"Most university programs in Australia go through to July and that would not allow me to do a summer internship back home in America. But since they switched to the 3+ term system here at UNSW, it works out perfectly for me."

– Allyson Ehlers (USA)

"Sydney is so beautiful. I find it a very multicultural city which is great, especially with all the different food options! The people are really friendly and always smiling. Sydney is a wonderful city and UNSW is a great university. There are so many resources here for students."

Tailor your term

We offer hundreds of courses across six academic faculties. Most of these are open to Study Abroad and Exchange students.

How do you know what term is best for you? Work out how many credits you need to transfer back to your home institution, which term dates suit, and build your program from there.

Standard Terms:
For those wanting 18 UNSW Credits (22.5 ECTS/3 courses)

Tailored Terms:
For those wanting 24 UNSW Credits (30 ECTS/4 courses). Students take 1 course in either our Summer (January) or Winter (August) Term, and 3 courses in a standard Term.

Double Terms:
For those wanting even more flexibility, you can choose 24 UNSW Credits (30 ECTS/4 courses) or add extra courses to boost this to 30 UNSW Credits (37.5 ECTS/5 courses). For the super studious, you can even do 36 UNSW Credits (45 ECTS/6 courses).
