. International students can apply for an Australian student visa once they progress to their next qualification onshore in Australia.
Studying at the UNSW Global Sydney campus is a great way to start your university journey. From world-class facilities and high quality, experienced teachers to a global student cohort and all the academic and personal support you need – it’s the perfect opportunity to immerse yourself in university life. You can join one of the hundreds of UNSW student clubs and societies, go on student excursions to meet new friends and be introduced to the best of what Sydney has to offer. You will feel safe and supported as you settle into one of the most liveable cities in the world – and prepare for academic success at university.

**Small classes**
with up to 20 students per class, so you receive individual attention.

**University experience**
with lectures and tutorials, for an easy transition to university learning.

**Expert teachers**
who are committed and experienced in teaching international students in an engaging and supportive manner.

**Newly refurbished**
campus to enhance student experience.
Reach your full potential

Achieve your academic goals with our range of services and online resources. Our Student Services team is here to help you achieve your study goals and keep you on track during your UNSW Global journey.

Get the help you need
Ask questions and get additional one-on-one or small group support from experienced teachers, available every week. Receive academic assistance from UNSW student peer leaders at our after-hours Study Club.

Learn new skills
Join small group workshops designed to help you master more challenging ideas and skills.

Access top facilities
With UNSW’s world-class library, design studios, engineering and science labs, online resources and sports facilities, you can reach your potential faster.

Fully refurbished UNSW Global campus
The redesign of this space mirrors the look and feel of the UNSW main campus. Enhancing the student experience in a bright, modern and sleek setting. The newly refurbished campus includes upgrades to the Student Common Room, Student Hub and Courtyard – featuring a student focused furniture layout, with relaxed seating, lounges and areas for private group work or individual study.

Practise your English with new friends
Join the Conversation Club for a fun way to improve your speaking skills. Chat about things that interest you outside of the classroom and make new friends in the process.

Flexible, supportive learning
We focus our programs on ‘blended learning’: a combination of face-to-face teaching and online resources and support. It makes content accessible and learning more flexible, and gives you more opportunities to understand the course content.
Your supported learning journey

Our Student Services team is here to help you manage life at university, from advising on accommodation options and getting set up at UNSW Global to helping you study more effectively and looking after your health and wellbeing. If you need support or just have a question – we are always here. And we can’t wait to get to know you.

The right start at UNSW Global

Support from the start
We will be there for you from day one. Once you’re enrolled, we will help you navigate university in person, over the phone or by email. You can also prepare for your studies at UNSW Global with one of our wellbeing, study support and orientation sessions. We can even pick you up from the airport, at an additional cost.

And once you have settled in, you can explore our beautiful city and harbour by joining our guided Sydney Basics Tour.

Your first day
At Orientation Day, you will receive your student card, class timetable and learn more about student life in Sydney. You will also have lunch with your new classmates, meet teachers and take a UNSW campus tour with our Global Student Volunteers – current students who are very excited to meet you.

For more information, visit unswglobal.unsw.edu.au/experience/student-services
Get the full Sydney experience

Join over 60,000 students at the UNSW campus set in the heart of an active, vibrant and diverse community. You are just a short bus or light rail ride away from Sydney’s playground: famous beaches, parks, shopping districts and the city centre.

Everything you need is right here
The UNSW campus has it all. A range of accommodation options, cafés, restaurants and supermarkets will keep you comfortable and fed. When it’s time to hit the books, there are indoor computer labs and outdoor study areas, so you can find the right vibe that suits your study style! Plus, our sporting facilities will keep you fit all year round. It’s all here.

Your new social calendar
Get to know the city better with an introductory tour of Sydney, go on a student excursion to Luna Park, or cheer on the football team at a local game. Join Arc, UNSW’s student association to make local and international friends, and access over 300 student clubs and societies. And for a night out with friends, head to the iconic Roundhouse bar for concerts, dance parties and plays. You will never run out of things to do.
To find out more about student life at UNSW, visit arcs.unsw.edu.au

Look after your health
On campus, you have access to a range of health services. From a medical clinic and doctors, to an optometrist, dentist and physiotherapist. You can also look after your mental health with free, confidential consultations at Psychology and Wellness, our on-campus clinic.

Find work in Sydney
As an international student, you can have a part-time job while you study, and full-time during holidays. Join one of our writing or personal branding workshops or learn about your work rights to make sure you get the right job for you. Our Student Services team can also help with your job search in Sydney. Check your visa rules to make sure you’re allowed to work before you start looking for a job.
Read the rules at immi.homeaffairs.gov.au

Get involved in the Global community
Volunteer with UNSW Global
If you want to further develop your professional and communications skills while studying with us, you can join the UNSW Global Volunteers. This is a great way to meet new friends while giving back to the Global community, by helping new students settle in and feel welcome.
You will assist in preparing and running student activities including events, orientation programs and guided tours. You will also get invites to exclusive events, free access to excursions you help with, and you will receive a letter of recommendation after volunteering for 10 hours or more.
To find out more information and how to join, email volunteer@unswglobal.unsw.edu.au

Settle into one of UNSW’s on- or off-campus student accommodation options. Whether you want to walk to your classes or be close to the beach and the city, we have a range of great living options. And if you are under 18, we have everything you need for a safe, supported transition to independence – making lifelong friends with people from around the world along the way.

Here are some of our suggested living options, but if you need help finding the right fit for you, contact our Accommodation team at accommodation@unswglobal.unsw.edu.au.

Be at the centre of UNSW life

Suitable for: All ages
Approved for: Under 18 years old
Location: On campus or close by
More information: newcollege.unsw.edu.au or accommodation.unsw.edu.au/apartments/jacaranda-hall

Start your independence with confidence while living on campus or close by. This could be the perfect choice if it’s your first time away from home. You will have space and freedom but also plenty of support, whenever you need it. Enjoy your own private room and access to all the facilities you need. Some providers even offer the option to include all your meals!

Enjoy college life

Suitable for: Over 18 years old
Approved for: Under 18 years old
Location: On campus or close by
More information: accommodation.unsw.edu.au

There is a range of UNSW managed or independent college accommodation options available. Located on campus or nearby, you can choose from fully, partly, or self-catered accommodation. There is also a range of gender-specific options including male-only, female-only and mixed. Most colleges cater for dietary requirements like halal, kosher and vegetarian.

Find your place at UNSW Apartments

Suitable for: Over 18 years old
Location: On campus or close by
More information: accommodation.unsw.edu.au

For a more independent lifestyle, living with other UNSW students, you can find apartments on and off campus. Whether you want to live with flatmates or you’re after a more stylish space, you will find your place at UNSW Apartments. Costs vary depending on the number of rooms and the location.

Be part of an international Sydney student community

Suitable for: All ages
Approved for: Under 18 years old
Location: Near campus or Sydney city centre
More information: scape.com

Join an active community of students just like you. Live in your own secure studio or apartment near campus or the city centre and meet people from other universities. With modern onsite facilities and staff who are there to help you day or night, this option is suitable if you’re under 18 or just want to make new friends from around the world.

* Scape Darling House and Scape Darling Square only.

Immerse yourself in local culture with Homestay

Suitable for: All ages
Location: Across Sydney region
More information: unswglobal.unsw.edu.au/experience/accommodation

Learn about the local culture while living with an Australian family. You will have your own fully furnished room, access to all the facilities, and breakfast and dinner taken care of. Gas and electricity expenses are generally included in the rent.

The Australian Department of Home Affairs requires students to have the financial capacity to cover living costs of at least A$26,000 per year (not including course fees). This means that you will need approximately A$2,170 per month for accommodation, food, utilities and entertainment but the actual costs will depend on your lifestyle choices and needs. You should budget for around A$31,000 per year per adult. Below is an estimate of how much your expenses will be each week.

Comparing costs

Make the right choice about where you live when you study at UNSW with these approximate living costs.

Note: Rental and living costs will vary based on the type and condition of accommodation, location, number of people you live with, and catering offered.

Book your accommodation in advance, so you don’t miss out on the one that’s right for you.
Under 18? We are here for you

If you are under 18 without your parent or a guardian in Sydney, our Under 18 Care Program is perfect for you. We make your experience living and studying in Australia fun, easy and safe.

We have cared for and supported thousands of young international students like you over the years. Our dedicated team is highly trained to help you with all aspects of life in Australia – whether it’s arranging the right accommodation, supporting your studies or looking after your health. And we set some simple rules to make sure you stay safe and make the most of your studies.

Under 18 visa requirements
If you are under 18 years old and want to study in Australia, you can meet additional visa requirements in two ways:
1. Join the UNSW Global Under 18 Care Program. You will need to complete some forms to apply but our friendly Admissions team will guide you through the process.
2. Live with your parent or nominated guardian in Sydney. You will need approval from the Australian Department of Home Affairs.

For more information, visit unswglobal.unsw.edu.au/under-18-care or immi.homeaffairs.gov.au and search for ‘Welfare arrangements for students under 18’.

What you will experience

An orientation session specifically designed for under 18 students gives you the opportunity to meet your Student Advisers, get familiar with under 18 Student Rules and find out what support is available.

Regular meetings with Student Advisers help keep your studies on track, and check in on your health and wellbeing, social life and accommodation. They also offer you the opportunity to ask any questions you may have.

Accommodation assistance helps you resolve any issues or change your living arrangements.

Regular workshops help you develop skills to study more effectively and live independently.

Assistance with your transition to UNSW to help you plan for university, such as addressing any gaps between programs and arranging accommodation.

24/7 support for emergencies, if you need our help.

Peace of mind for your parents
We offer information sessions and webinars to help parents understand visa and enrolment requirements, university processes and expectations, and help them support you if you are studying online.
Our Student Advisers will communicate with your parents about your progress, health and welfare. They also work closely with various teams and services to make sure you feel supported and safe throughout your UNSW journey.
Enter Second Year at university

If you are a motivated student with good English skills and big goals to study at university, a UNSW Diploma can get you there. This 12-month program in Architecture, Business, Computer Science, Engineering, Media & Communication or Science will launch you straight into Second Year of your chosen undergraduate degree.

Equivalent to First Year
As a Diploma student, you will study course content equivalent to your First Year of university, with all content recognised by UNSW – so you’re learning the same as students in a First Year degree program. You get more attention and support, so you feel confident when it’s time to progress.

Direct path to Second Year
If you just missed out on direct entry into UNSW and need some extra support, this program could be the best way to keep your university plans on track – without adding extra months or years on to your journey.

Supported and ready to succeed
You will have access to world-class UNSW facilities (like libraries, design studios, computer, engineering and science labs), clubs and societies from day one, with the added support of UNSW Global behind you. This means small class sizes with around 18 students per class, and personalised consultations with your teachers. You’ve got this!

For more information, visit unswglobal.unsw.edu.au/study/diplomas-overview

Your journey with one of our Diploma Programs

You have completed:
- High School Year 12
- English Program (if required)
- UNSW Diploma Program
- Second Year at UNSW Sydney

You can enter Second Year of a UNSW Bachelor’s degree:
- Bachelor of Architectural Studies
- Bachelor of Interior Architecture (Honours)
- Bachelor of Landscape Architecture (Honours)
- Bachelor of Commerce
- Bachelor of Science (Computer Science)
- Bachelor of Engineering (Honours)
- Bachelor of Media
- Bachelor of Science
UNSW Diploma in Architecture

Intakes January, August
Duration 12 months
Courses 8
Progression Second Year, Bachelor’s degree at UNSW
Indicative fees A$39,120
Scholarships Up to A$7,500
CRICOS Course Code 102394F

Creating meaningful and sustainable places is now more important than ever. Contribute to our future by studying architecture at UNSW. A Diploma in Architecture will take you straight into Second Year of a Bachelor of Architectural Studies, Bachelor of Interior Architecture (Honours) or Bachelor of Landscape Architecture (Honours) at UNSW Sydney. This program provides a solid foundation for a career in the built environment, preparing you to help create the buildings and public spaces that improve communities and impact the world we live in. You will learn about architectural design, history and communications, plus the science behind building environments.

Your future at UNSW
When you progress to UNSW, you have the option to choose a degree to prepare you for your future career.

Bachelor’s degrees
- Bachelor of Architectural Studies
- Bachelor of Interior Architecture (Honours)
- Bachelor of Landscape Architecture (Honours)

Career opportunities
- Architect
- Architectural Technician
- Building Surveyor
- Interior and Spatial Designer
- Landscape Architect
- Production Designer
- Structural Engineer
- Town Planner

Top 50 in the world for Architecture and Built Environment
QS World University Rankings by Subject, 2022

Joint 1st in Australia for Architecture, Building and Urban and Regional Planning
Australia Research Council’s 2018 ERA - Excellence in Research in Australia

Note: Diploma in Architecture students must achieve a Satisfactory Grade (equivalent to IELTS 6.5) for the Communication and Academic Literacy course and a minimum pass for all other courses to progress to Second Year of the relevant degree program at UNSW.

UNSW Diploma in Business

Intakes January, May, August
Duration 12 months
Courses 9
Progression Second Year, Bachelor of Commerce at UNSW
Indicative fees A$39,360
Scholarships Up to A$7,500
CRICOS Course Code 102394F

Manage people, lead change and build lifelong career connections by studying business at UNSW. A Diploma in Business will take you straight into Second Year of a Bachelor of Commerce at UNSW Business School. With an innovative First Year curriculum, you will learn how to recognise and analyse current global business challenges and opportunities as part of your program. You will then be ready to confidently choose a major from the range of core business disciplines available as you progress into a UNSW bachelor’s degree. Choose to focus on data, people, or global markets.

Your future at UNSW
When you progress to UNSW, you have the option to choose a degree major to prepare you for your future career.

Bachelor of Commerce majors
- Accounting
- Behavioural Economics
- Business Analytics
- Business Economics
- Finance
- Financial Technology
- Human Resource Management
- Information Systems
- Innovation, Strategy and Entrepreneurship
- International Business
- Marketing
- Taxation

Career opportunities
- Accountant
- Brand Manager
- Business Analyst
- Financial Adviser
- HR Executive
- Investment Banker
- Social Media Manager
- Start-up Founder
- Strategist

Top 50 in the world
QS World University Rankings by Subject, 2022

#1 in Australia
QS World University Rankings by Subject, 2020

#2 in Australia
QS World University Rankings by Subject, 2020

Career opportunities
- Accountant
- Brand Manager
- Business Analyst
- Financial Adviser
- HR Executive
- Investment Banker
- Social Media Manager
- Start-up Founder
- Strategist

Note: Diploma in Business students must achieve a Satisfactory Grade (equivalent to IELTS 7.0) for the Communication and Academic Literacy course and a minimum pass for all other courses (with an overall average of 60%) to progress to Second Year of the Bachelor of Commerce at UNSW. If you wish to study a major not on this list, you may be eligible to receive credit for courses that are common.
UNSW Diploma in Computer Science

Intakes January, May, August
Duration 12 months
Courses 8
Progression Second Year, Bachelor of Science (Computer Science) at UNSW
Indicative fees A$38,400
Scholarships Up to A$7,500
CRICOS Course Code 182395G

Technology is changing the world – and you can too by studying computer science at UNSW.

A Diploma in Computer Science will take you into Second Year of a Bachelor of Science (Computer Science) at UNSW’s world-renowned School of Computer Science and Engineering.

You will study the design, construction and uses of computer systems with an emphasis on the basic principles behind computing tools, operating systems, compilers and translators, and computer hardware. From there, in Australia’s #1 Engineering faculty, you can build your own future.

Your future at UNSW

When you progress to UNSW, you have the option to choose a degree major to prepare you for your future career.

Bachelor of Science (Computer Science) majors
- Artificial Intelligence
- Computer Networks
- Computer Science
- Database Systems
- eCommerce Systems
- Embedded Systems
- Programming Languages
- Security Engineering

Career opportunities
- Big Data Analyst
- Chief Technology Officer
- Cyber Security Consultant
- Game Programmer
- I T Consultant
- Software Developer
- Systems Engineer

#30 in the world for Computer Science
QS World University Rankings by Subject, 2020

Most employable graduates
AFR Top 100 Future Leaders Award, 2021

“...The Diploma Program was tailored to be just like a regular First Year in a Bachelor’s degree, which made it easier to progress into Second Year of my Computer Science degree. The program and the supportive environment prepared me for the rest of my journey at UNSW.”

Yousif Midhat Khalid, Iraq
Diploma in Computer Science Current student at UNSW Sydney

UNSW Diploma in Engineering

Intakes January, May, August
Duration 12 months
Courses 8
Progression Second Year, Bachelor of Engineering (Honours) at UNSW
Indicative fees A$38,400
Scholarships Up to A$7,500
CRICOS Course Code 08995M

Calling all future engineers! This is the pathway into Australia’s #1 Engineering faculty.

By completing a UNSW Diploma in Engineering, you will launch straight into Second Year of a Bachelor of Engineering (Honours) at UNSW.

Your First Year equivalent Diploma will enable you to study your first engineering and programming courses, including an engineering innovation and design course where you will be building your first prototype. With such a great variety, you will build the career you want on solid foundations.

Your future at UNSW

When you progress to UNSW, you have the option to choose a degree major to prepare you for your future career.

Bachelor of Engineering (Honours) majors
- Aerospace Engineering
- Bioinformatics
- Chemical Engineering
- Chemical Product Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Environmental Engineering
- Materials Science & Engineering
- Mechanical Engineering
- Mechanical & Manufacturing Engineering
- Mechatronic Engineering
- Mining Engineering
- Petroleum Engineering
- Photovoltaics & Solar Energy
- Quantum Engineering
- Renewable Energy Engineering
- Telecommunications

If you wish to study a major not on this list, you may be eligible to receive credit for courses that are common.

*Specific courses are required in Second Year, which may increase program duration.

The Diploma Program with its small class sizes provided me with more time and attention during the First Year of my studies, which helped me progress to the Second Year of the Bachelor of Science degree I’m currently studying at UNSW.

– Claudia Velda Widjaja, Indonesia
Diploma in Science
Current student at UNSW Sydney
A UNSW Foundation Studies Program is your supportive pathway to the First Year of any UNSW degree. Our programs are designed to suit your academic and English skills and prepare you for studying at university.

Flexible entry points
If you’ve just missed out on entry or need help to meet English and academic requirements for a Bachelor’s degree, our range of Foundation Studies Programs is for you. The programs are tailored to different abilities and move at a pace that works for you – with the right support and flexibility to reach your study and career goals faster.

Be degree ready
A UNSW Foundation Studies Program suits every career path. Do you want to study a degree in Architecture, Business, Cyber Security, Medicine, Quantum Engineering or any of our hundreds of other professional pathways? There’s a Foundation Studies Program that will get you there. The content you study has been developed in consultation with UNSW faculties so you will be prepared for your degree.

A supportive pathway
You will enjoy a personalised learning experience with individual support from dedicated and experienced teachers. Plus, regular feedback and ongoing assessments will keep you moving forward. Prepare to challenge yourself, get ready for life at UNSW and make lasting friendships along the way.

UNSW Global provides students with a supportive learning experience through:

- Small classes
- Personalised learning
- English language support

- Online resources
- Continuous feedback
- Study groups and workshops

- Peer support
- Social clubs and societies
- Fun activities

UNSW Foundation Studies Programs
Get to where you want to be

Do you want to change the world through science, technology, innovation or design? Maybe you’re dreaming of a career in engineering or running your own business? Choose the stream that will get you there.

A stream is the area of study that will help you prepare for the UNSW Bachelor’s degree you want to complete. If you’re planning to study a UNSW Foundation Studies Program or a UNSW Transition Program Online, you will need to choose the stream which aligns to your preferred degree.

Which stream is right for you?

### Arts & Social Sciences

This is your stream for a degree in:
- Arts
- Criminology
- Economics
- Education
- International Studies
- Media
- Social Science

This stream will cover subjects such as:
- Academic English
- Computing
- Cultural Studies
- International Issues
- Management
- Maths

### Commerce or Actuarial Studies

This is your stream for a degree in:
- Accounting
- Actuarial Studies
- Economics
- Finance
- International Business
- Marketing
- Some Law degrees

### Design & Architecture

This is your stream for a degree in:
- Architectural Studies
- Arts
- Construction Management & Property
- Design
- Fine Arts
- Industrial Design
- Interior or Landscape Architecture
- Media

This stream will cover subjects such as:
- Academic English
- Computing
- Cultural Studies
- Design
- Maths

### Physical or Life Science

This is your stream for a degree in:
- Biomedical Sciences
- Engineering
- Medical Science
- Medicine
- Psychology
- Science
- Technology

This stream will cover subjects such as:
- Academic English
- Biology
- Chemistry
- Computing
- Maths
- Physics

For more information, visit [unswglobal.unsw.edu.au/study/foundation-studies-overview](unswglobal.unsw.edu.au/study/foundation-studies-overview)

For a full list of degree programs and entry requirements, see [page 58](#).

If you would like advice on which stream to choose for your preferred degree program, contact UNSW Global Admissions at [admissions@unswglobal.unsw.edu.au](mailto:admissions@unswglobal.unsw.edu.au)
Challenge yourself

As part of your Foundation Studies Program, you will get to make the most out of your studies with academic, social and wellbeing activities. Over five action-packed days, called Challenge Week in Term 1 and 2, you will test your skills, push your boundaries and get set for success at university.

Challenge Week is a great opportunity for you to check your progress, build strong connections and get to know your local community. You will learn about yourself, your course and how to kickstart your exciting journey at UNSW.

You will:
• complete academic challenges that assess and improve your course understanding
• take part in wellbeing and communication workshops
• go on excursions to places relevant to your studies
• meet people from different cultural backgrounds
• plan for your future at UNSW
• meet UNSW faculties
• attend UNSW and career pathway orientation.

Connect

Meet new people and make lifelong friends through a week packed with challenging tasks and fun activities.

Grow

Boost your knowledge and skills with new tasks every day during Challenge Week.

Succeed

Achieve more by learning about yourself, your course and your world.

Scholarships

Scholarships of up to A$7,500 are available for high-achieving students entering Foundation Studies Programs.

For more information, visit unswglobal.unsw.edu.au/apply/scholarships

“I really enjoyed Challenge Week. There were multiple seminars on degrees, how to write a CV and Q&A sessions that have helped me prepare for my future studies at UNSW. The activities and workshops allowed me to socialise with my fellow classmates – finishing tasks together that brought us closer as friends. My favourite part of Challenge Week was the photography competition.”

Farren Lianto, Indonesia
Foundation Studies Program, Design Stream
Academic English Programs

Improve your English to succeed at university

If you want to improve your English skills before you start your university journey, our Academic English Programs are for you. They help you focus on your studies and make reaching your goals easier.

Something for everyone
These courses are suitable for various English levels and help develop your academic language skills quickly. The range of courses also helps you prepare for the study path you want to take.

Prepare for the next step
If you want to meet the English entry requirements for one of our pathway programs or a UNSW degree, these flexible courses help you get there.

Supportive, practical and engaging
Learn English at your level in small classes with lots of support, and regular feedback and assessments. Industry-leading teachers will help you develop critical thinking skills through engaging and interactive classes, online and in-person.

Which English Program is right for you?

- University English Entry Course (UEEC)
- UNSW Diploma Program
- UNSW Bachelor’s degree
- UNSW Master’s degree
- Foundation English Entry Course (FEEC)
- UNSW Foundation Studies Program
University English Entry Course (UEEC)

Get university-level English skills

Achieve your English goals and get into the UNSW diploma or degree you want in 20 weeks or less with UEEC. Be among the 95% of UEEC students who progress to UNSW.

With UEEC you will:
- improve your academic English language, writing and digital skills
- progress straight to UNSW when you complete UEEC successfully
- feel confident and ready to study at university
- learn content based on UNSW lectures and readings
- develop collaborative and independent learning skills
- receive individual feedback so you keep getting better.

For course entry requirements, dates and fees see pages 54, 63 and 64.

Learn to:
- give academic presentations
- contribute effectively and confidently to discussions
- read university-level texts
- develop independent learning strategies
- use established academic rules and principles
- understand lectures, discussions and media reports.

For more information, visit
unswglobal.unsw.edu.au/study/university-english-entry-course

Foundation English Entry Course (FEEC)

Your journey to a smoother pathway

Improve your English language skills before starting your Foundation Studies Program.

With FEEC you will:
- progress into a Foundation Studies Program when you complete FEEC successfully
- learn from qualified and experienced teachers
- make new friends
- get personalised one-on-one support
- develop new skills with additional communication and writing workshops
- build your vocabulary with weekly reading and listening tasks.

For course entry requirements, dates and fees see pages 56, 63 and 64.

Learn to:
- present, discuss and contribute to group work
- take notes in lectures
- read academic texts and develop research skills
- write in an academic tone
- use the appropriate grammar and pronunciation
- develop independent learning strategies.

For more information, visit
unswglobal.unsw.edu.au/study/foundation-english-entry-course

* You can study UEEC or FEEC Online, our 10-week English Program taught fully online. For more information on this course, scan the below QR code.
Tertiary Orientation Program

Prepare for life and learning at UNSW

Feel prepared for studying at UNSW and build confidence in your English ability with the Tertiary Orientation Program. Designed for students with a full offer to UNSW or with an IELTS of 6.5, you develop academic communication and literacy skills related to your field of study, and learn about Australian university culture. Over five weeks, you learn how to use academic search tools and the UNSW portal while building your confidence in managing assignments. Immerse yourself into life at UNSW and Sydney, meet friends, discover UNSW clubs and societies and feel fully prepared to start your university degree.

For more information, visit unswglobal.unsw.edu.au/study/tertiary-orientation-program

Essential Academic English

Build your academic English skills

Prepare for UEEC or FEEC with Essential Academic English (EAE). Develop your academic reading, writing, speaking and thinking skills and improve your pronunciation over 10 weeks. Get familiar with real UNSW course materials and learn from highly qualified and experienced teachers.

For more information, visit unswglobal.unsw.edu.au/study/essential-academic-english

“The Academic English Programs really helped me with developing my study skills. I learnt about the best way to format notes in lectures and how to succeed at my current undergraduate degree at UNSW.”

Meiwei Chen, China
Academic English Programs
Current student at UNSW Sydney

Essential Academic English Course Code 043923A

Tertiary Orientation Program Course Code 084609E

John Niland, Scientia Building
Academic entry requirements

At UNSW Global, every application we receive is carefully considered. Students will receive an offer to the relevant program based on their academic and English test results.

The entry requirements listed are a guide only and are subject to change. For the most up-to-date information and additional qualifications, please visit unswglobal.unsw.edu.au

Note:*
- There may be specific subject requirements, depending on your intended degree program (for example, a minimum grade in mathematics and/or science subjects may be required).
- To be eligible for entry, students must have at least 10 years of age at the time of commencement.
- Where students do not have the relevant qualifications then they will be encouraged to attend an interview or their case may be considered on an individual basis.
- Students may apply for a number of programs, but are only allowed to accept one offer.
- For more information and the most up-to-date entry requirements, visit unswglobal.unsw.edu.au/study/entry-requirements.

For more information and the most up-to-date entry requirements, visit unswglobal.unsw.edu.au/study/entry-requirements.
Before starting a UNSW degree or a UNSW Diploma Program, you will need to have reached a minimum level of English language proficiency. If you have other English qualifications to the ones listed below, you may still apply to enter these programs. Contact admissions@unswglobal.unsw.edu.au for more information.

Depending on your level of English, you may need to study an Academic English Program. This may consist of between 10 and 30 weeks of additional English language tuition in our University English Entry Course and Essential Academic English course.

The entry requirements listed are a guide only and are subject to change.

**English entry requirements for UNSW degree or a UNSW Diploma Program**

For more information and the most up-to-date entry requirements, visit unswglobal.unsw.edu.au/study/entry-requirements and unswglobal.unsw.edu.au/study/essential-academic-english.

*Exception of Bachelor of Education with 7 overall (min. 6.5 in writing & reading, 7.5 in speaking & listening), and Master of Teaching (Primary & Secondary) with 7.5 overall (min. 7.0 in writing & reading, 8.0 in speaking & listening).
English entry requirements for Foundation Studies Program

Before being accepted into the UNSW Transition Program Online or UNSW Foundation Studies Program you will need to have reached a minimum level of English language proficiency. If you have English qualifications other than those listed below, you can still apply to enter these programs. Contact admissions@unsglobal.unsw.edu.au for more information.

Depending on your level of English, you may need to study an Academic English Program. This may consist of between 10 and 20 weeks of additional English language tuition in our Foundation English Entry Course or Essential Academic English course.

The entry requirements listed are a guide only and are subject to change.

Progression
to UNSW Sydney

Once you successfully complete a Foundation Studies Program or UNSW Diploma Program and meet the specific entry requirements, you will progress straight into your chosen bachelor’s degree at UNSW Sydney.

For the most up to date information on specific entry requirements for your chosen UNSW Sydney bachelor’s degree, visit unswglobal.unsw.edu.au/study/progression-to-unsw-sydney

UNSW Foundation Studies Students
Students are assessed throughout each course using assignments, tutorials and laboratory sessions, semester examinations and final examinations. Students must meet the required Grade Point Average (GPA) in order to progress to a Bachelor Degree at UNSW. For information on how to calculate your UNSW Foundation Studies GPA, visit unswglobal.unsw.edu.au/calculating-your-grade-point-average

UNSW undergraduate entry requirements for Diploma Program students
Diploma in Business students must achieve a Satisfactory Grade (equivalent to IELTS 7.0) for the Communication and Academic Literacy course and a minimum pass for all other courses (with an overall average of 60%) to progress to Second Year of the Bachelor of Commerce at UNSW.
Diploma in Architecture, Computer Science, Engineering, Media and Communication and Science students must achieve a Satisfactory Grade (equivalent to the IELTS 6.5) for the Communication and Academic Literacy course and a minimum pass for all other courses to progress to Second Year of the relevant degree program at UNSW.

Note: Fees listed in this guide are indicative tuition fees approved for the 2022 calendar year intake, and are for tuition only - other fees and charges are not included.

Fees listed in this guide are subject to change. All updates to fees are effective from the start of each calendar year. All fees mentioned in this guide are in Australian Dollars.

For more information on non-tuition fees, visit [unswglobal.unsw.edu.au/additional-fees](http://unswglobal.unsw.edu.au/additional-fees).

For more information on Diploma Program tuition fees, visit [unswglobal.unsw.edu.au/diploma-tuition-fees](http://unswglobal.unsw.edu.au/diploma-tuition-fees).

---

### Scholarships, rewarding your ambition

At UNSW Global, we appreciate hard work. If you have a strong academic record, you may be eligible for one of our scholarships offering some extra support with funding your pathway into UNSW Sydney.

#### UNSW Pathway Scholarships

If you are a high-achieving international student, you may receive up to A$7,500 towards your Foundation Studies or Diploma Program at UNSW Global.

For more information, visit [unswglobal.unsw.edu.au/apply/scholarships](http://unswglobal.unsw.edu.au/apply/scholarships).

#### UNSW Global Academic Award

If you successfully complete a Foundation Studies Program and will go on to study a UNSW degree, you may be eligible for a one-year scholarship worth up to A$10,000.

For more information, visit [international.unsw.edu.au/international-scholarships](http://international.unsw.edu.au/international-scholarships).

#### Ross Woodham Scholarships

If you excelled in your Foundation Studies Program, and you will go onto study a degree at UNSW, you may be eligible for a Ross Woodham Scholarship in the value of up to A$10,000.

For more information, visit [unswglobal.unsw.edu.au/apply/scholarships](http://unswglobal.unsw.edu.au/apply/scholarships).

Note: Terms and conditions apply. Students studying Transition Programs Online or Academic English Programs are not eligible for UNSW Global scholarships.
How to apply

➤ Step 1 – Choose your degree
Choose your UNSW Sydney degree, so you can work out which stream you will study with us.
For more information, visit unswglobal.unsw.edu.au/study/progression-to-unsw-sydney

➤ Step 2 – Check entry requirements
Choose a UNSW Global course or program based on the below entry requirements.
• Academic entry requirements, on page 48
• English entry requirements, on page 54

➤ Step 3 – Prepare your documents
You will need certified copies of the following:
• Academic qualifications (translated into English)
• Evidence of English language proficiency (if applicable)
• Passport, visa or birth certificate
If you’re under 18 years old, you will need additional documents.

➤ Step 4 – Apply online
Scan the QR code below to apply online, alternatively if you want to study; a Diploma Program, visit apply.unsw.edu.au
a Foundation Studies Program or Academic English Program, visit unswglobal.unsw.edu.au/apply/how-to-apply
Transition Program Online, visit openlearning.connect.studylink.com
If you are an agent submitting an application to Transition Program Online, visit partner.studylink.com

➤ Step 5 – Accept your offer
Once we approve your application, you will receive a Letter of Offer with instructions on how to accept your offer and pay your deposit or fees.

➤ Step 6 – Apply for your visa
If you are going to study in Sydney, you will need to apply for a visa. To do that, you will need an electronic Confirmation of Enrolment (CoE), which you will receive after you have completed step 5.
For information on how to apply for a student visa, visit homeaffairs.gov.au/Trav/Stud

➤ Step 7 – Attend orientation and start your studies
You will receive information about your orientation session by email. It is compulsory to attend, whether you’re studying face-to-face or online, as it is a crucial step for your success with us. After Orientation Day, you are ready to begin your UNSW Global studies.

For more information on how to apply, visit unswglobal.unsw.edu.au/apply/how-to-apply

Note: If you’re under 18 years old, you will need additional documents. Read more at unswglobal.unsw.edu.au/experience/under-18-care
Your pathway to UNSW Sydney
